Golden Mask Arc 34

Kinnikuman vs. Snow!

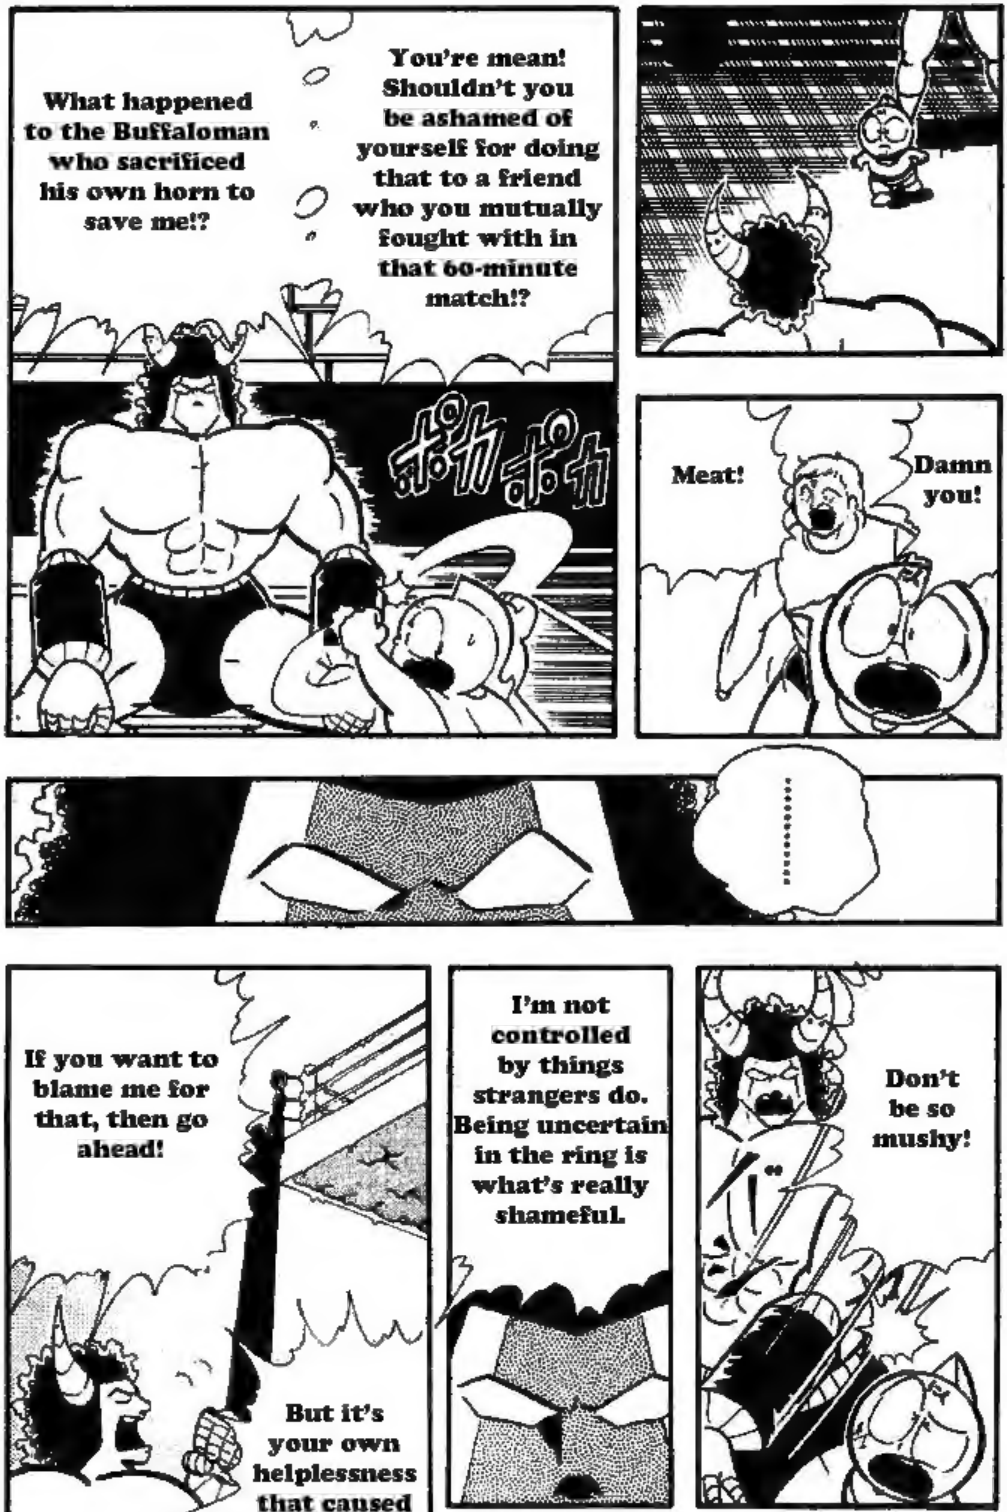
A Team Kinniku Release

Kiinikuman is caught in the fresh new and sinking with his Kinniku Buster!
Curse you... Buffaloman...
That's just how things are.
Take this: *Tornado Hell!*

UWA!
KAKAKA
KAKA!
Ashuraman is spinning his body, creating a whirlwind of snow!

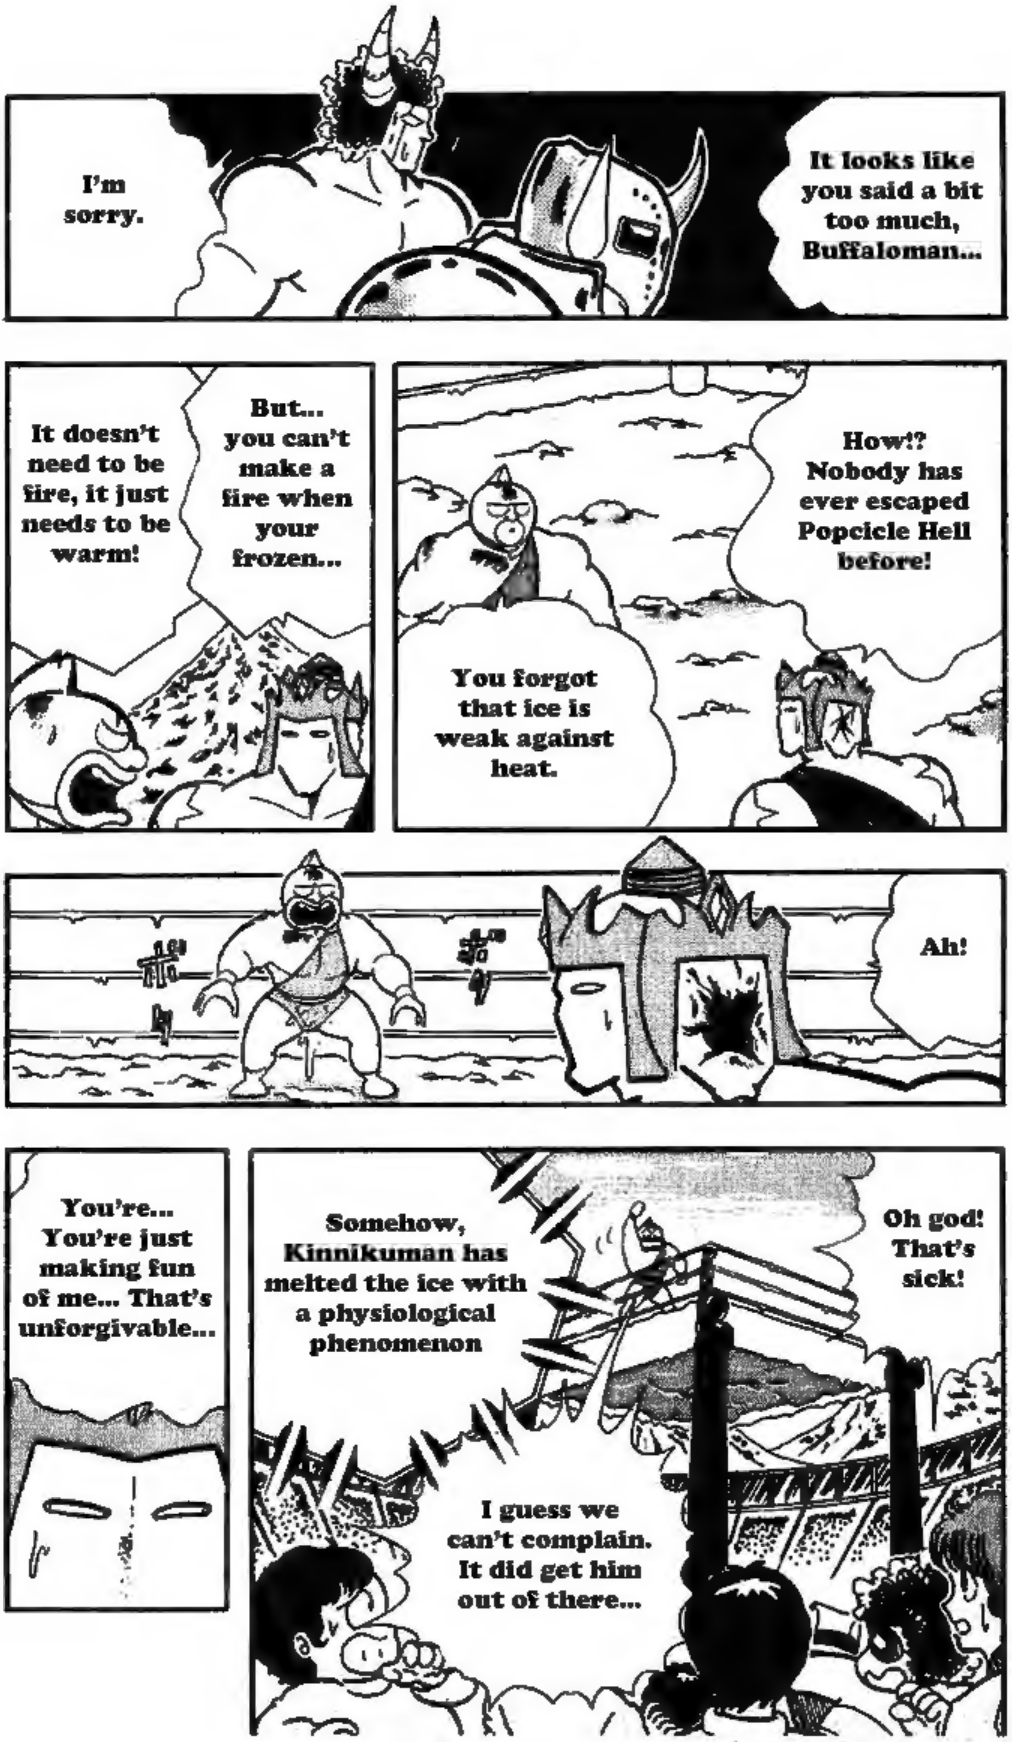
KAKA KAKA! Now it's my turn!
The impact has broken the Kinniku Buster!
Look at Ashuraman's wonderful snow performance!
KA KA KA KA!
Uwa!

Ooh! Look!
Prince!
The wind has stopped, and Kinnikuman has stopped moving!
KAKAKA-KA!
Kinnikuman has been turned into a popsicle!
Kinniku-man!



What happened to the Buffaloman who sacrificed his own horn to save me!?
You're mean! Shouldn't you be ashamed of yourself for doing that to a friend who you mutually fought with in that 60-minute match!?
Meat!
Damn you!
If you want to blame me for that, then go ahead!
But it's your own helplessness that caused it!
I'm not controlled by things strangers do. Being uncertain in the ring is what's really shameful.
Don't be so mushy!

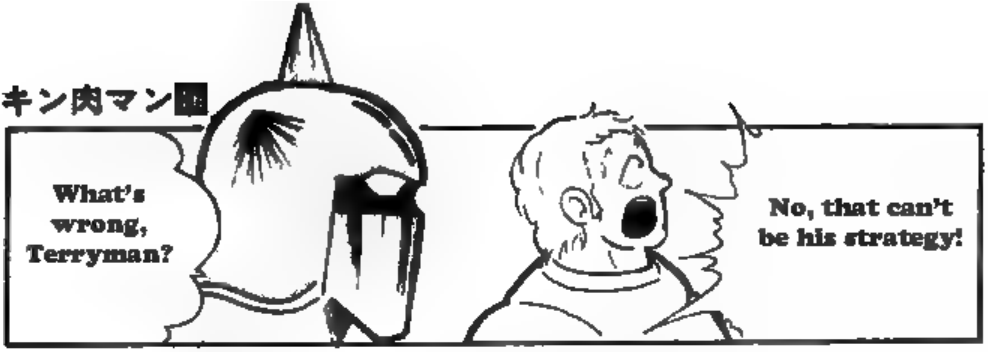
It's impossible to escape from my popcicle attack!
That sounds like something you'd say Buffaloman, but I'm here to defeat Akuma Shogun, not you!
Heh heh heh ...
Muscle Blizzard!
Then I'll do it anyway!
Buffalo-man!
It's a reversal where the shards of ice broken by Kinnikuman stab into Ashuraman!



I'm sorry.
It looks like you said a bit too much, Buffaloman...
It doesn't need to be fire, it just needs to be warm!
But... you can't make a fire when your frozen...
How!? Nobody has ever escaped Popcicle Hell before!
You forgot that ice is weak against heat.
Ah!
You're... You're just making fun of me... That's unforgivable...
Somehow, Kinnikuman has melted the ice with a physiological phenomenon
Oh god! That's sick!
I guess we can't complain. It did get him out of there...

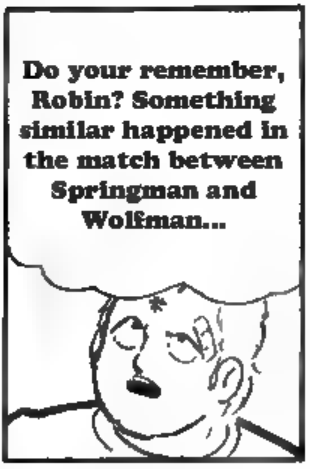
Now that he has his Angry Face out, he can do whatever he wants.
The Laughing and Cold Ashura Faces have been smashed, so now only the angry one remains!
Ashura Face: Angry!
It's hard to believe that there's anyone who can't feel it's terror just by looking at it!
It's terrible... Of the three faces, the Angry Face is the strongest!
Buffaloman still seems to have nightmares about that face...
But it isn't doing any damage! His Spinning Shrimp technique is ineffective!
KA KAKA! Die!
Ashuraman attacks!

And now a Cobra Twist!
Yeah, that won't work on Kinniku-man!
Get serious, Ashuraman!
...and now, it's a Pinning Rolling Cradle!
Gyahahaha! This won't work on me!
What does he mean? Ashuraman is just repeating simple attacks on Kinniku-man...
Doesn't anyone understand what's going on!? It's going exactly as Ashuraman wants!

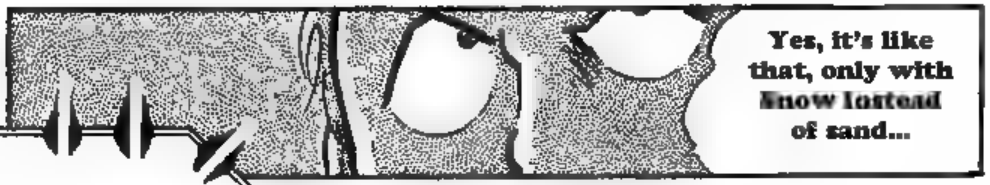


What's wrong, Terryman?
No, that can't be his strategy!

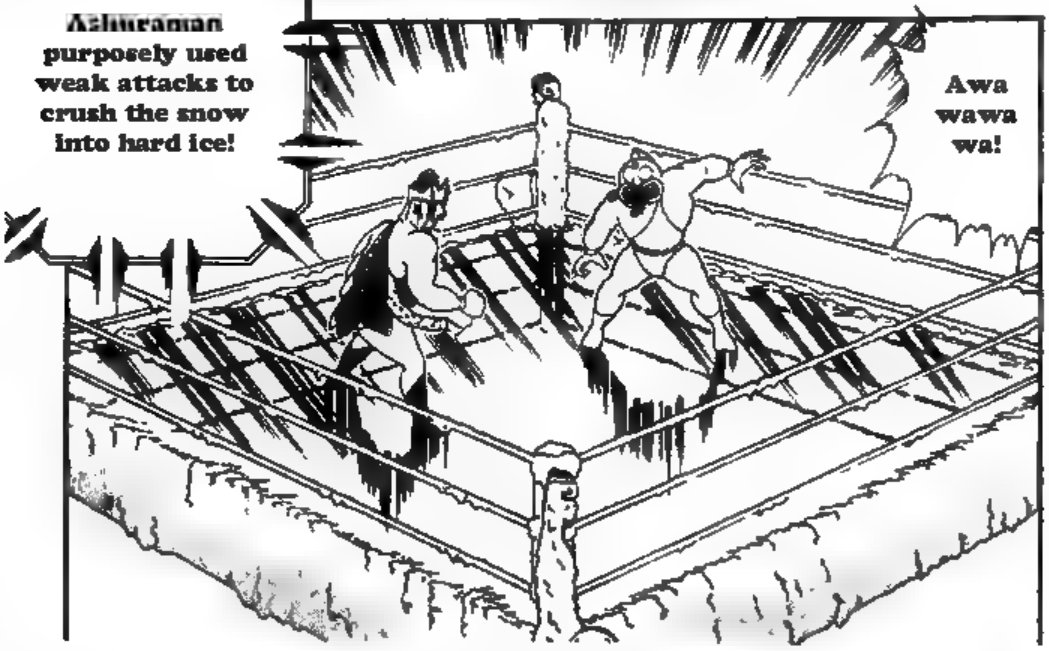
Ooh! That was when Springman took his opponenet's attacks so he could harden the soft sand! The impact of the attacks kept hitting the sand until it hardened into rock!



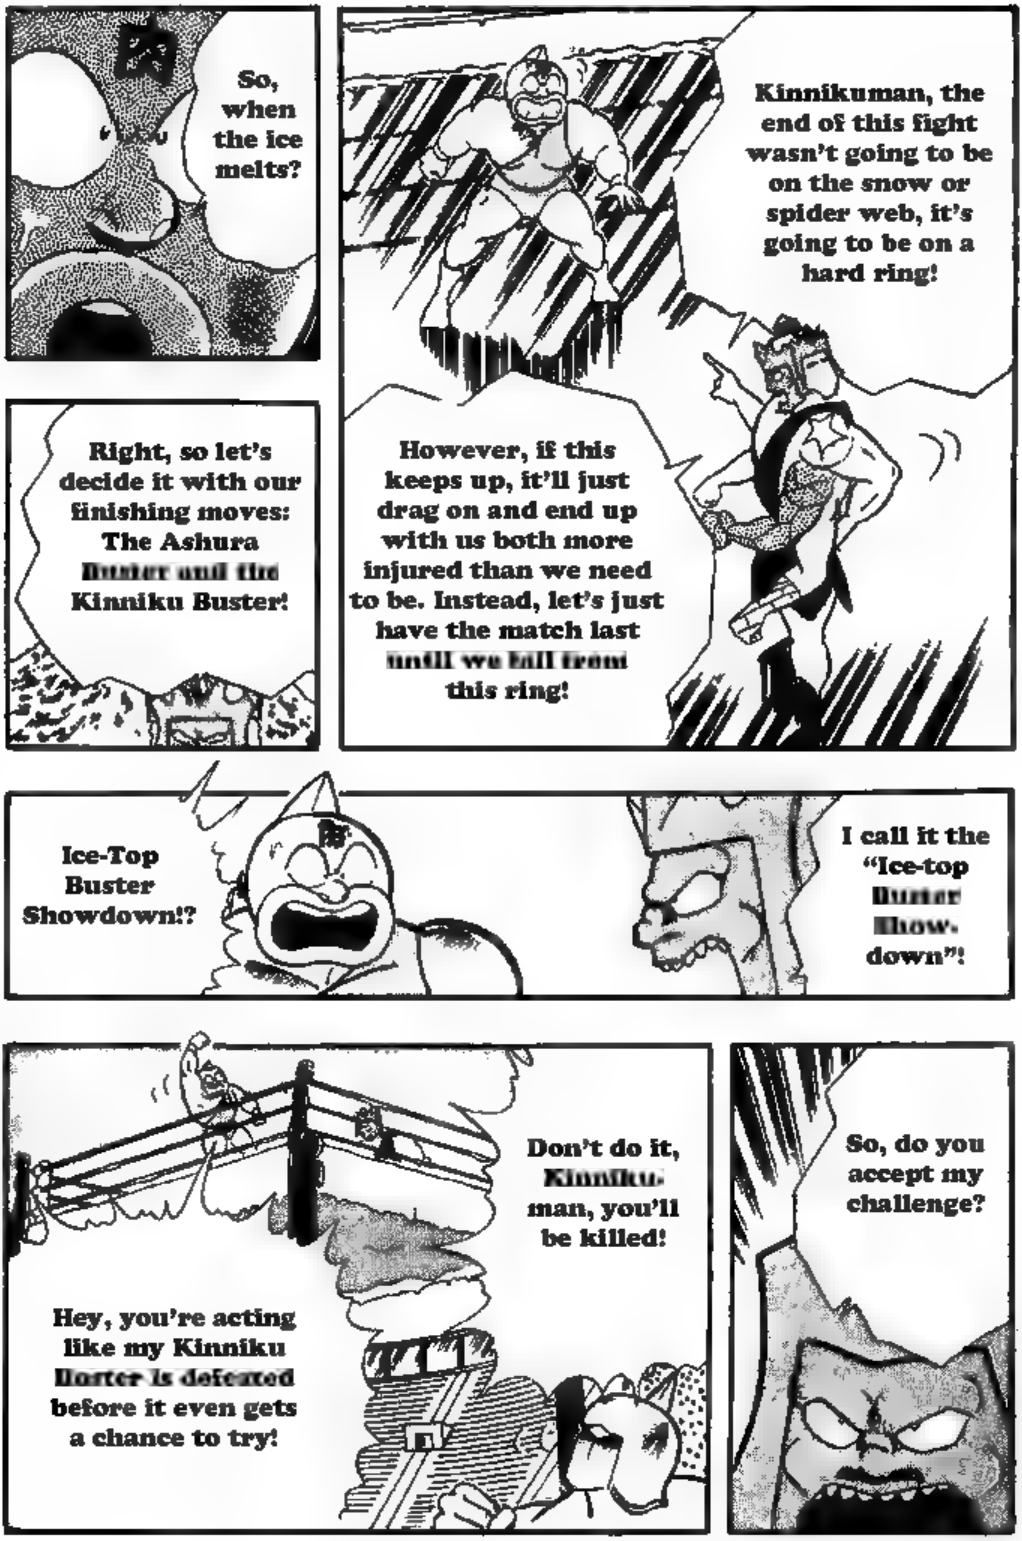
Do your remember, Robin? Something similar happened in the match between Springman and Wolfman...



Yes, it's like that, only with snow instead of sand...

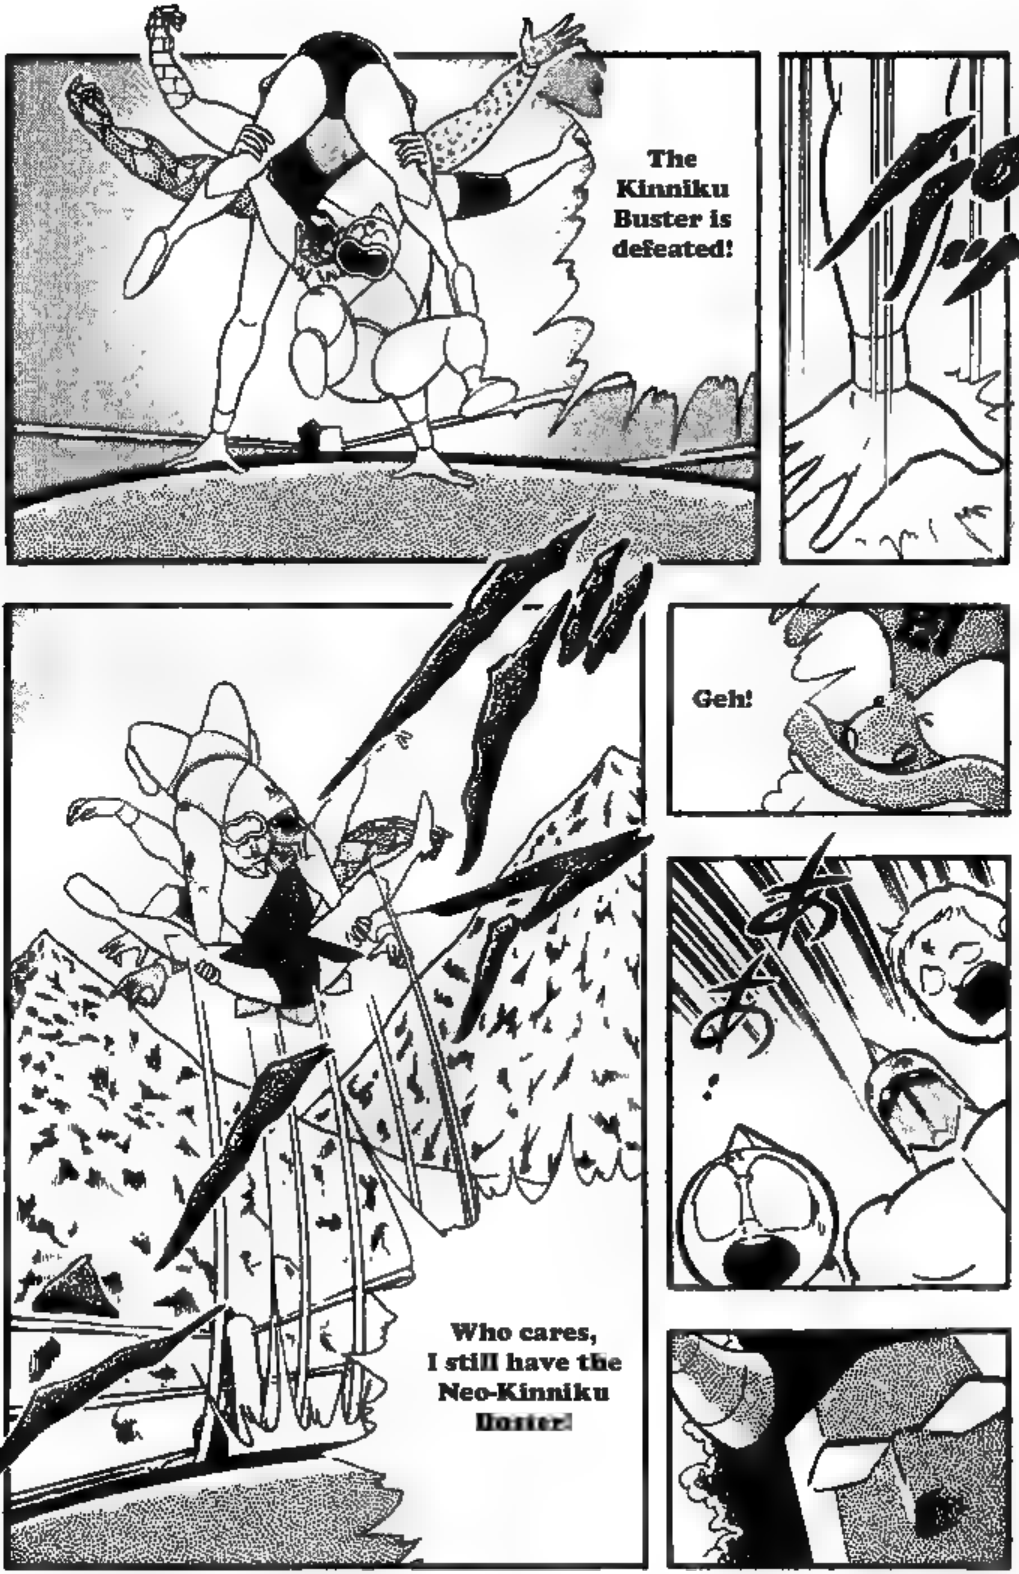


Ashuraman purposely used weak attacks to crush the snow into hard ice!
Awa wawa wa!



So, when the ice melts?
Kinnikuman, the end of this fight wasn't going to be on the snow or spider web, it's going to be on a hard ring!
However, if this keeps up, it'll just drag on and end up with us both more injured than we need to be. Instead, let's just have the match last until we fall from this ring!
Right, so let's decide it with our finishing moves: The Ashura Buster and the Kinniku Buster!
Ice-Top Buster Showdown!?
I call it the "Ice-top Buster Showdown"!
Don't do it, Kinniku-man, you'll be killed!
Hey, you're acting like my Kinniku Buster is defeated before it even gets a chance to try!
So, do you accept my challenge?

There isn't enough room in the world for two Kinniku Busters!
You're betting my arms and your life!?
I should accept his challenge, then I'll get back Terryman's arms, too!
Kinniku Buster!
HERE!
Kinnikuman makes the first move in the Ice-top Buster Showdown!
It's finally happened. The day the Kinniku Buster is defeated...



The Kinniku Buster is defeated!
Geh!
Who cares, I still have the Neo-Kinniku Buster!

...but the Neo-Kinnikun Buster is defeated, too!
Aah!
KAKAKA KAKA!
No matter how many times you try, it'll always be the same!
Take this!
KA KA KA!
My Kinnikn Buster... Defeater!

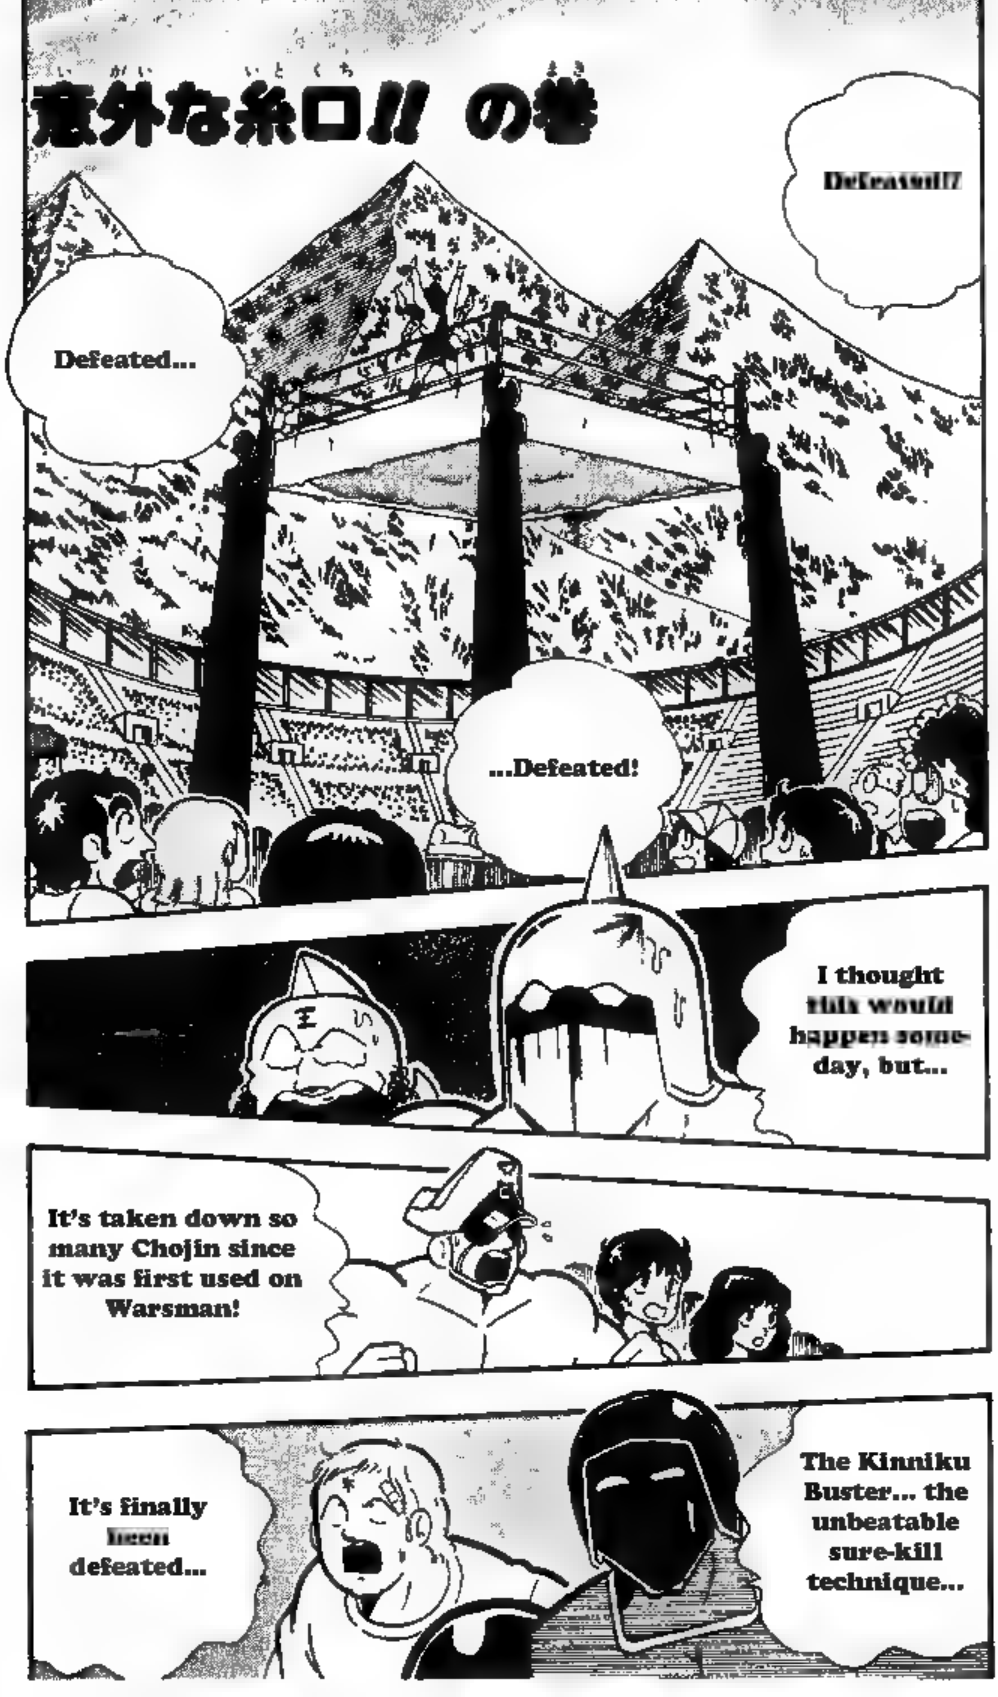
ASHURA
BUSTER!

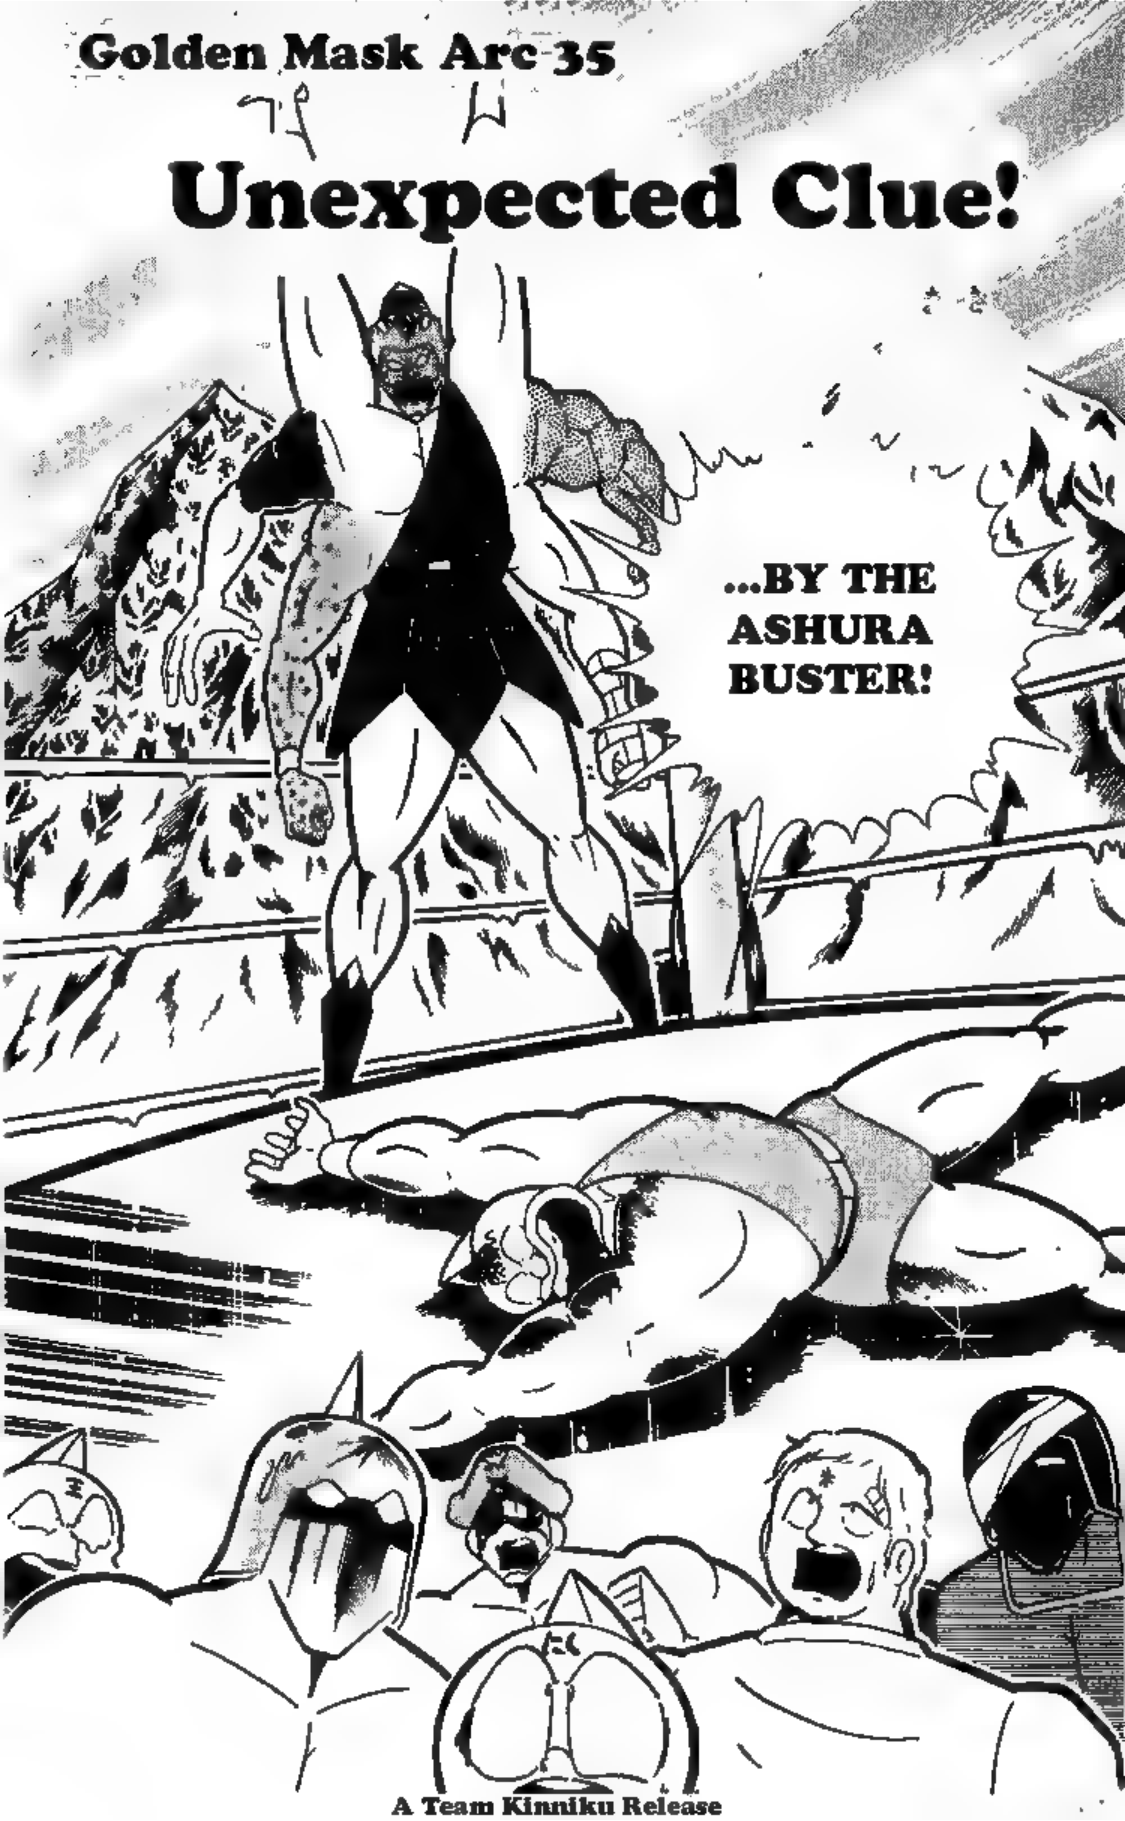
Kinnikuman has been cleanly defeated by the Ashura Buster!



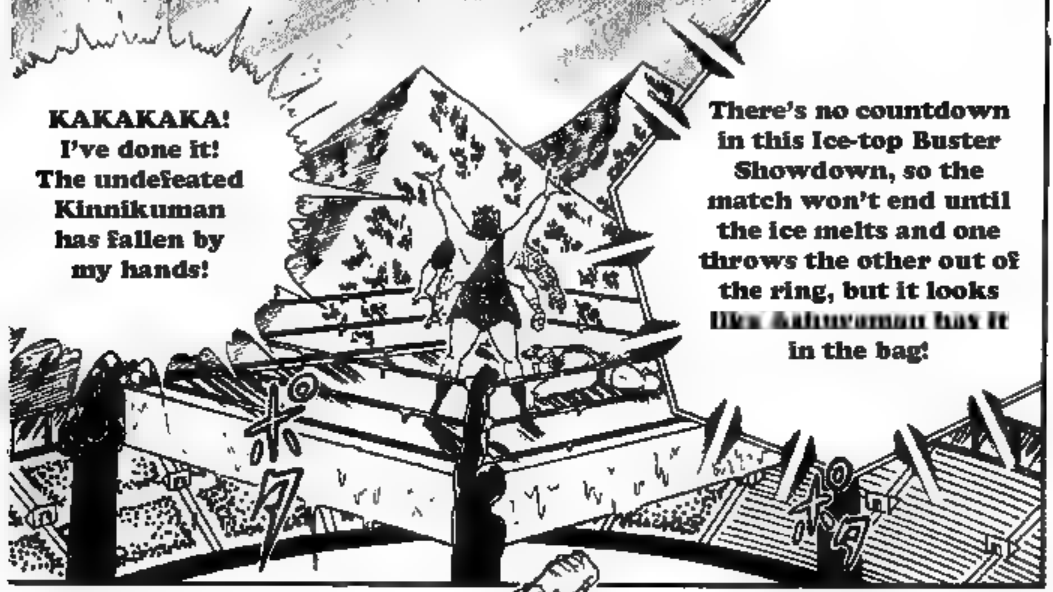
意外な糸口!! の巻
Defeated!?
Defeated...
...Defeated!
I thought this would happen someday, but...
It's taken down so many Chojin since it was first used on Warsman!
It's finally been defeated...
The Kinniku Buster... the unbeatable sure-kill technique...

Golden Mask Arc 35

Unexpected Clue!

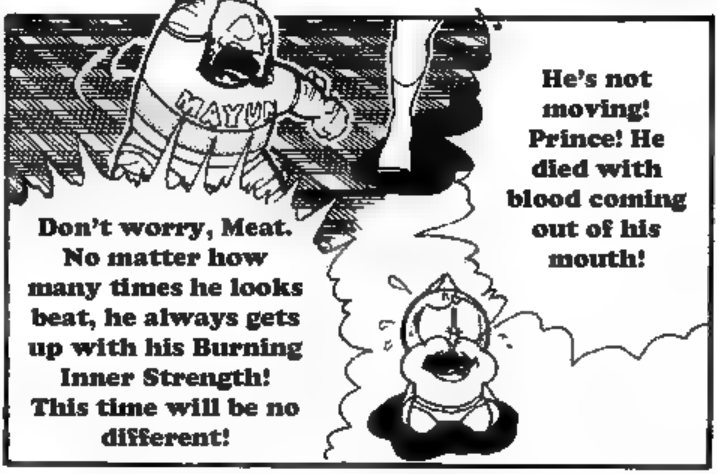


A Team Kinniku Release



KAKAKAKA! I've done it! The undefeated Kinnikuman has fallen by my hands!
There's no countdown in this Ice-top Buster Showdown, so the match won't end until the ice melts and one throws the other out of the ring, but it looks like Kaluwaman has it in the bag!

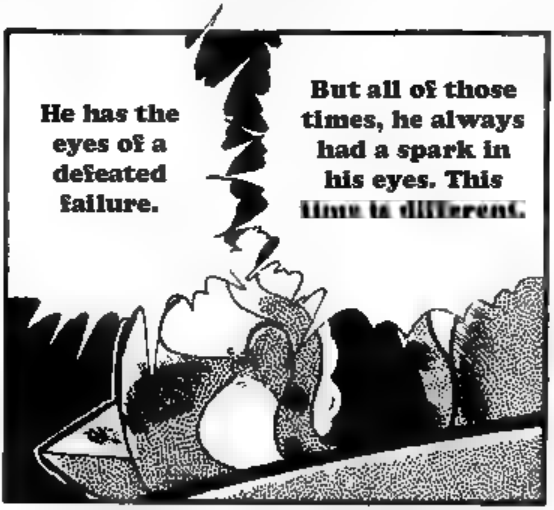
Kinnikuman will stand with his Burning Inner Strength, just like always, right...?



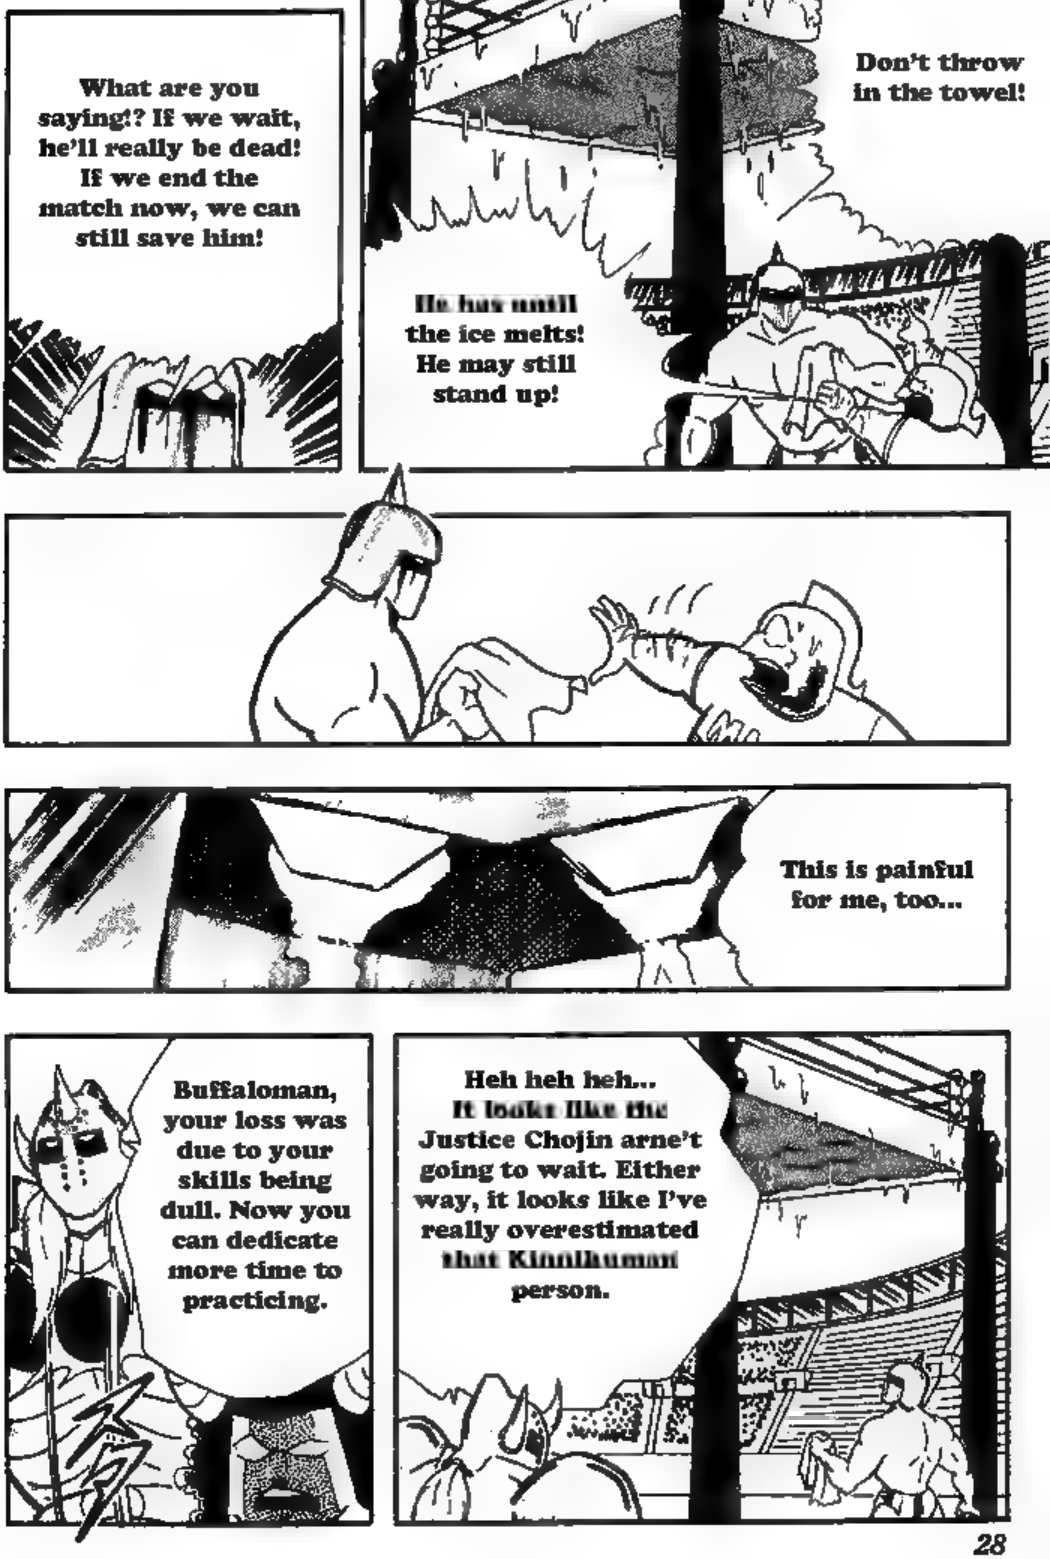
MAYU!
Don't worry, Meat. No matter how many times he looks beat, he always gets up with his Burning Inner Strength! This time will be no different!
He's not moving! Prince! He died with blood coming out of his mouth!

It's finally happened. He needs to rest, now.

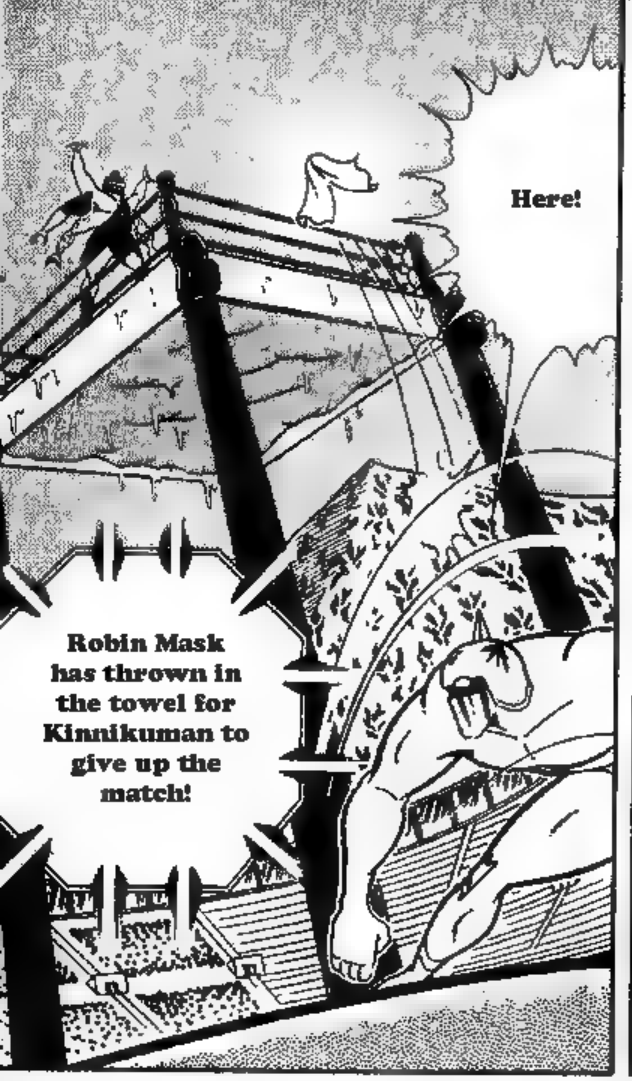
Then that's it?



He has the eyes of a defeated failure.
But all of those times, he always had a spark in his eyes. This time is different.

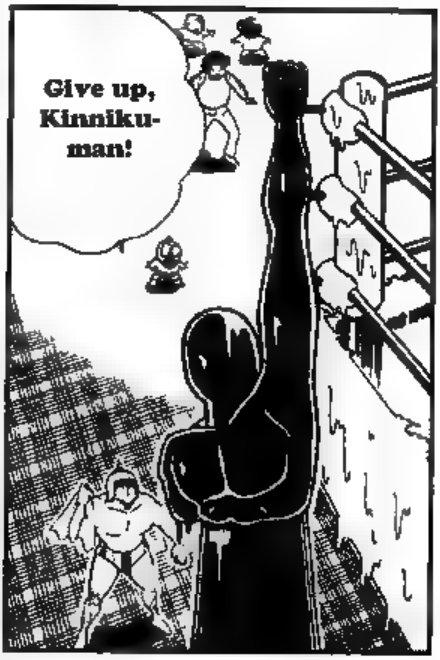


What are you saying!? If we wait, he'll really be dead! If we end the match now, we can still save him!
Don't throw in the towel!
He has until the ice melts! He may still stand up!
This is painful for me, too...
Buffaloman, your loss was due to your skills being dull. Now you can dedicate more time to practicing.
Heh heh heh... It looks like the Justice Chojin arne't going to wait. Either way, it looks like I've really overestimated that Kinnikuman person.



Here!
Robin Mask has thrown in the towel for Kinnikuman to give up the match!

I'll focus more on training from now on.



Give up, Kinnikuman!

Fall! Come on!

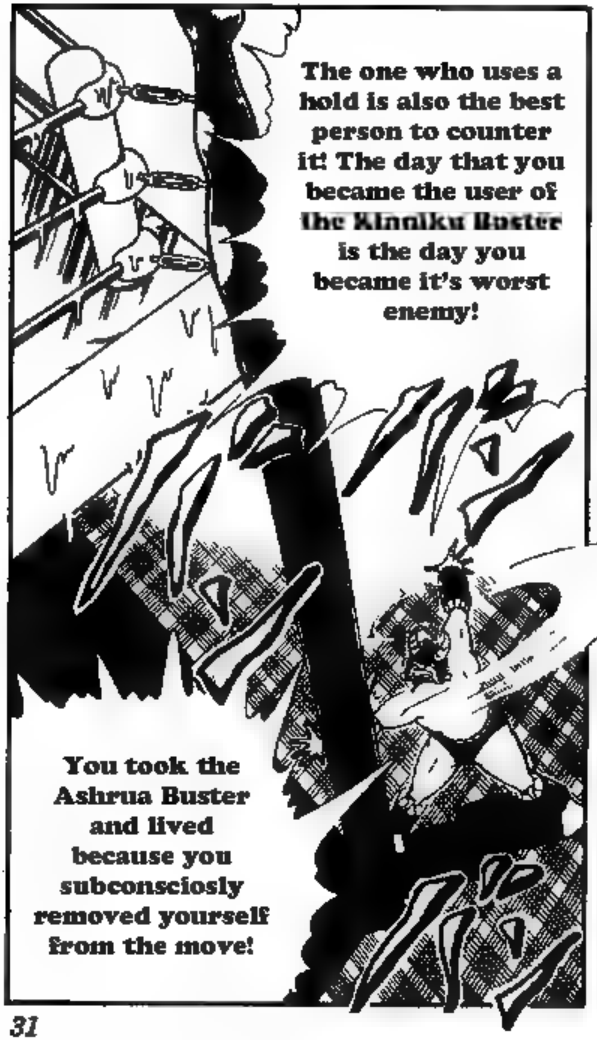
KAKAKA! Hurry up and fall so I can claim victory!

It can't be! He survived my Ashura Buster!?
Oh... Oh!
This is the Burning Inner Strength ...
His uncon-scious body is...
He threw back the towel!

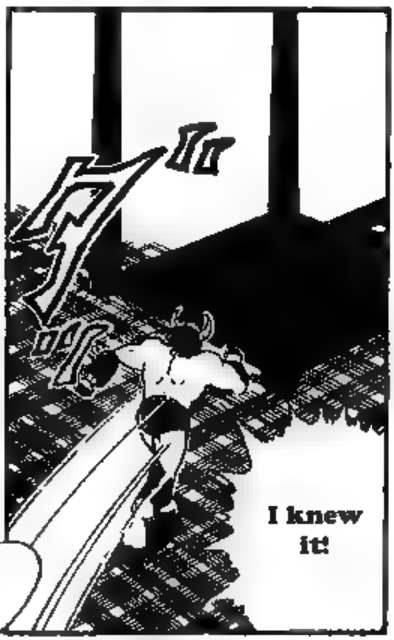
Then there's no sign that he'll be able to stand...

I'm confused! That idiot managed to throw back the towel, but he's still knocked out!

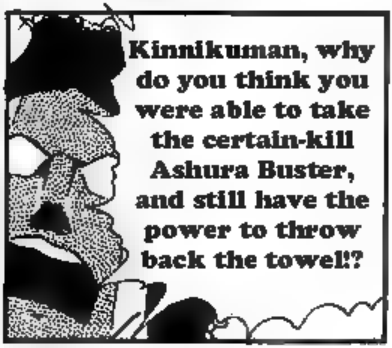
Kinnikuman isn't dead!



The one who uses a hold is also the best person to counter it! The day that you became the user of the Kinniku Buster is the day you became it's worst enemy!
You took the Ashrua Buster and lived because you subconsciously removed yourself from the move!



I knew it!



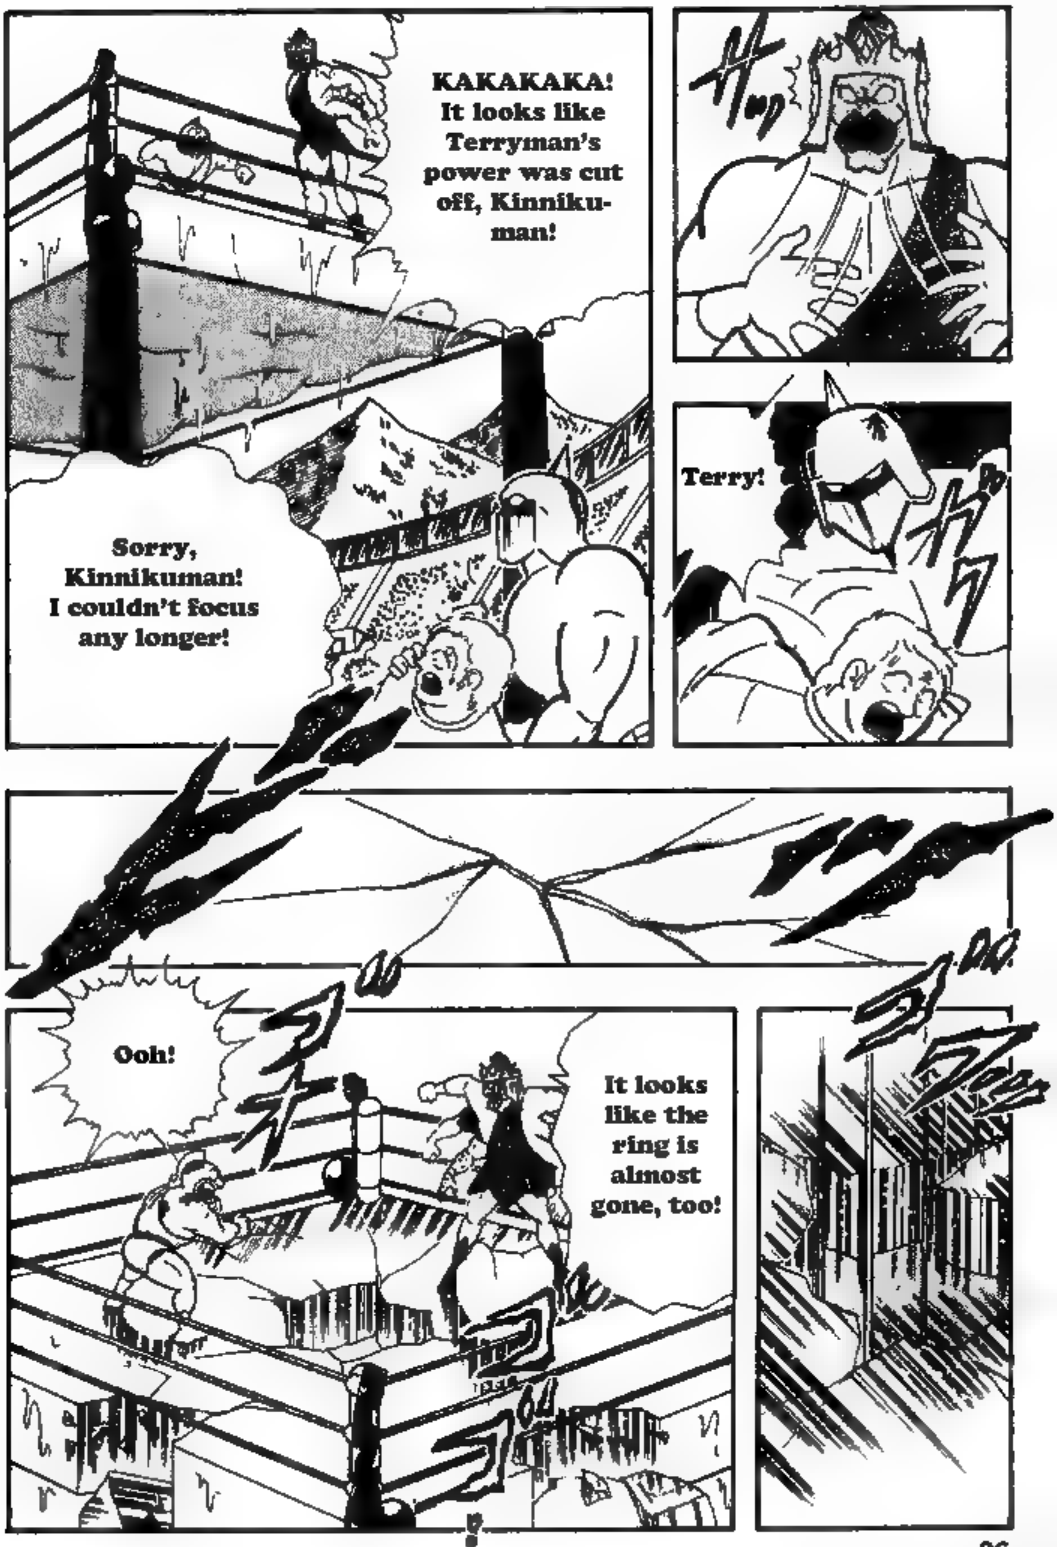
Kinnikuman, why do you think you were able to take the certain-kill Ashura Buster, and still have the power to throw back the towel!?

Geh!
The user of the Kinniku Buster is also it's worst enemy... He's given me some good advice...
I'm on nobody's side! I just want to see a good match!
Buffalo-man, whose side are you on!?
Aah!
Since the Ashura Buster is just a copy of the Kinniku Buster, there's no reason I can't counter it!
The way I did it earlier was too soft!
Kinnikuman understands the information!

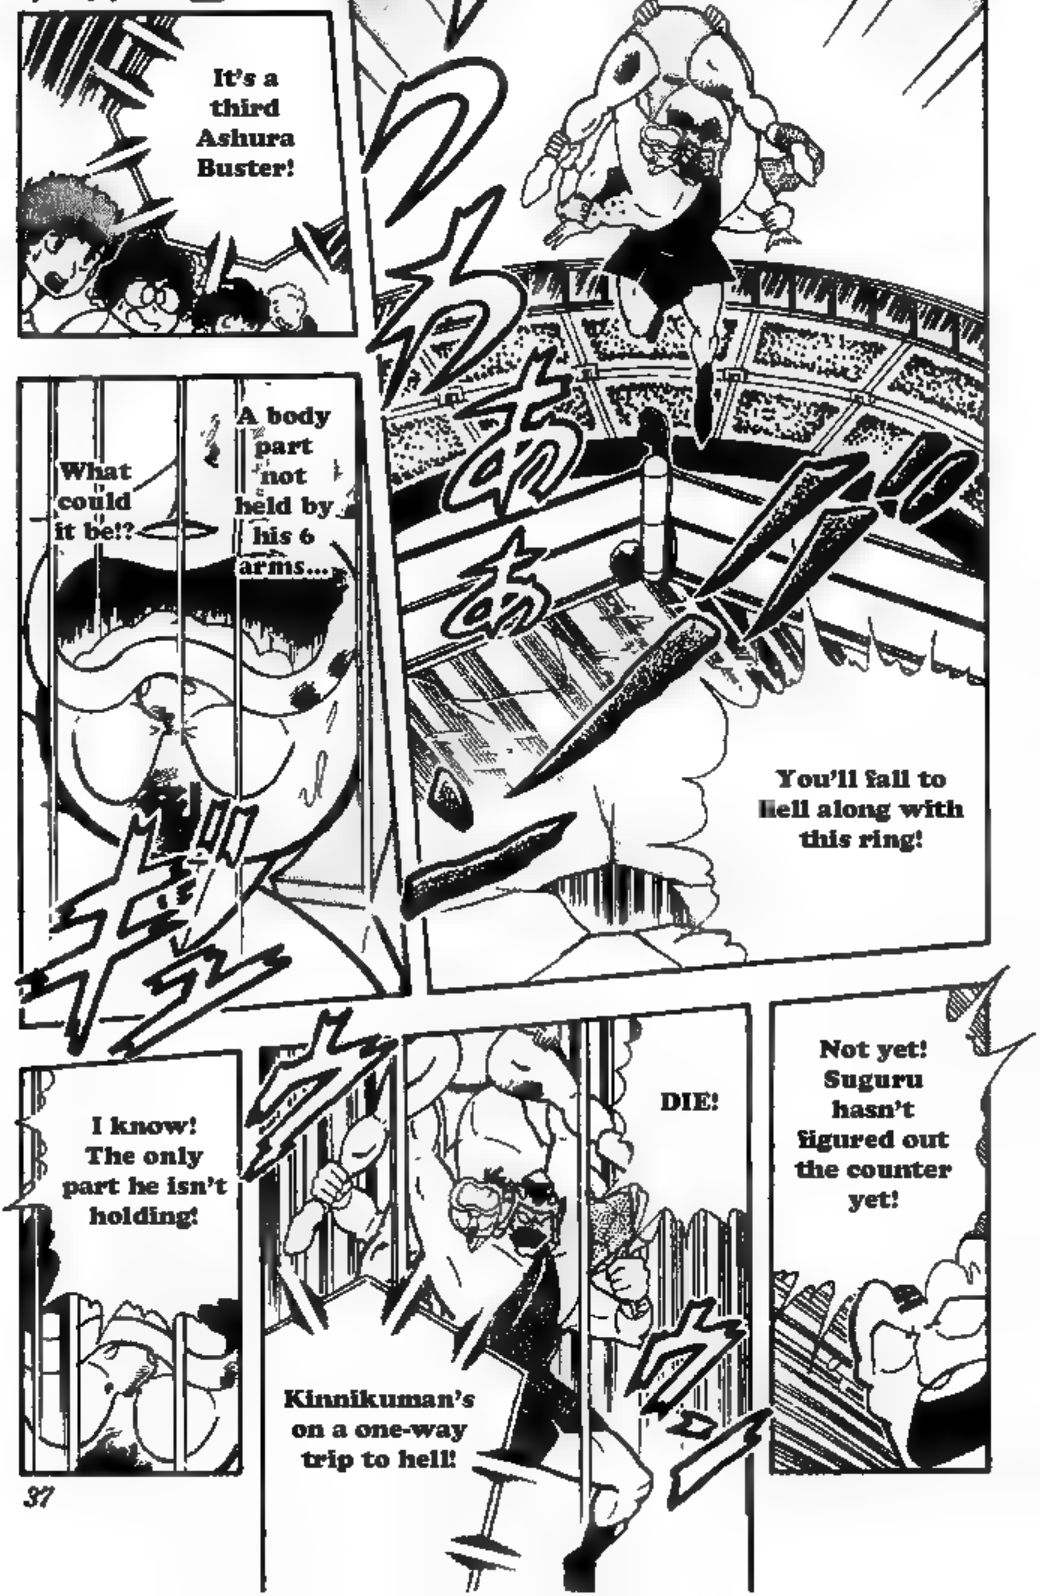
A second Ashura Buster!
I'll take you down for sure this time!
You won't get up again!
That was perfect!
Shut up!
I don't know. My body escapes from it on it's own. I did see that the perfect Ashura Buster was defeated, though!
How are you still alive!?
Oh yeah!?

That's dirty! He won't have time to figure out how to counter it!
If he could just stop Ashuraman's attack for a few seconds...
Once it's gone, I'll give you one final Ashrua Buster that'll send you to hell for real!
KAKAKA! The ice ring is slowly melting!
Kinnikuman, while you're trying to figure out how to counter the Ashura Buster, I'll try to do something!
KA KA KA KA!

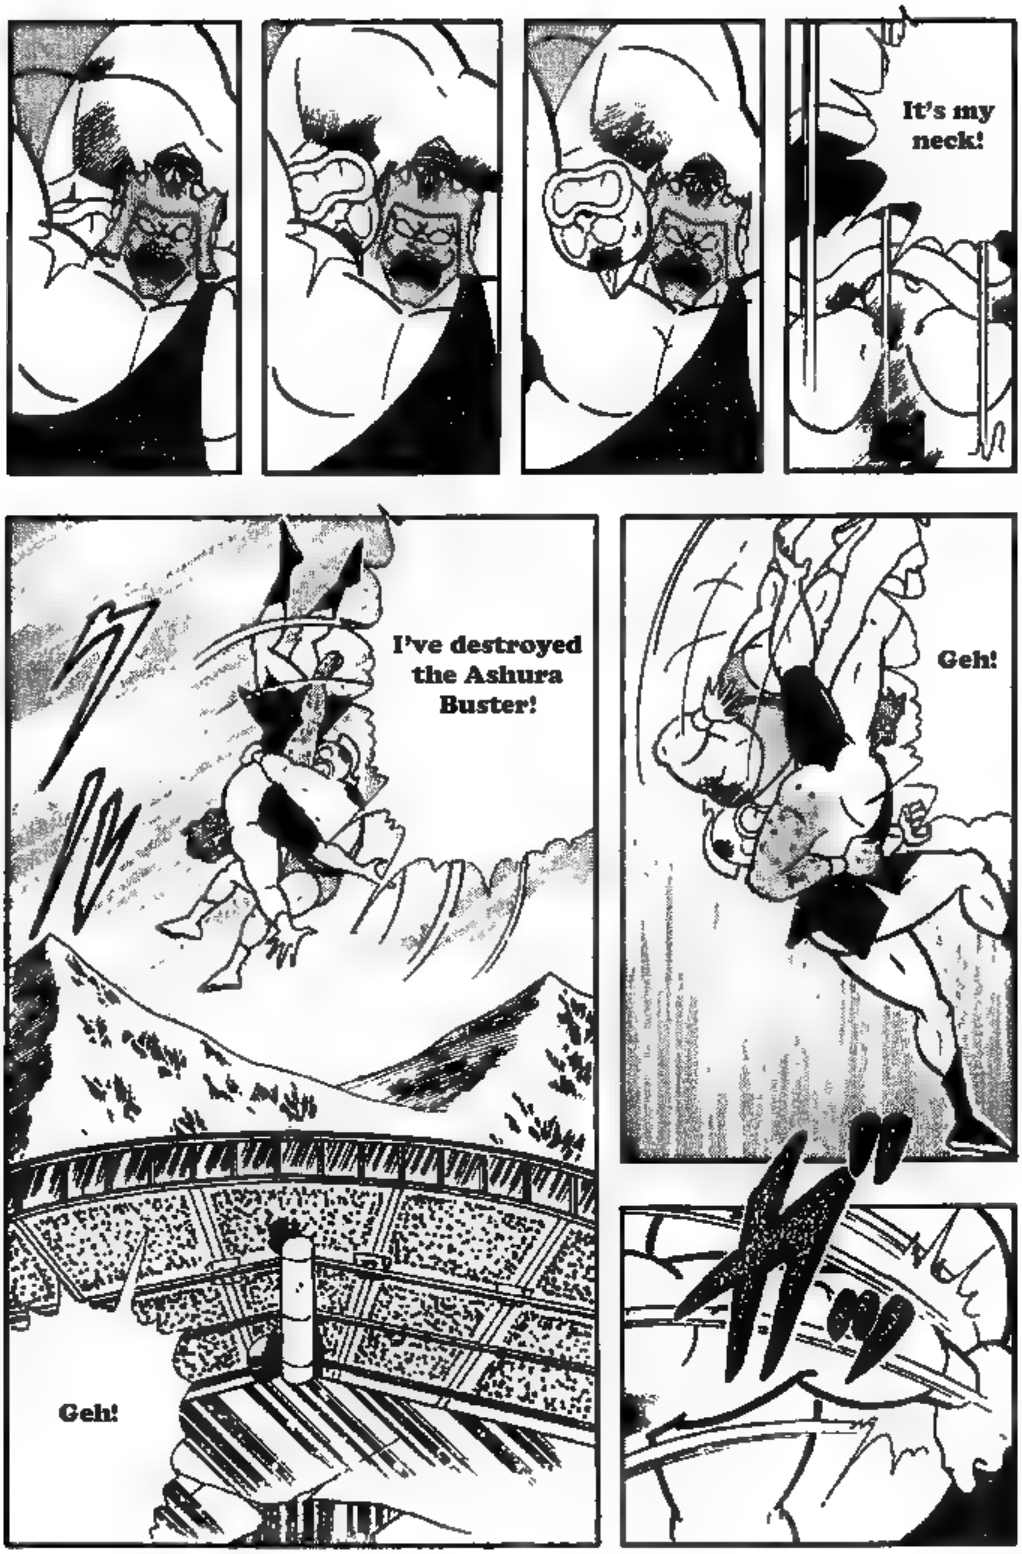
These are the arms I stole from Terry-man!
Two of Ashuraman's arms are starting to strangle himself!
Uwa!
This is...
Terry.
Hurry, Kinnikuman! While I'm doing this, you have to perfect the Ashura Buster counter!
But I've escaped from it twice, so there has to be a blind spot somewhere. If I can find it, I can defeat the technique!
The Ashura Buster uses all six arms to hold the opponent's arms, legs and hips, so it seems impossible to escape...
Thanks Terry, I'll get to work on it!



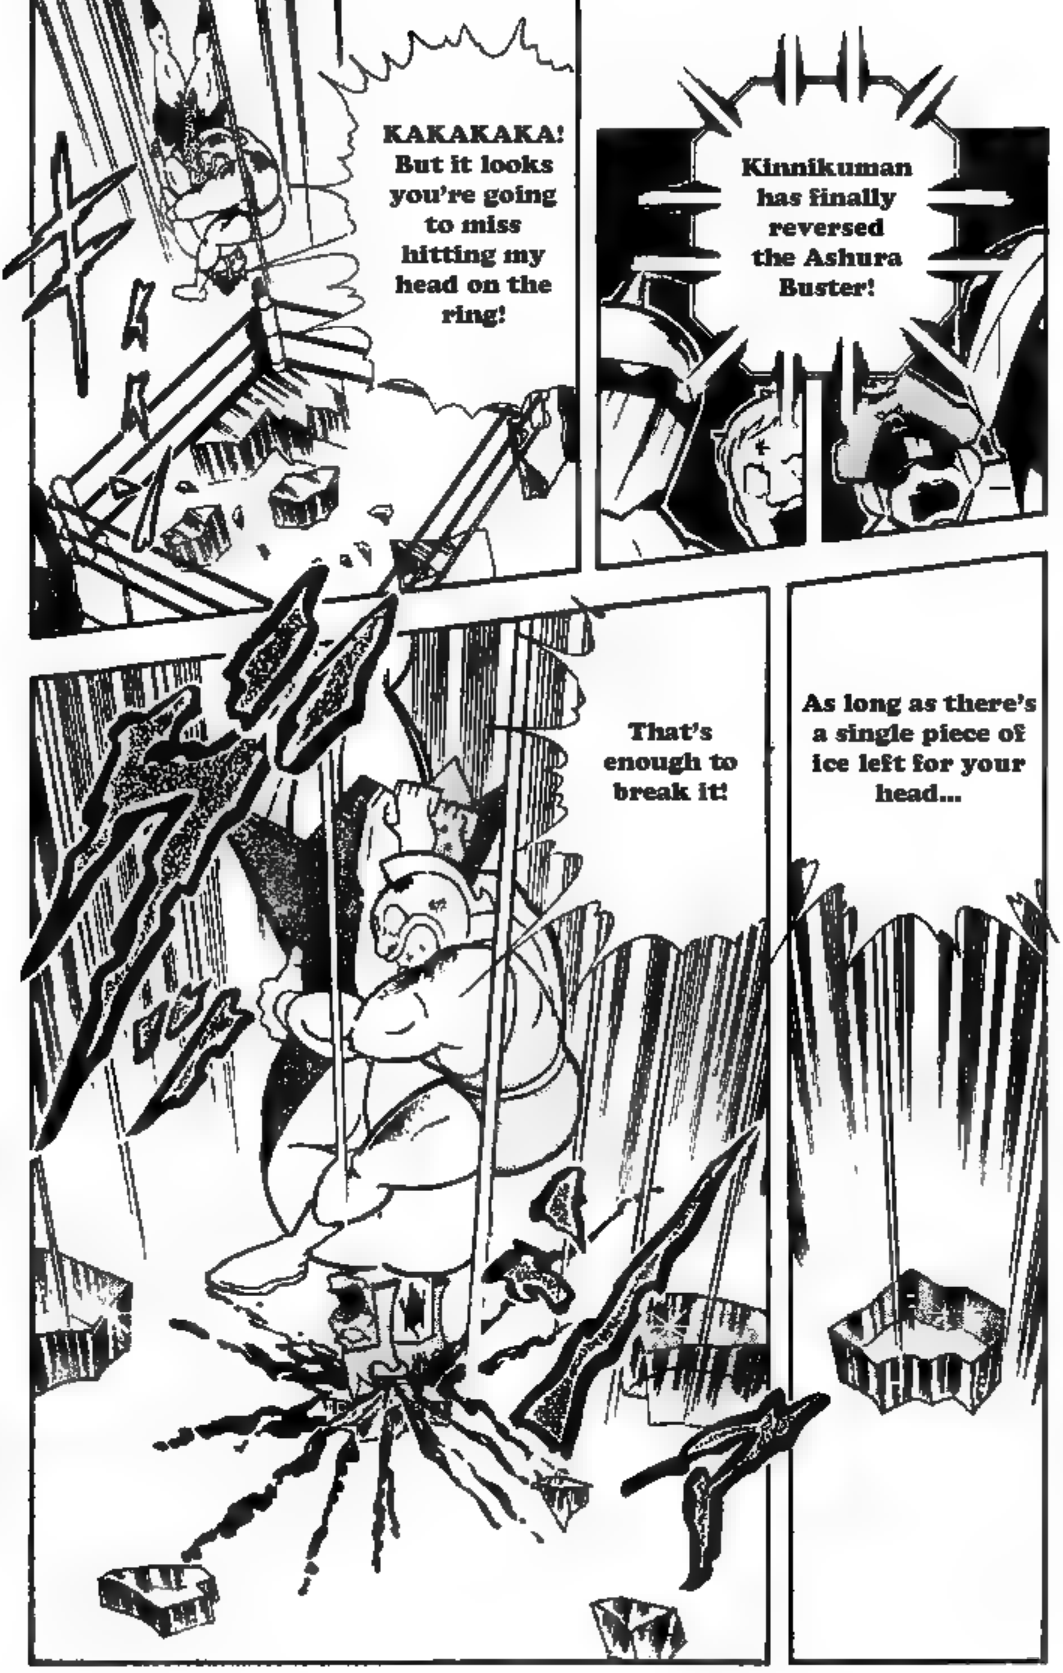
KAKAKAKA! It looks like Terryman's power was cut off, Kinnikuman!
Sorry, Kinnikuman! I couldn't focus any longer!
Terry!
Ooh!
It looks like the ring is almost gone, too!



It's a third Ashura Buster!
What could it be!?
A body part not held by his 6 arms...
You'll fall to hell along with this ring!
I know! The only part he isn't holding!
Kinnikuman's on a one-way trip to hell!
DIE!
Not yet! Suguru hasn't figured out the counter yet!



It's my neck!
I've destroyed the Ashura Buster!
Geh!
Geh!
H''



KAKAKAKA! But it looks you're going to miss hitting my head on the ring!
Kinnikuman has finally reversed the Ashura Buster!
That's enough to break it!
As long as there's a single piece of ice left for your head...

Golden Mask Arc 36

Immortal Soul!

A Team Kinniku Release

Kinnikuman has smashed Ashuraman's head on a fragment of ice!
Ashura-man's still alive!
...but by defeating my Ashura Buster, you've also destroyed you own Kinniku Buster!
KAKAKAKA! That was a magnificent destruction of the Ashura Buster!

That this!
Ashuraman has grabbed Kinniku-man's face, creating a nose-dive!
Geh!
DIE!
If I can do something to his six arms...
KAKA KAKA!
A Devil Chojin will never die in vain. Ashuraman, you're a true Devil Knight until the end...
No! He's taking Kinniku-man down with him!

Uwa! It's too late!
Both are struggling on their way to the ground!
Aah!

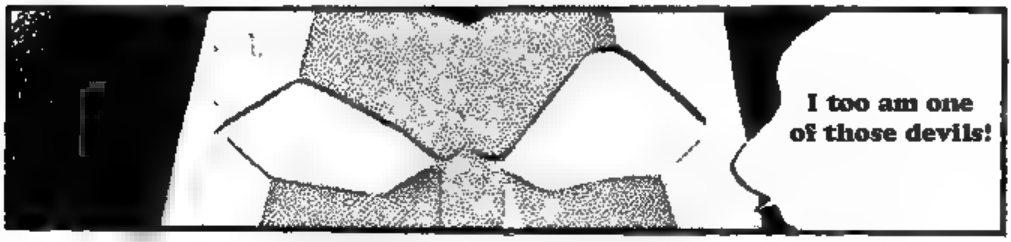
Suguru won!
Kinnikuman got free and smashed Ashuraman's final face with a modified Tombstone Piledriver!

Kinnikuman is weak, but his Burning Inner Strength is strong...
And now, Ashuraman's six arms are being symbolically removed, cementing Kinnikuman's victory!
I knew you could do it, Suguru!
Well, Kinnikuman, you should be the one to return these to Terryman.
Oh, it's Terryman's arms!
Heh heh heh... Don't you get it, Kinnikuman is in the middle of a crisis!
What's wrong, Kinnikuman?

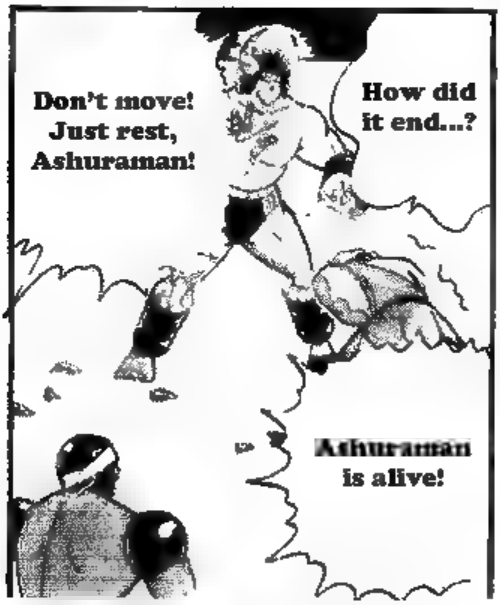
I'm sorry, Kinniku-man!
You're right. A finishing move is more valuable to a Chojin than life, but he had to give it up for my arms...
Huh?

Terryman, he had to destroy the Kinniku Buster thanks to those arms. Kinnikuman doesn't even want to look at those disgusting things anymore.

...a friendship was damaged because of it.
Devils are cruel. It's not just that a finishing move was destroyed...



I too am one of those devils!



Don't move! Just rest, Ashuraman!
How did it end...?
Ashuraman is alive!

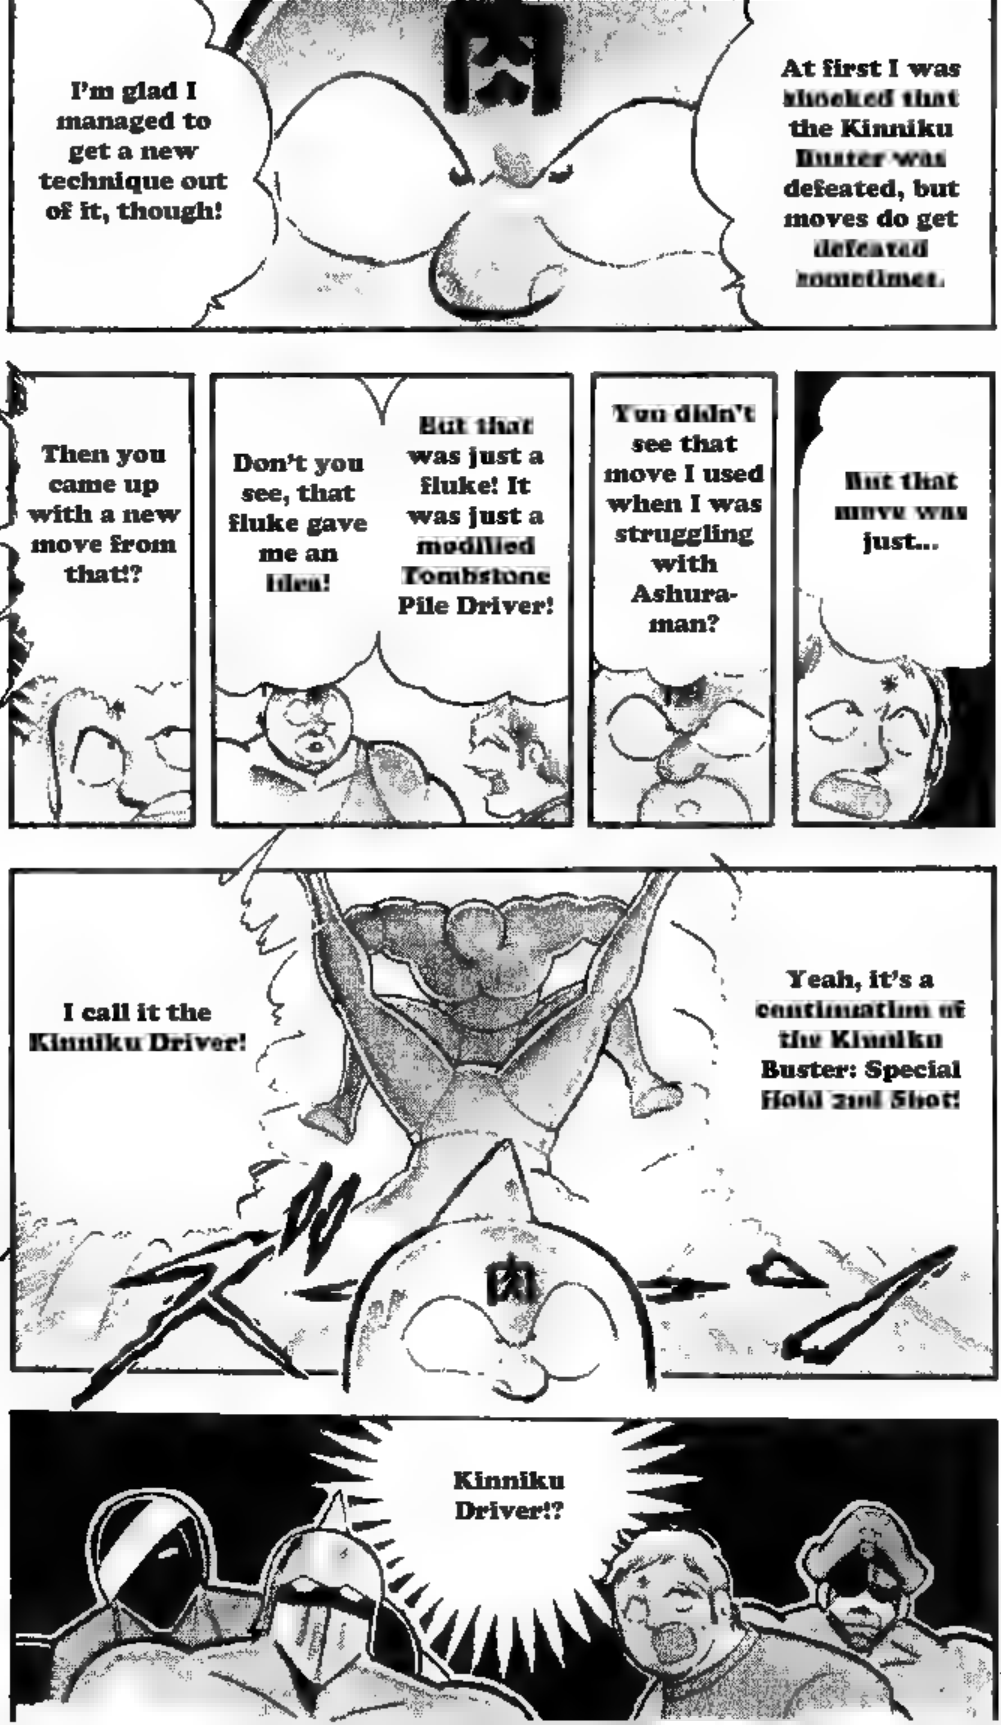
The match...

Kinnikuman won in 26 minutes, 13 seconds with a "modified Tumbaiuma Piledriver".
I see...
Buffalo-man! Tell me, who won: me or Kinniku-man?
Ashuraman, you haven't been defeated. You achevied your goal of defeating the Kinniku Buster. You've protected Lord Shogun from that technique!
Lord Shogun, I tried as hard as I could, but I couldn't match his power... Please forgive my weakness...
Thank you for your praise!
Lord Shogun...
I thank you for that, Ashura-man.

Hmph!
Gya!
If that's the case...
But...
Fool! A Devil Chojin must win! No matter how many Kinniku Busters he defeats, it's pointless if he doesn't win.
What was that!? He defeated the Kinniku Buster!
A Devil Chojin who loses a match only has one option!

Aah!
Death by my power!
Aah!
Akuma Shogun, banzai!
Aah!

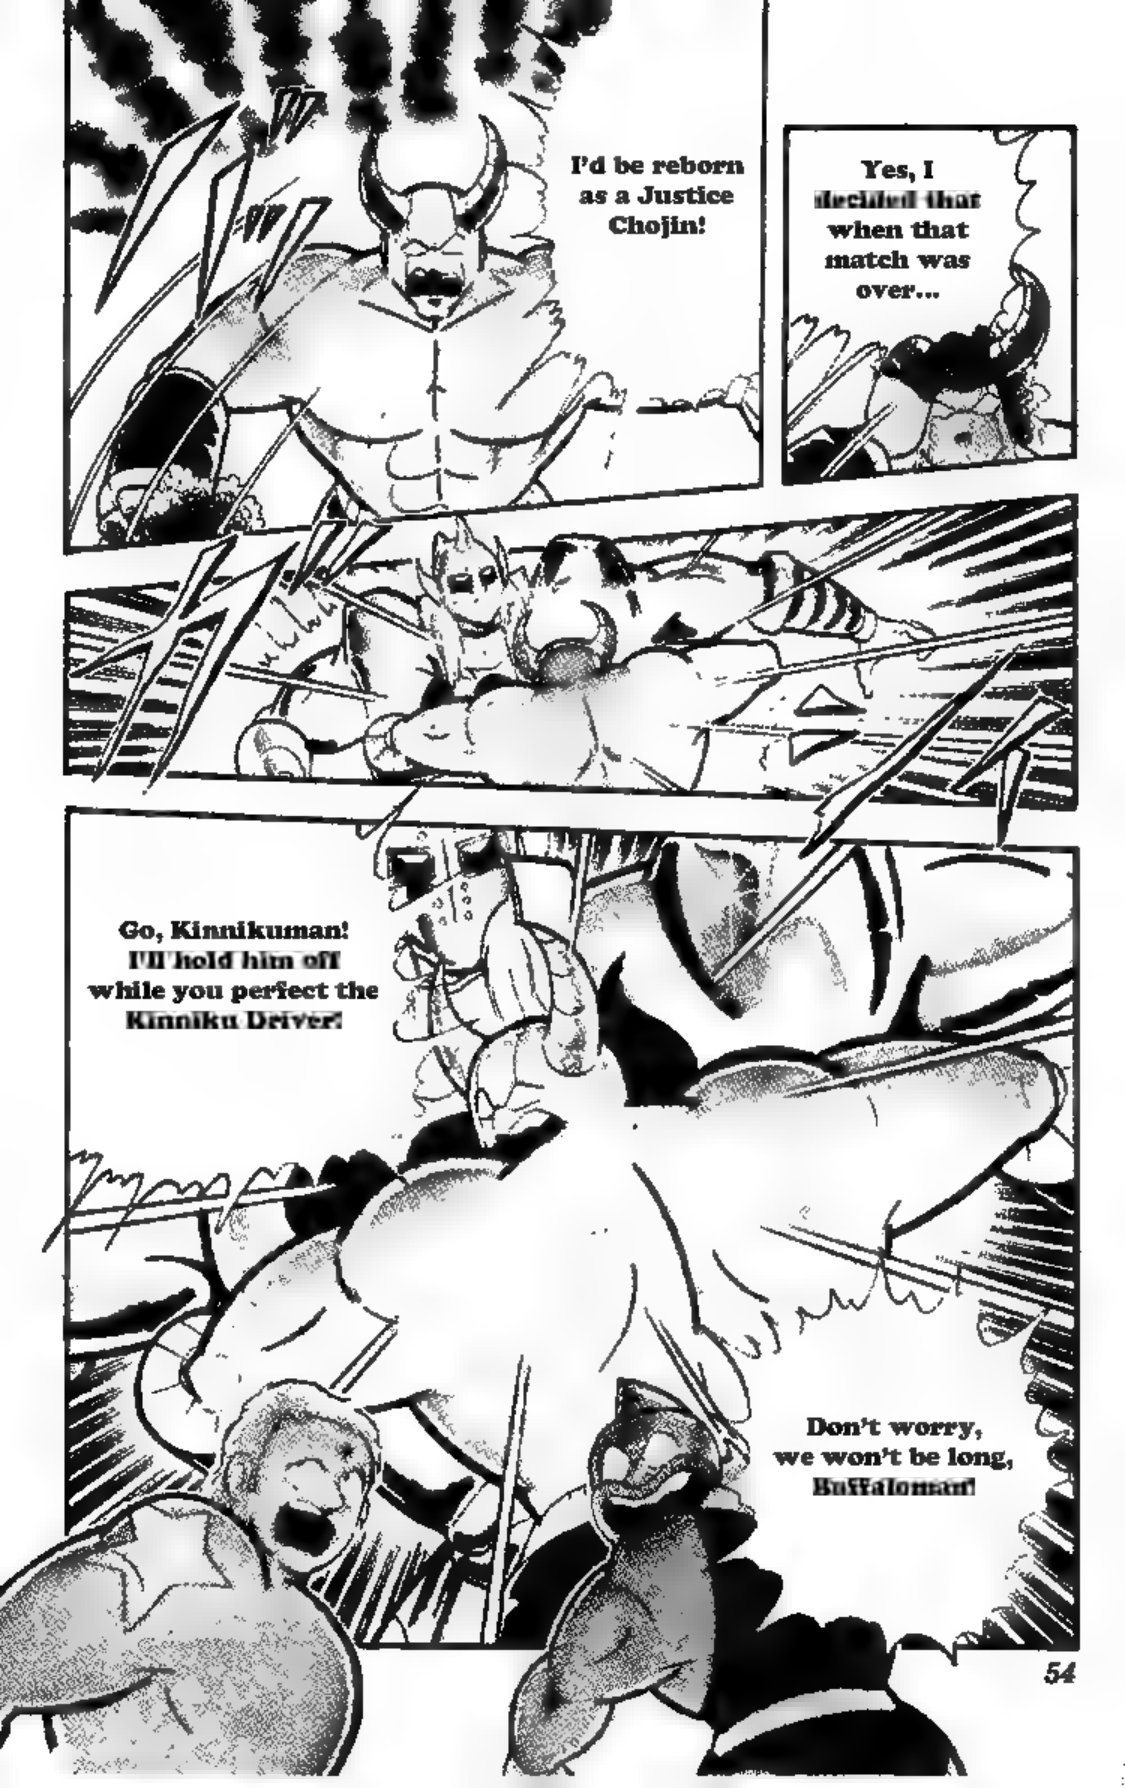
He's mad!
Guwahahaha! Ashuraman, your life will become my flesh and blood that I'll use to defeat Kinnikuman!
Akuma Shogun has gained Ashuraman's power and become stronger!
He lost to Akuma Shogun now that he lost the Kinniku Buster! I can't accept my arms back!
Kinniku-man!
What are you doing!? I went through a lot of trouble for these!
Stop!
These arms! They're the reason!
But that's why you lost your special move!



I'm glad I managed to get a new technique out of it, though!
At first I was shocked that the Kinniku Buster was defeated, but moves do get defeated sometimes.
Then you came up with a new move from that!?
Don't you see, that fluke gave me an idea!
But that was just a fluke! It was just a modified Tombstone Pile Driver!
You didn't see that move I used when I was struggling with Ashura-man?
But that move was just...
I call it the Kinniku Driver!
Yeah, it's a continuation of the Kinniku Buster: Special Hold 2nd Shot!
Kinniku Driver!?

ズボ
Kinnikuman! Practice it on me!
It's not ready to be used in combat yet. I need time to practice it!
No, it's just a rough idea.
You did it, Suguru! That'll be good in your Akuma Shogun match!
Terry!
That will be my punishment for my arms attacking you during that match!
I'm not a gentleman who will give you time to practice it.
I won't let him. Buffalo-man, drag him into the ring!
But Prince just finished a match! He needs time to rest!
Our match will start immediately!

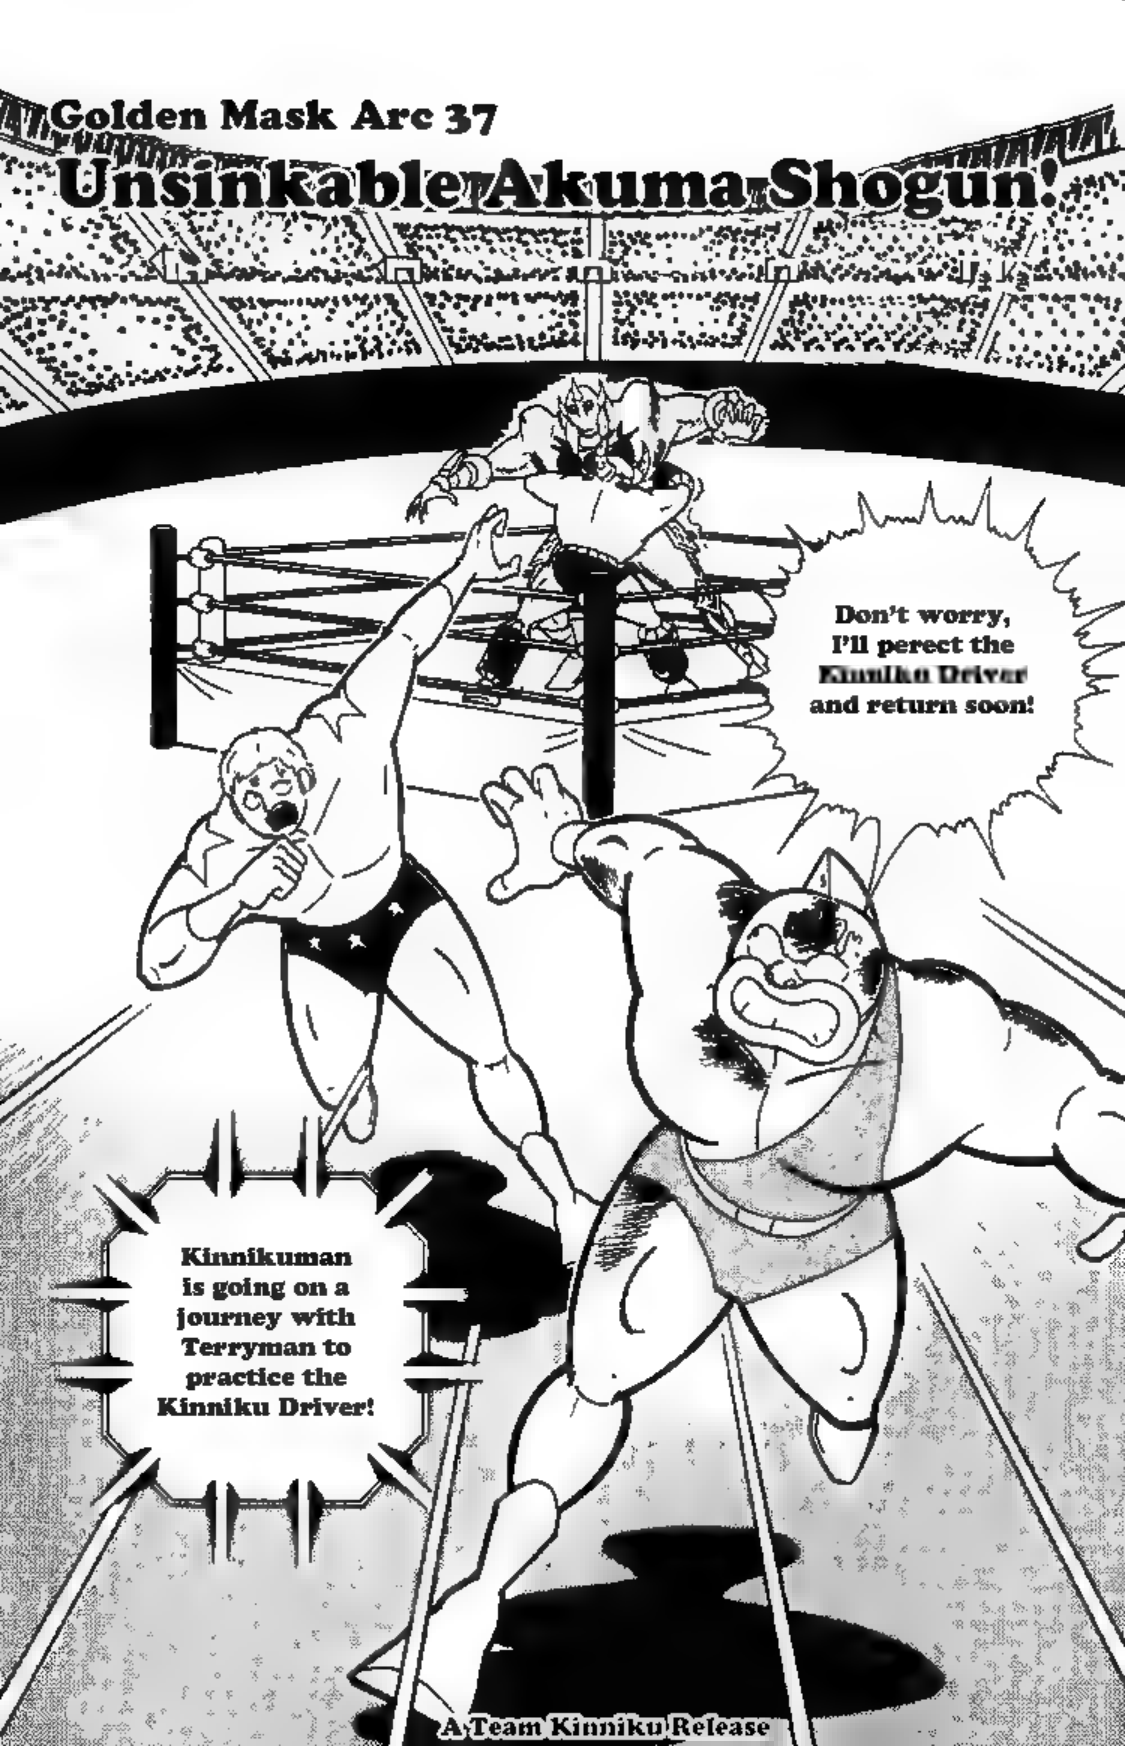
Eh!?
Go, Kinni-kuman.
ズンズン
Don't come any closer!
Buffaloman!
Like I promised back then, I'm joining your Justice Chojin team.
Have you lost your mind!?
So, you only intended on joining for one match!?
I haven't forgotten. I was Kaiburaman's second and advisor for that match.
I'm very sane!
Have you forgotten that I revived your once-dead body!?



I'd be reborn as a Justice Chojin!
Yes, I decided that when that match was over...
Go, Kinnikuman! I'll hold him off while you perfect the Kinniku Driver!
Don't worry, we won't be long, Buffaloman!

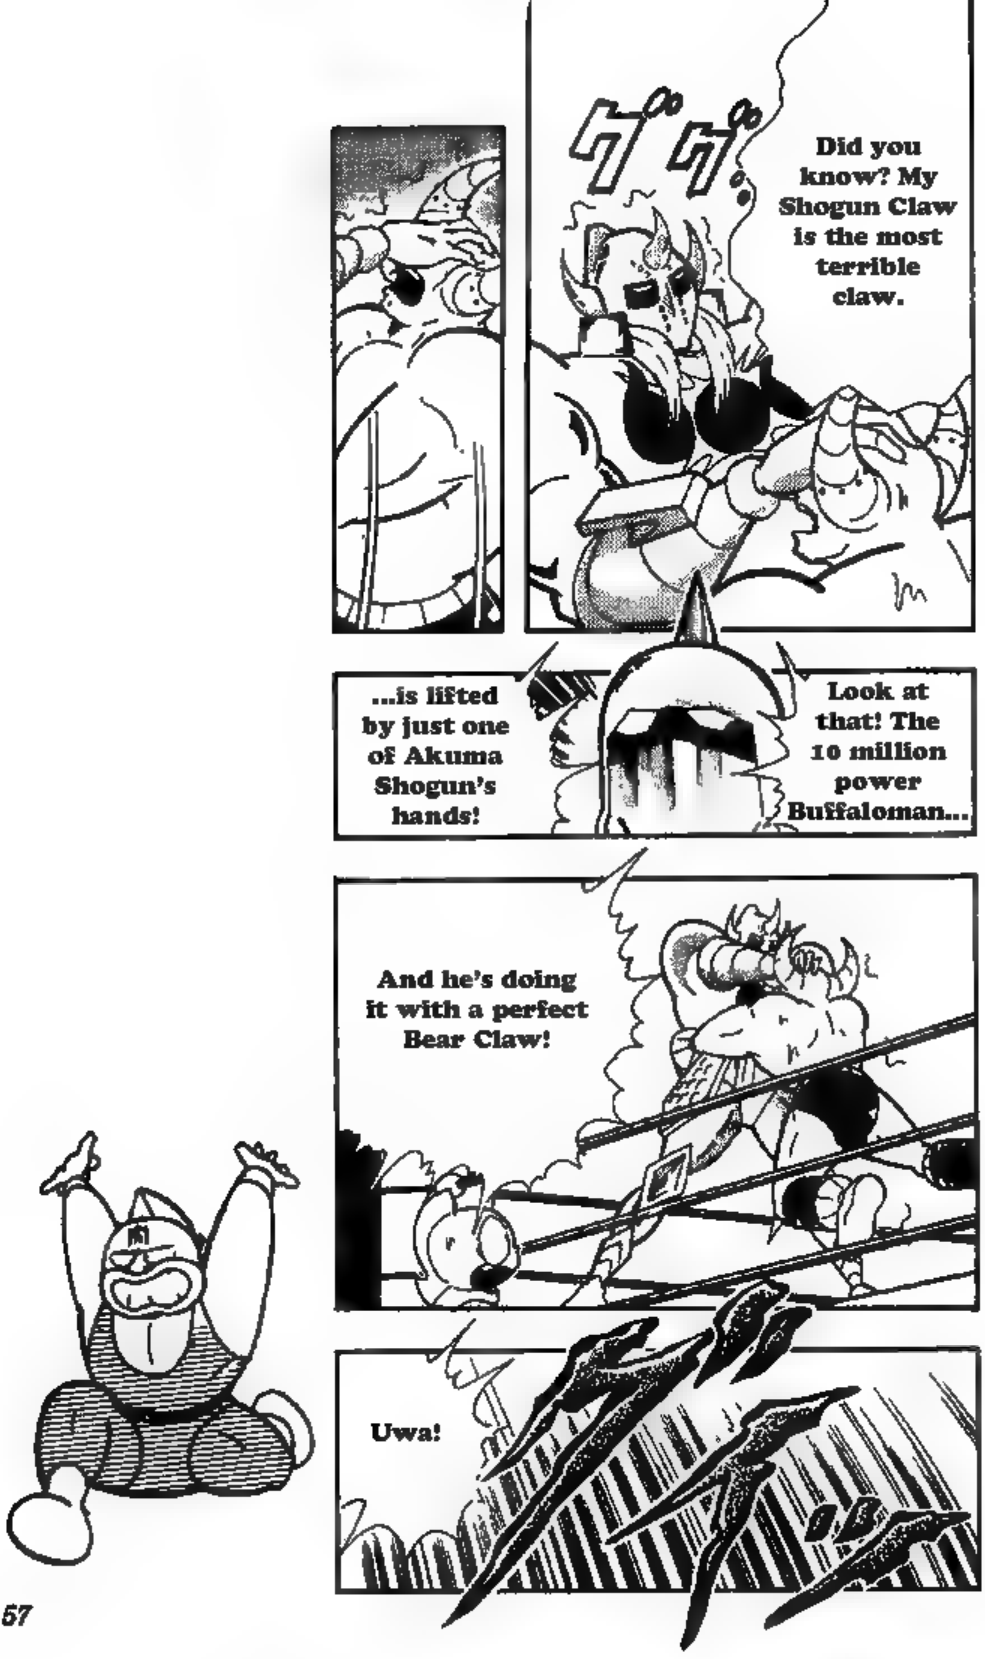
Golden Mask Arc 37

Unsinkable Akuma Shogun!



Don't worry, I'll perect the Kinniku Driver and return soon!
Kinnikuman is going on a journey with Terryman to practice the Kinniku Driver!

I'll be waiting, Kinnikuman!
And you won't be getting out of this ring, even if you take my life back!
You won't escape, Kinniku-man!
Do you know what your punishment is!?
You've betrayed me!
His demonic Shogun Claw!
Uwa!

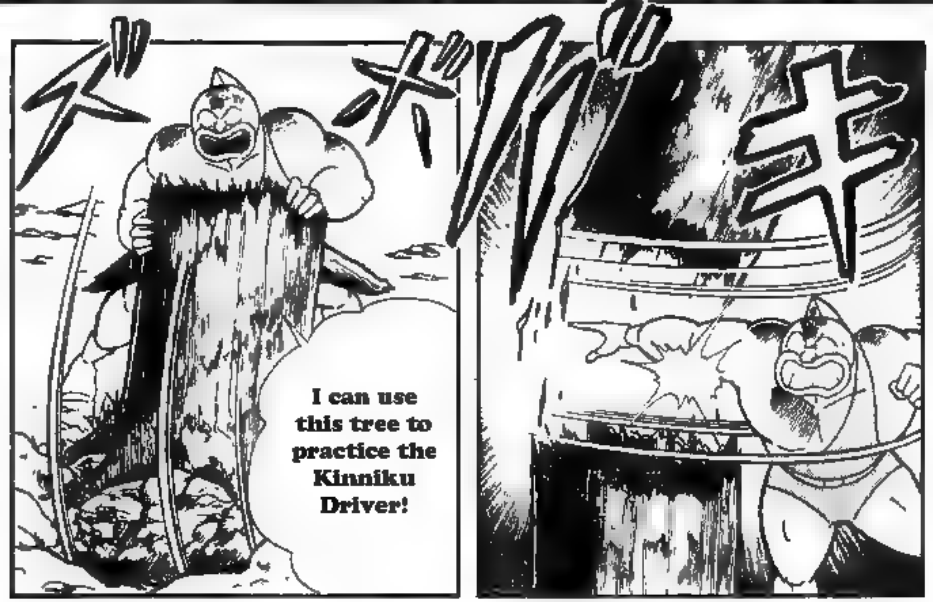


Did you know? My Shogun Claw is the most terrible claw.
...is lifted by just one of Akuma Shogun's hands!
Look at that! The 10 million power Buffaloman...
And he's doing it with a perfect Bear Claw!
Uwa!

That's the difference between a mere devil and Akuma Shogun!
Here: *Hell Super Express!*
Somehow, Akuma Shogun has lifted Buffaloman with a single hand!
It's Akuma Shogun's One-hand Slam!
!!

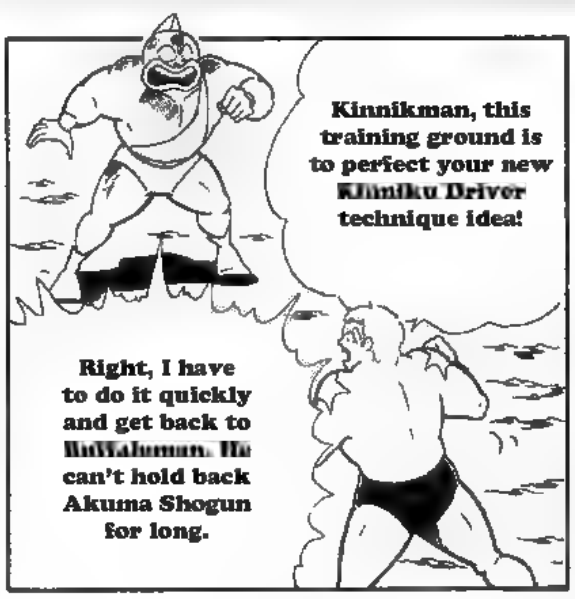
Buffaloman has made an amazing reversal!
There!
Geeh!
Uh..!?
I'll never let you out of this ring!

Huh, why is there such a great training ground in the middle of the mountains!?

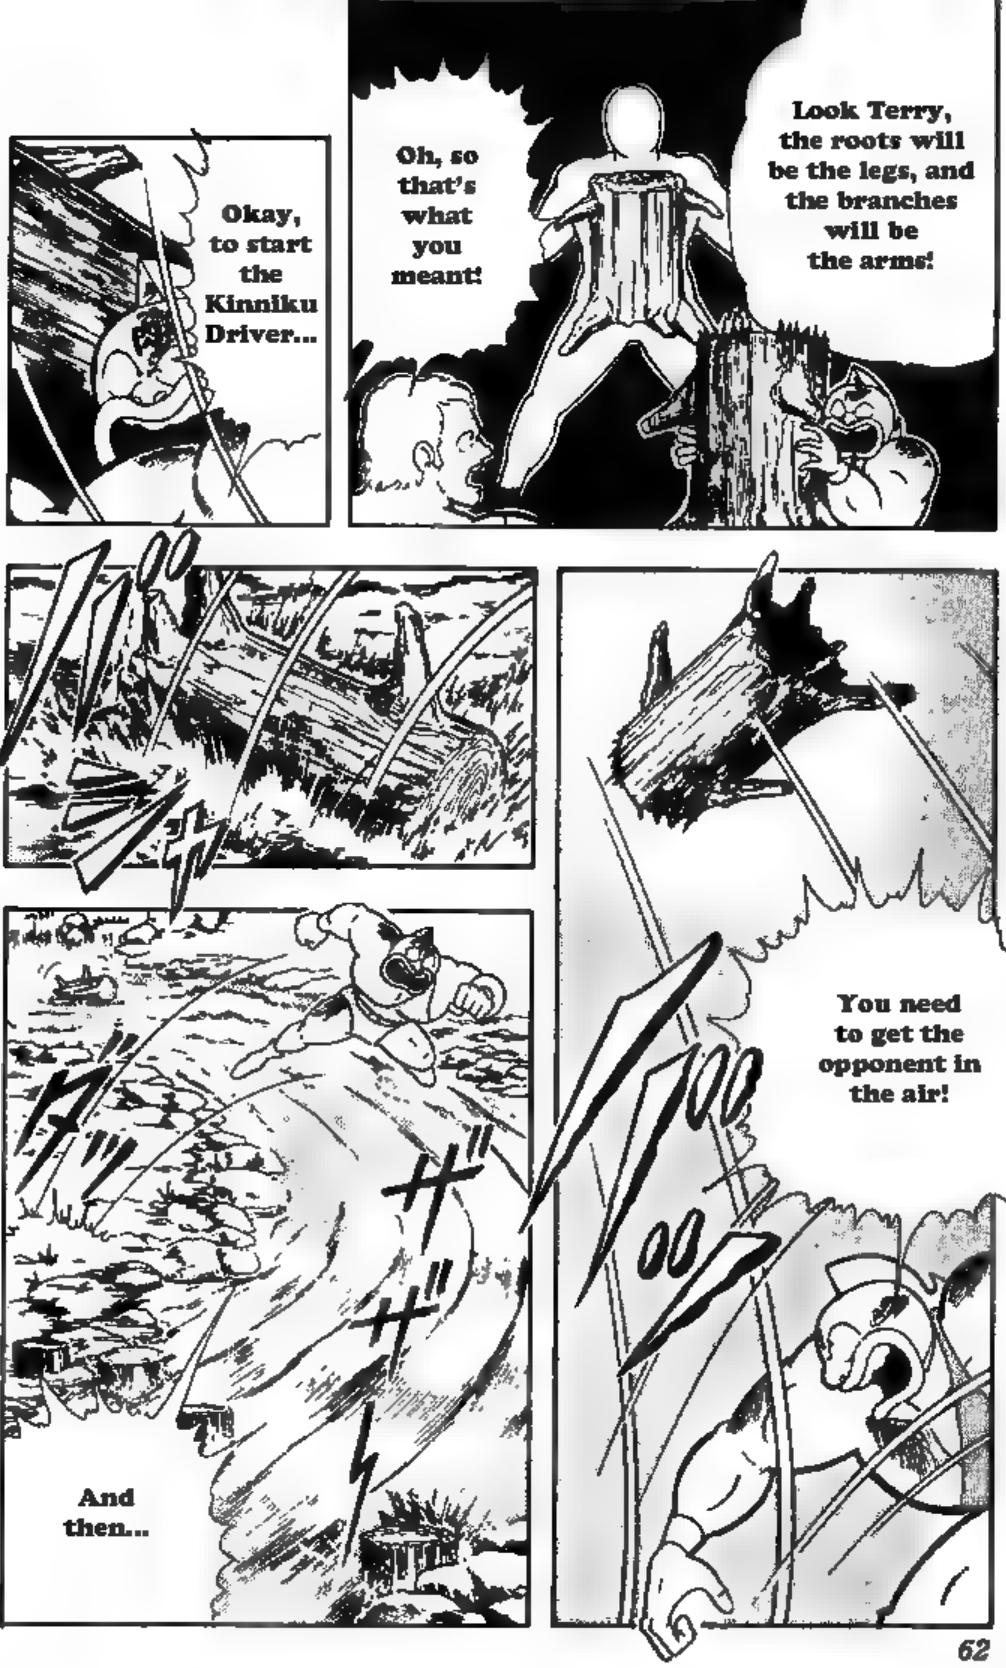


I can use this tree to practice the Kinniku Driver!

That means I need a special training method...



Kinnikman, this training ground is to perfect your new Kinniku Driver technique idea!
Right, I have to do it quickly and get back to Buffalohman. He can't hold back Akuma Shogun for long.



Okay, to start the Kinniku Driver...
Oh, so that's what you meant!
Look Terry, the roots will be the legs, and the branches will be the arms!
You need to get the opponent in the air!
And then...

Jump at the opponent!
Watch out for the waterfall!
Then take the position of the Kinniku Driver!
Owa!
Finally, aim for the canvas!

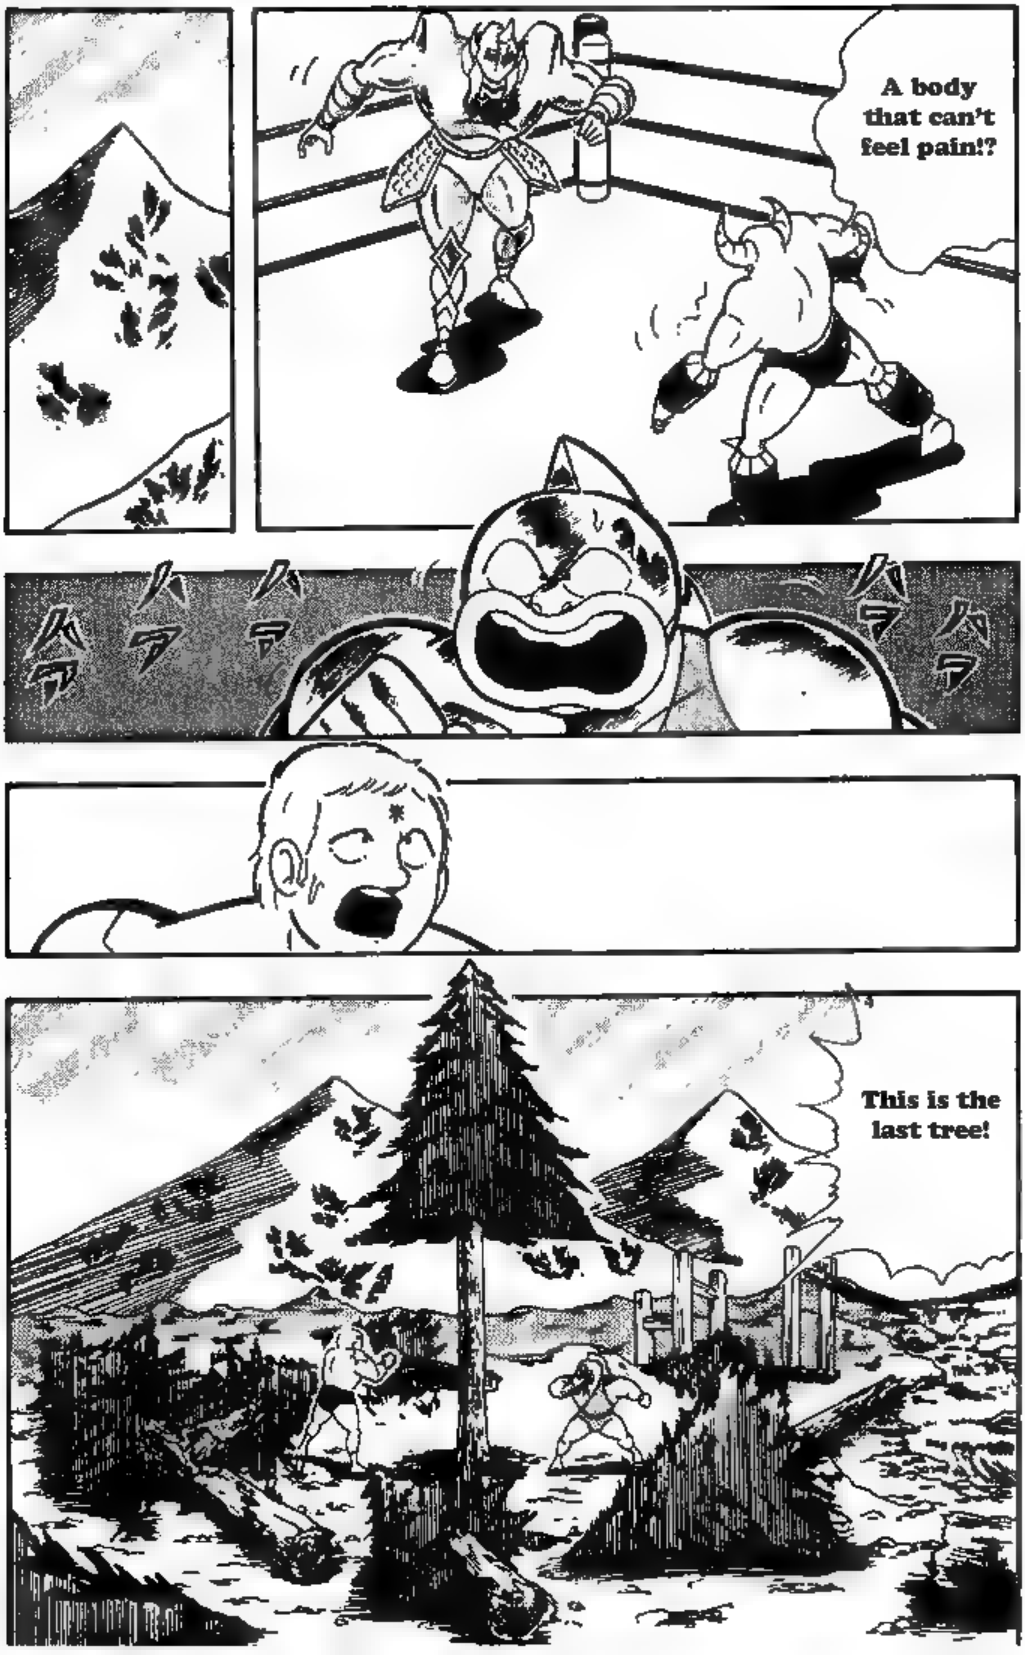
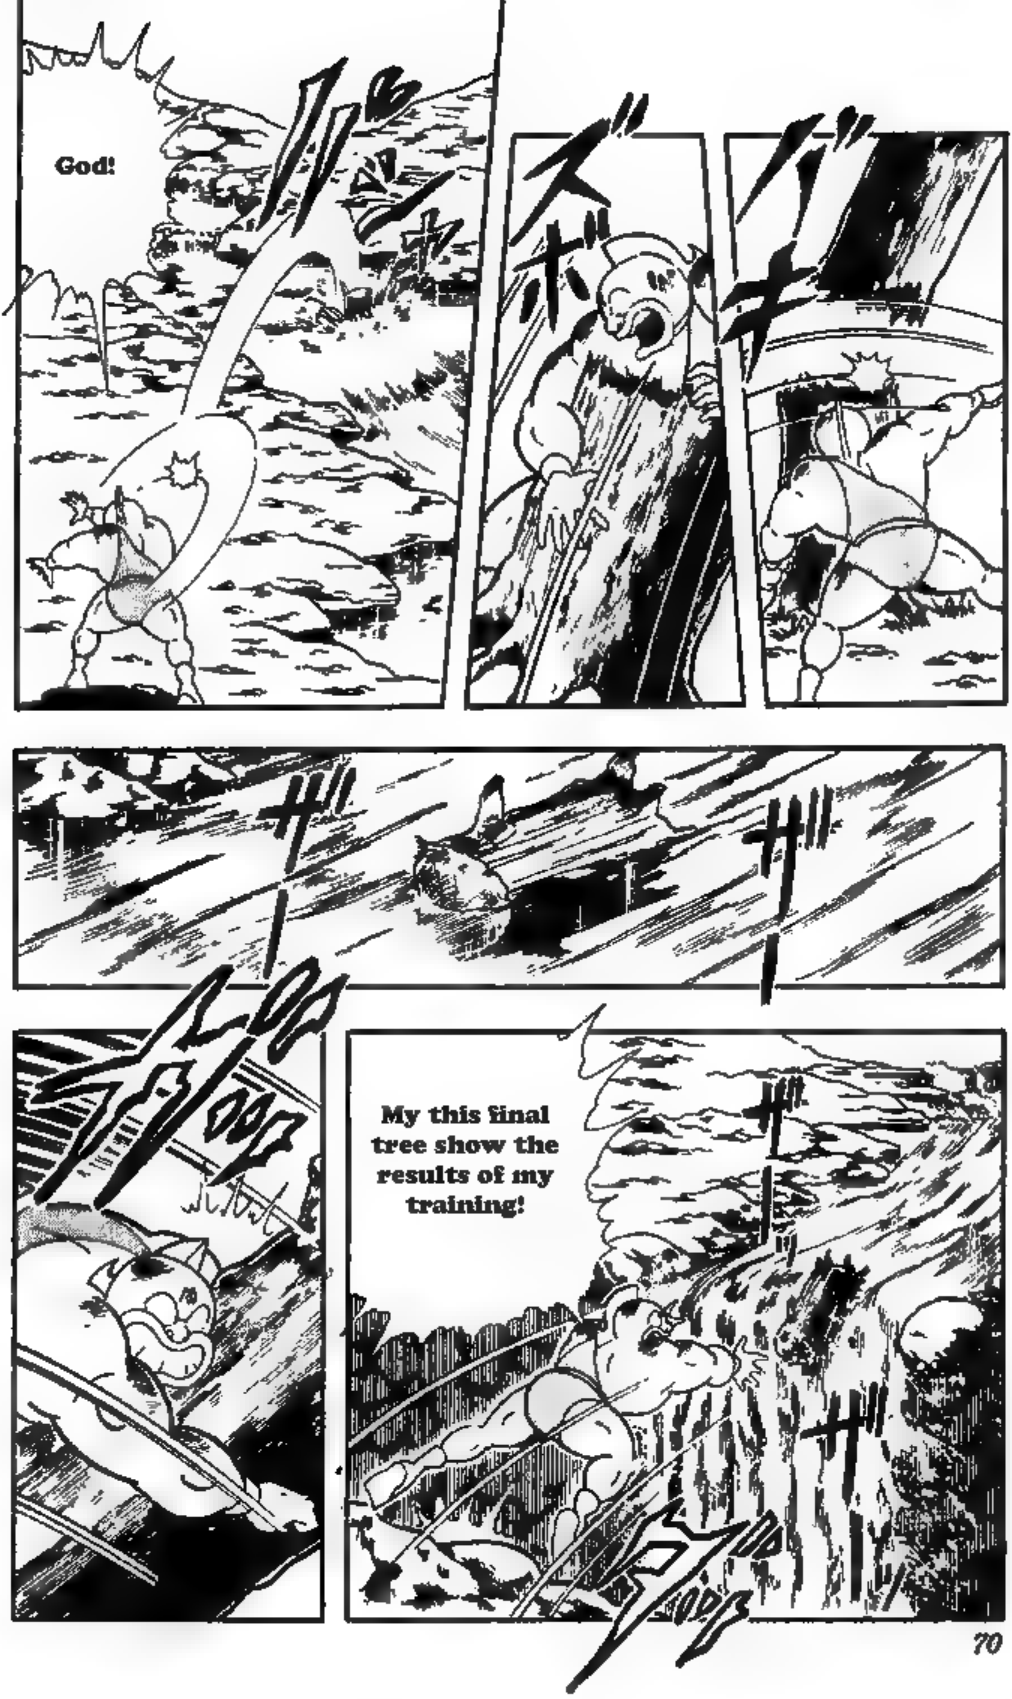
You can't move until Kinnikuman returns!
Buffaloman has spread his arms, trapping Akuma Shogun in the corner!
Out of my way, Buffaloman!
Knocking me out would be the easiest way to stop me, even though your attacks can't hurt me.
Buffaloman, why aren't you attacking?
...but I've never beaten you.
I'm sparred with you many times in the past...
Maybe I actually can defeat the unsinkable Akuma Shogun!
It's true that my moves are almost perfect...
That was a long time ago. It looks like you've become a first-class Chojin since then, even by me standards. That Head Scissors attack you did earlier had me down on the ground. You couldn't even come close to doing that back then.

Heh...
With Buffalman's iron defense slacking, Akuma Shogun charges!
An opening!
Special Hurricane Mixer!
Can Akuma Shogun avoid that!?
The spinning speed is 100 times greater since I fought Kinnikuman!
It's Buffaloman's improved Hurricane Mixer!

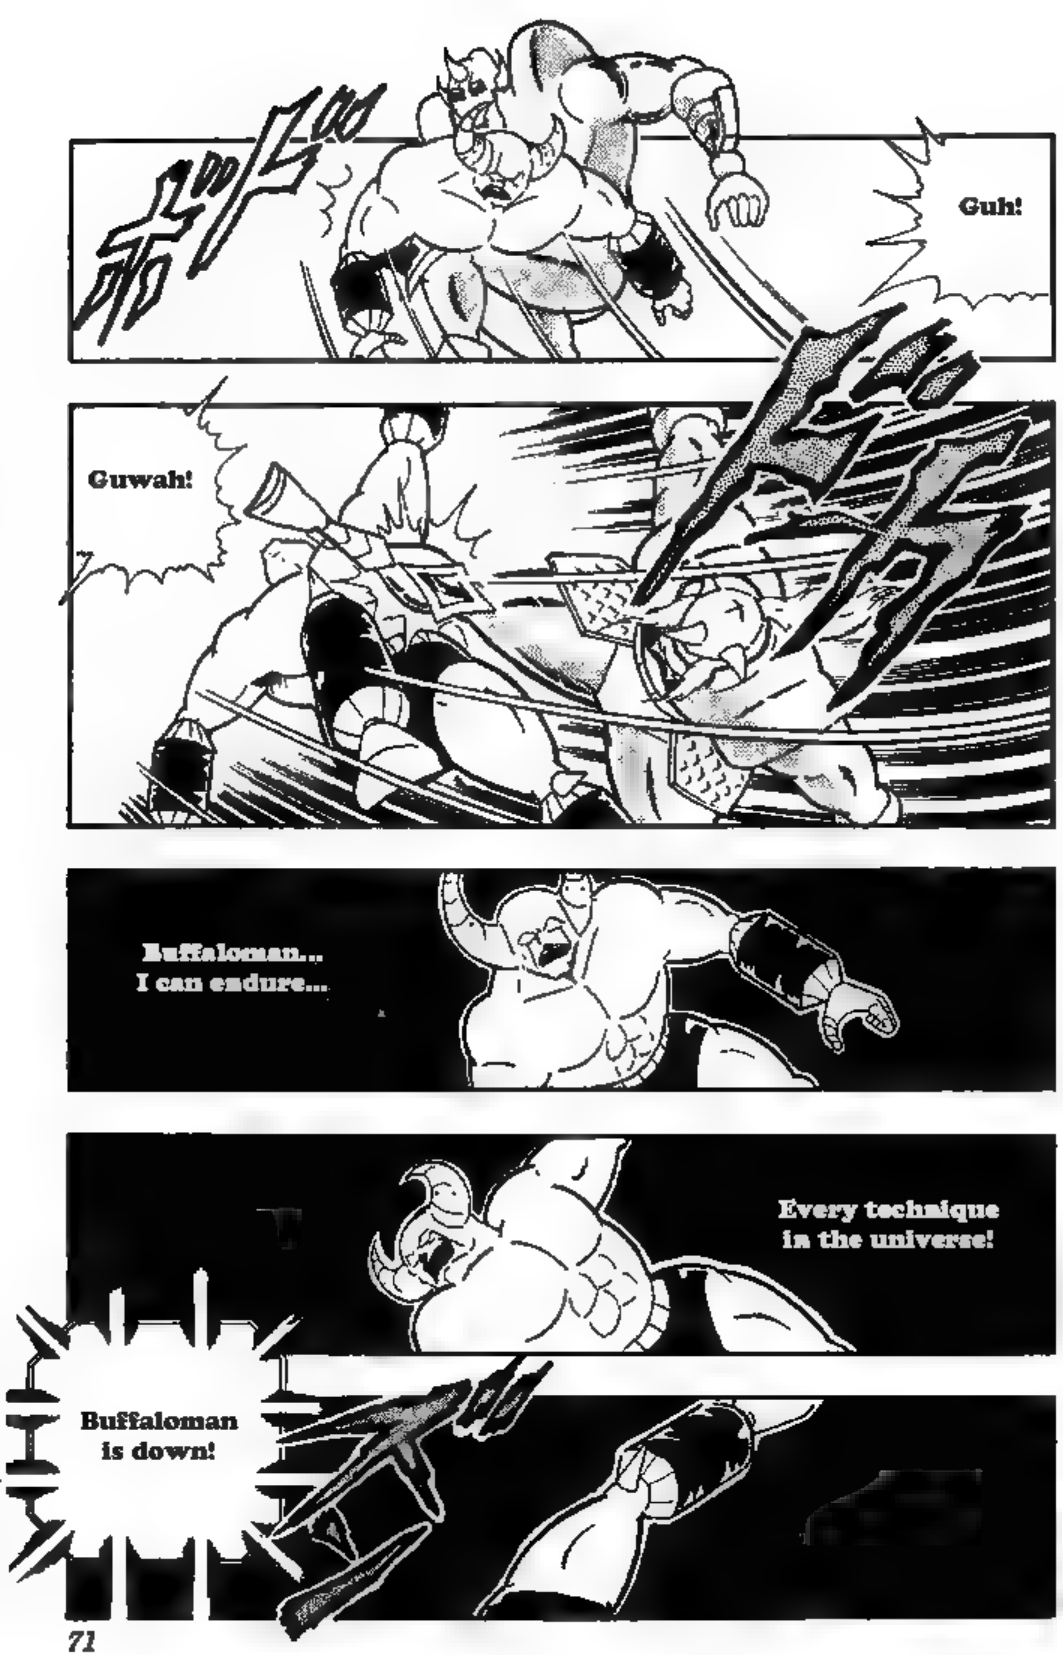
Without even trying to counter the technique, Akuma Shogun hits the mat head-first!
If you can counter that, then do it!
Uwahahaha!
My body feels no pain. Since it can't feel pain, attacks can't hurt me. That's the secret of my strength!
It's obvious!
Why didn't I try to counter that? Because I have the power to just endure it.



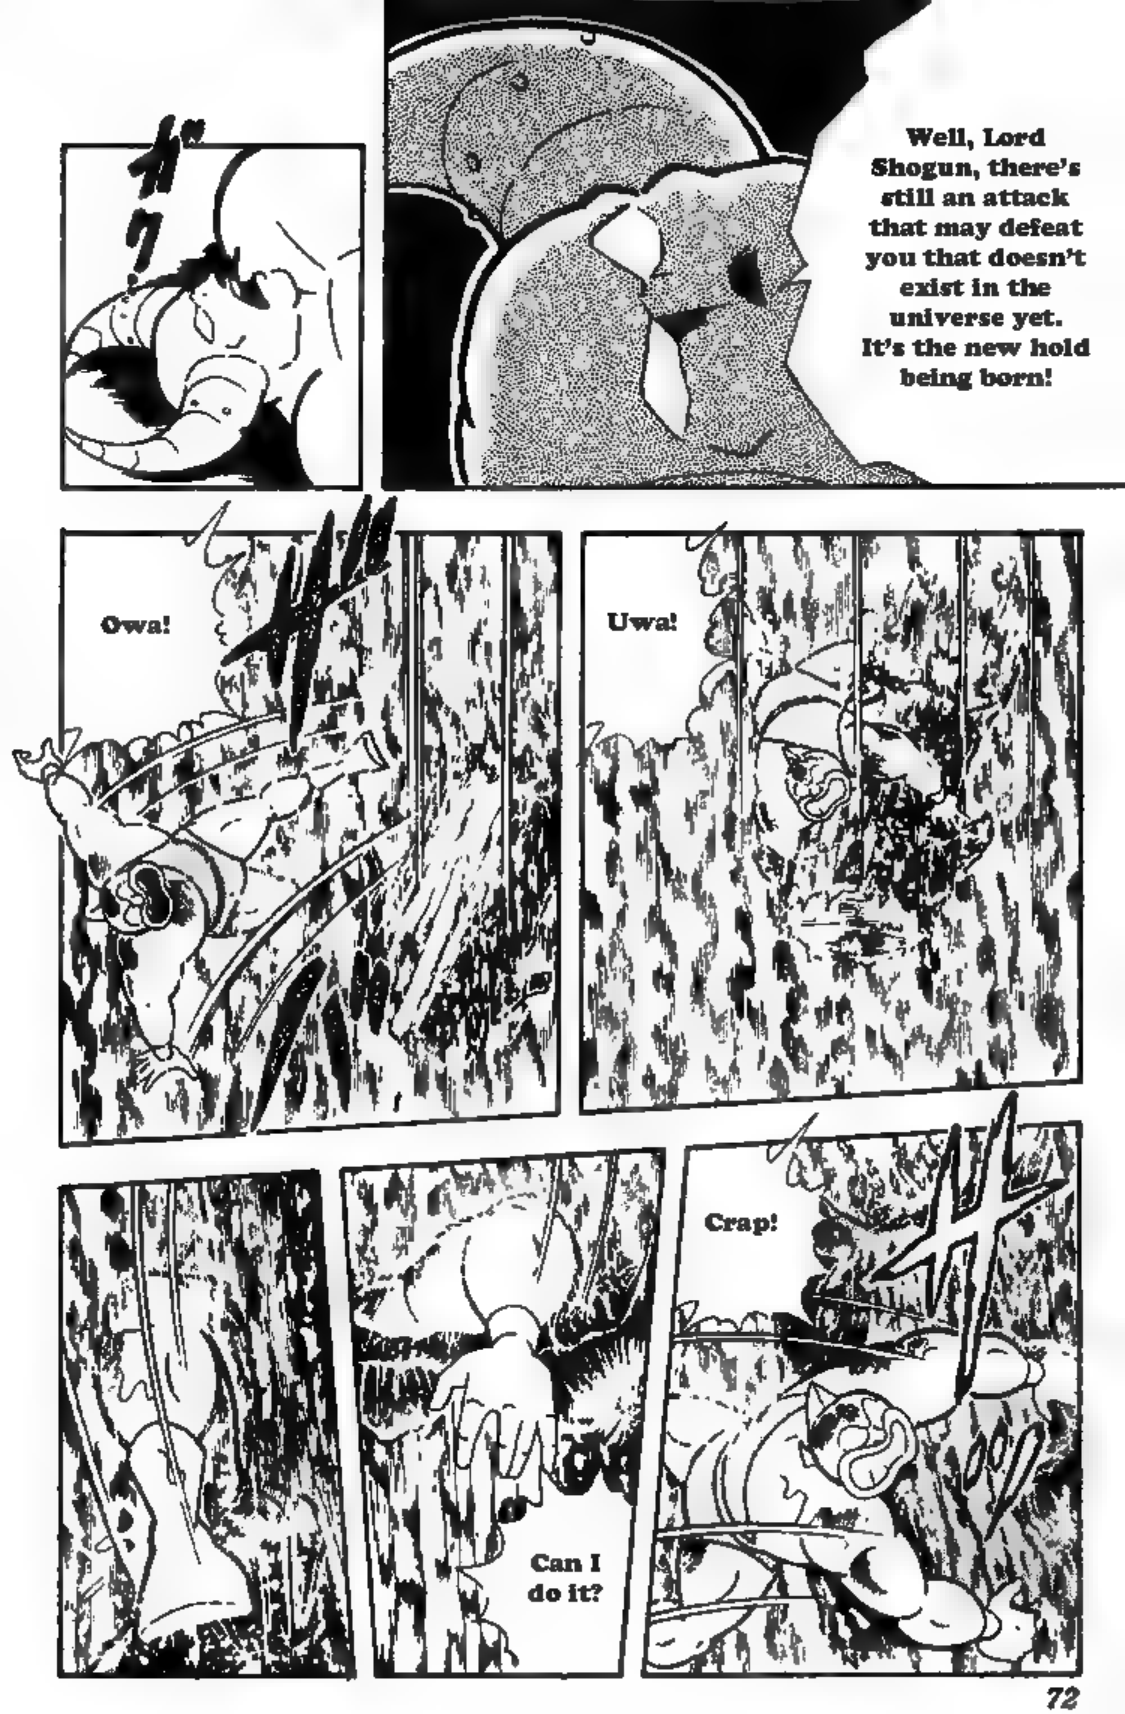
A body that can't feel pain!?
ハハハ
ハハハ
This is the last tree!



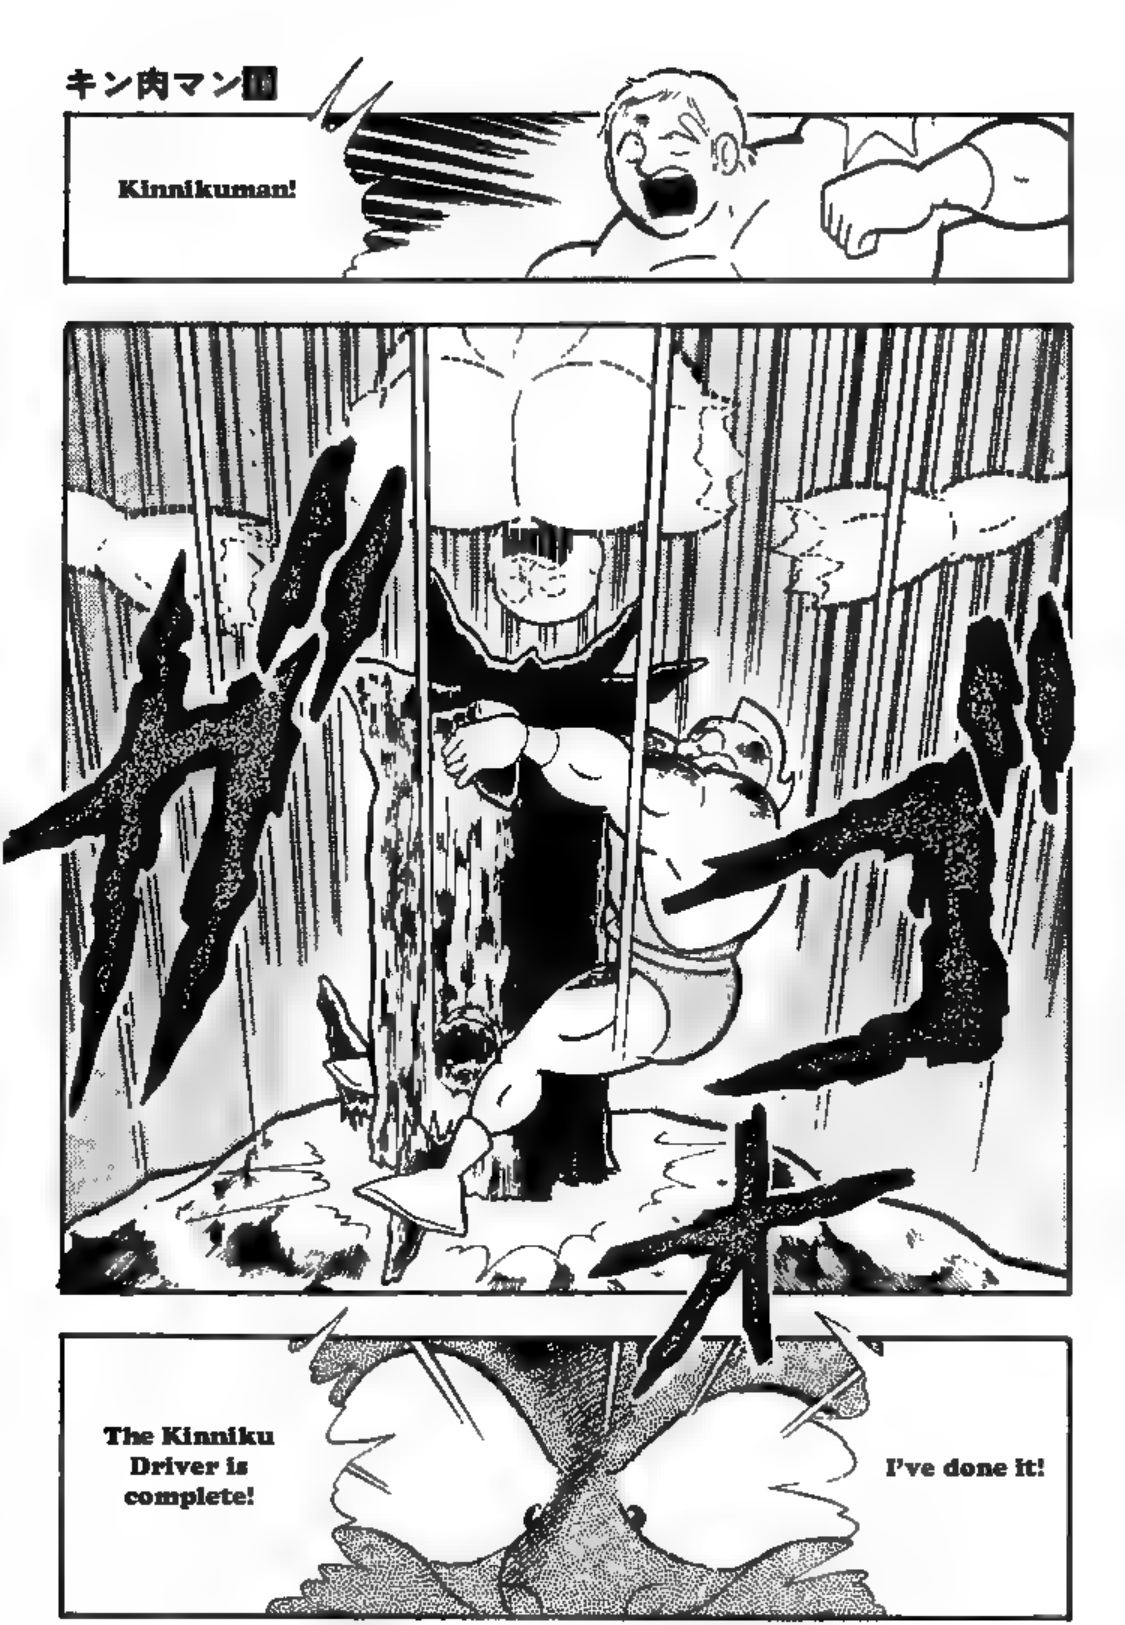
God!
My this final tree show the results of my training!



Guh!
Guwah!
Buffaloman...
I can endure...
Every technique
in the universe!
Buffaloman
is down!

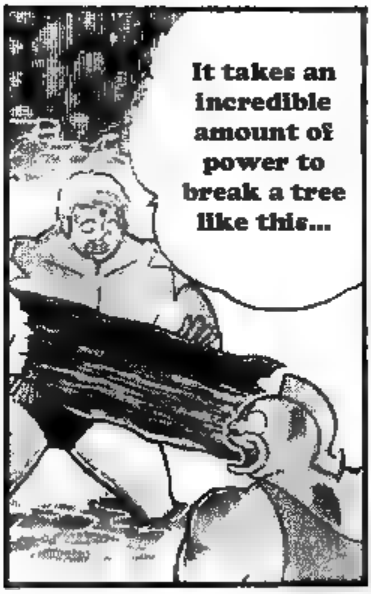


ガク!
Well, Lord Shogun, there's still an attack that may defeat you that doesn't exist in the universe yet. It's the new hold being born!
Owa!
Uwa!
Crap!
Can I do it?

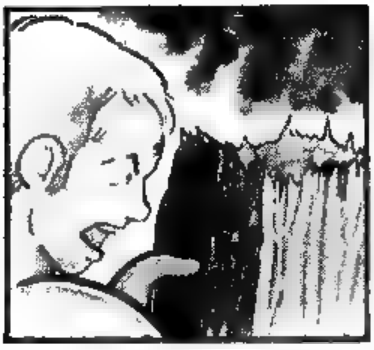


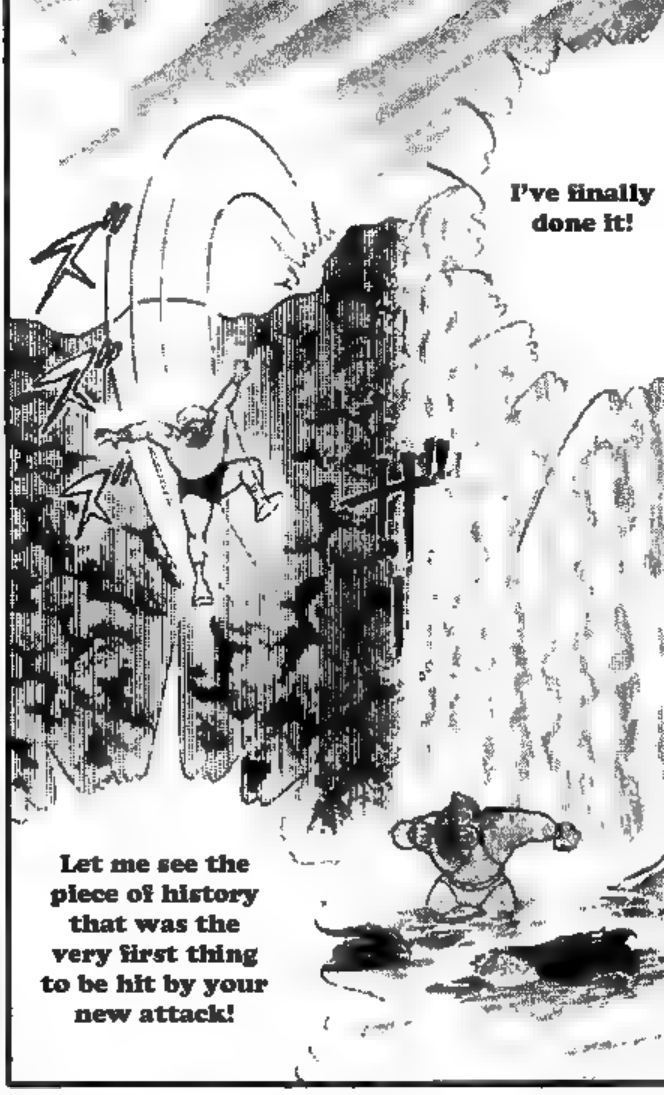
Kinnikuman!
The Kinniku Driver is complete!
I've done it!

Golden Mask Arc 38
Unexpected Flaw...!?
I did it!
I've perfected
the Kinnika
Driver!

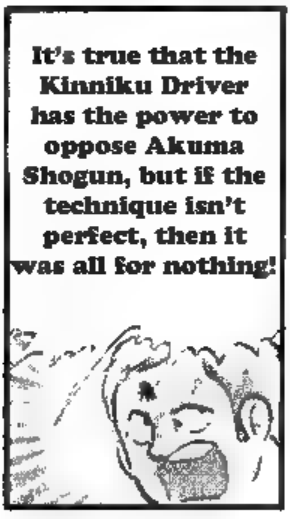


It takes an incredible amount of power to break a tree like this...





I've finally done it!
Let me see the piece of history that was the very first thing to be hit by your new attack!

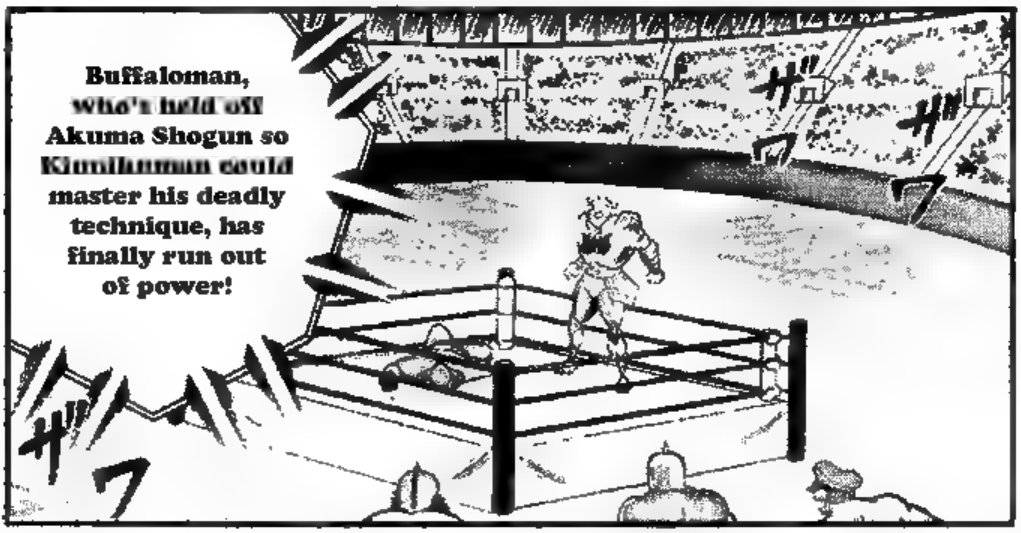


It's true that the Kinniku Driver has the power to oppose Akuma Shogun, but if the technique isn't perfect, then it was all for nothing!

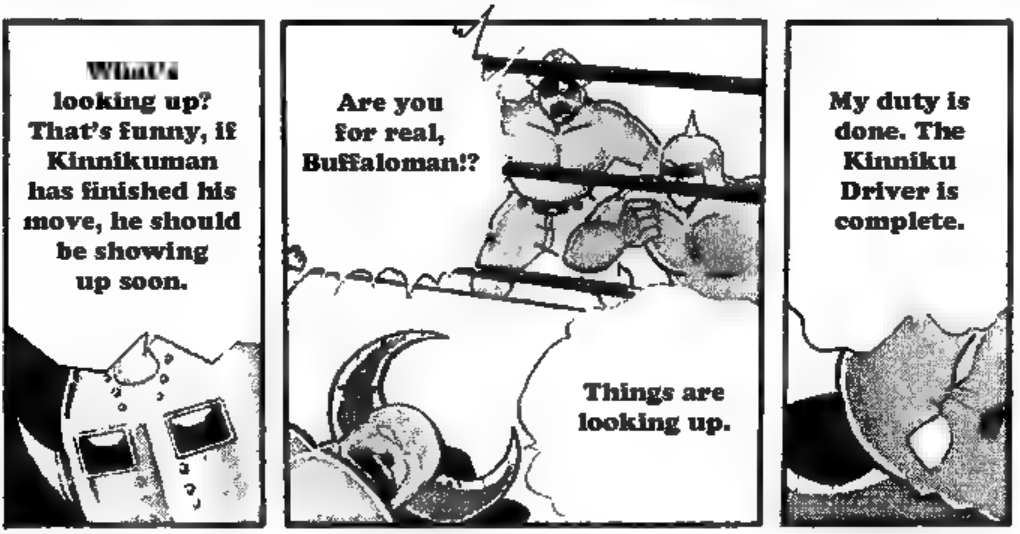
Don't get upset over what I'm about to say. Just hear me out...
What's wrong, Terry-man!?

What's this!? At first glance, the Kinniku Driver looks perfect, but it looks like there's a single flaw!

WHAT!?
You'll never get a chance to do it!
To put it bluntly, you can't use that attack on Akuma Shogun, or anyone for that matter!



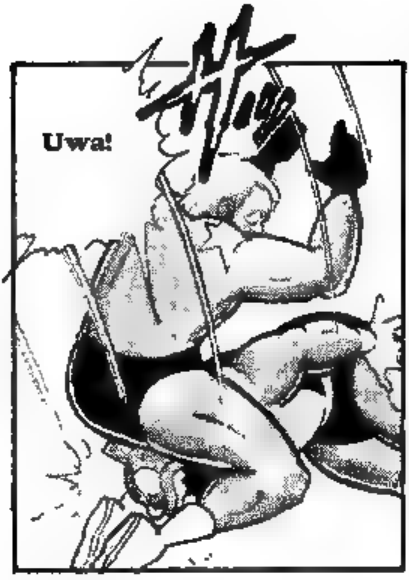
Buffaloman, who's held off Akuma Shogun so Kinnikuman could master his deadly technique, has finally run out of power!



What's looking up? That's funny, if Kinnikuman has finished his move, he should be showing up soon.
Are you for real, Buffaloman!?
Things are looking up.
My duty is done. The Kinniku Driver is complete.

Suguru! Hurry up and get back here!
Prince!
He can't use the technique, that's why he hasn't come back yet.
Okay, I'll show you.
What makes you say that!?
I can't use my Kinniku Driver on [redacted] Shogun!?
Take this!
Alright, I'll do it!
Come on! Use the Kinniku Driver on me and show me how it works!

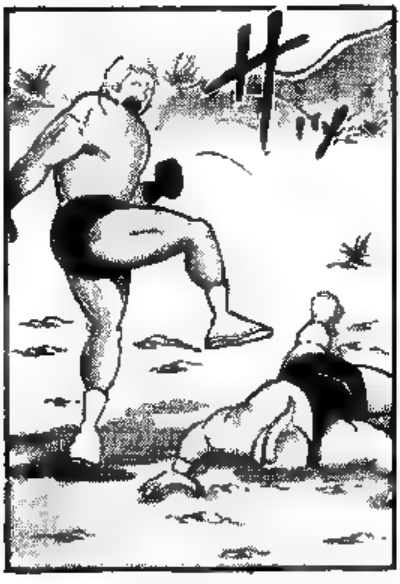
Yah!
Since it's a crashing technique, you have to throw you opponent in the air!
Hi-yah!
Then your opponent's body naturally falls head-first into the Kinniku Driver. In theory, it's perfect.
Then, you have to jump up to the rising body of your opponent!
What!?
That's the ultimate fault of the Kinniku Driver!
However, that only happens when your opponent is falling

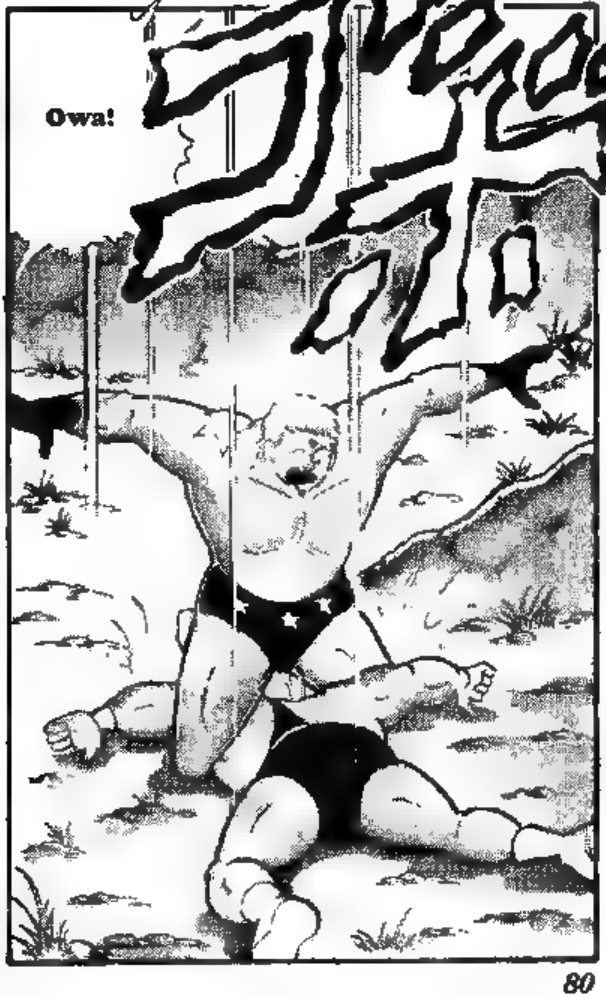


Uwa!

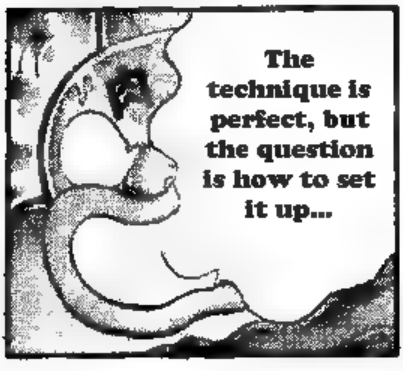
Geh!

But the opponent isn't forced to fall head-first!





Owa!

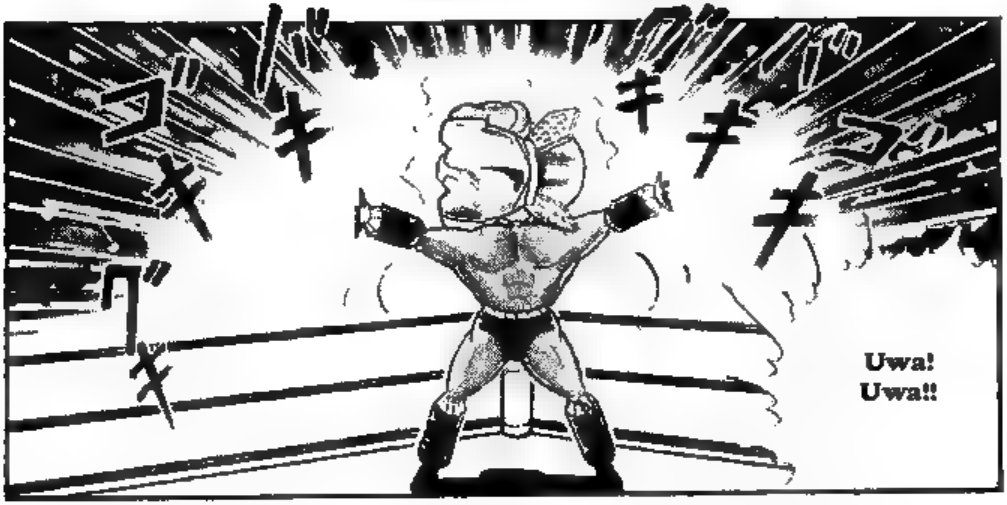


The technique is perfect, but the question is how to set it up...

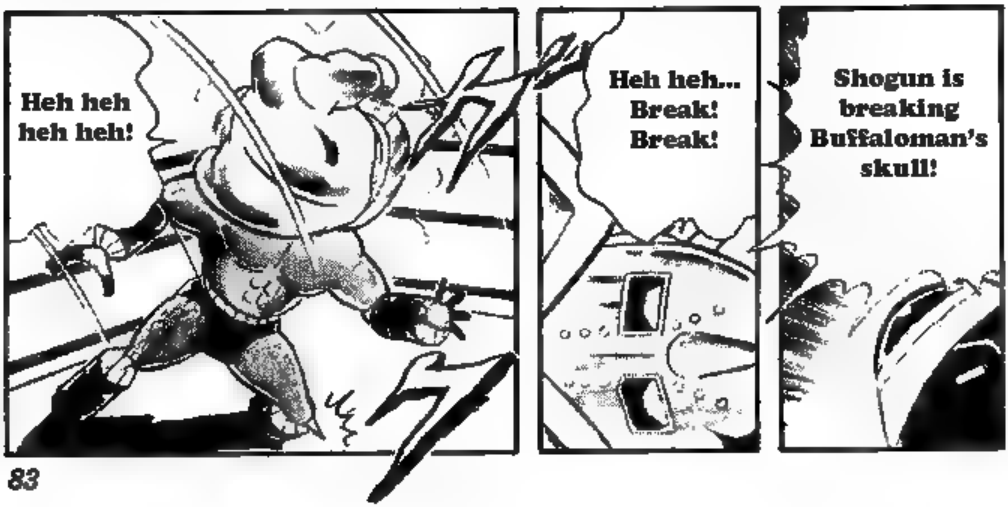
Geh!
Don't worry, this Kinniku Driver was my crazy idea!
Kinniku-man!
Calm down, Kinnikuman! Can't you think of some way to perfect the Kinniku Driver!?
Terry! Look there!
Ugh!?
Well, I'm off to go stop their special training.

Heh heh heh... Are you sure you should do that? I am the Chojin without pain! No matter how much you try to hold me, Kinnikuman isn't coming back.
Buffalo-man!
You can't stop their special training! I'll stop you with my longhorns!
No, they will come back!
Hahaha! This just tickles.
Buffaloman has him in an Argentine Backbreaker, while piercing him with his longhorns!
Well, now it's my turn!

Uwa!



Uwa!
Uwa!!



Heh heh
heh heh!
Heh heh...
Break!
Break!
Shogun is
breaking
Buffaloman's
skull!

Well, I can't put it off any longer. I'll send it, now.
Buffalo-man!
Buffaloman is down!
He must have heard us training!
That boar is huge! He must weigh at least 300 kilos!
We'd better run!
If that's the case, then he's here for us...

There's no time!
Owa!
Guhi!
Owa!
Kin-niku-man!
Uwa!
My only chance is to use the Kinnikun Driver!

I can
see it!

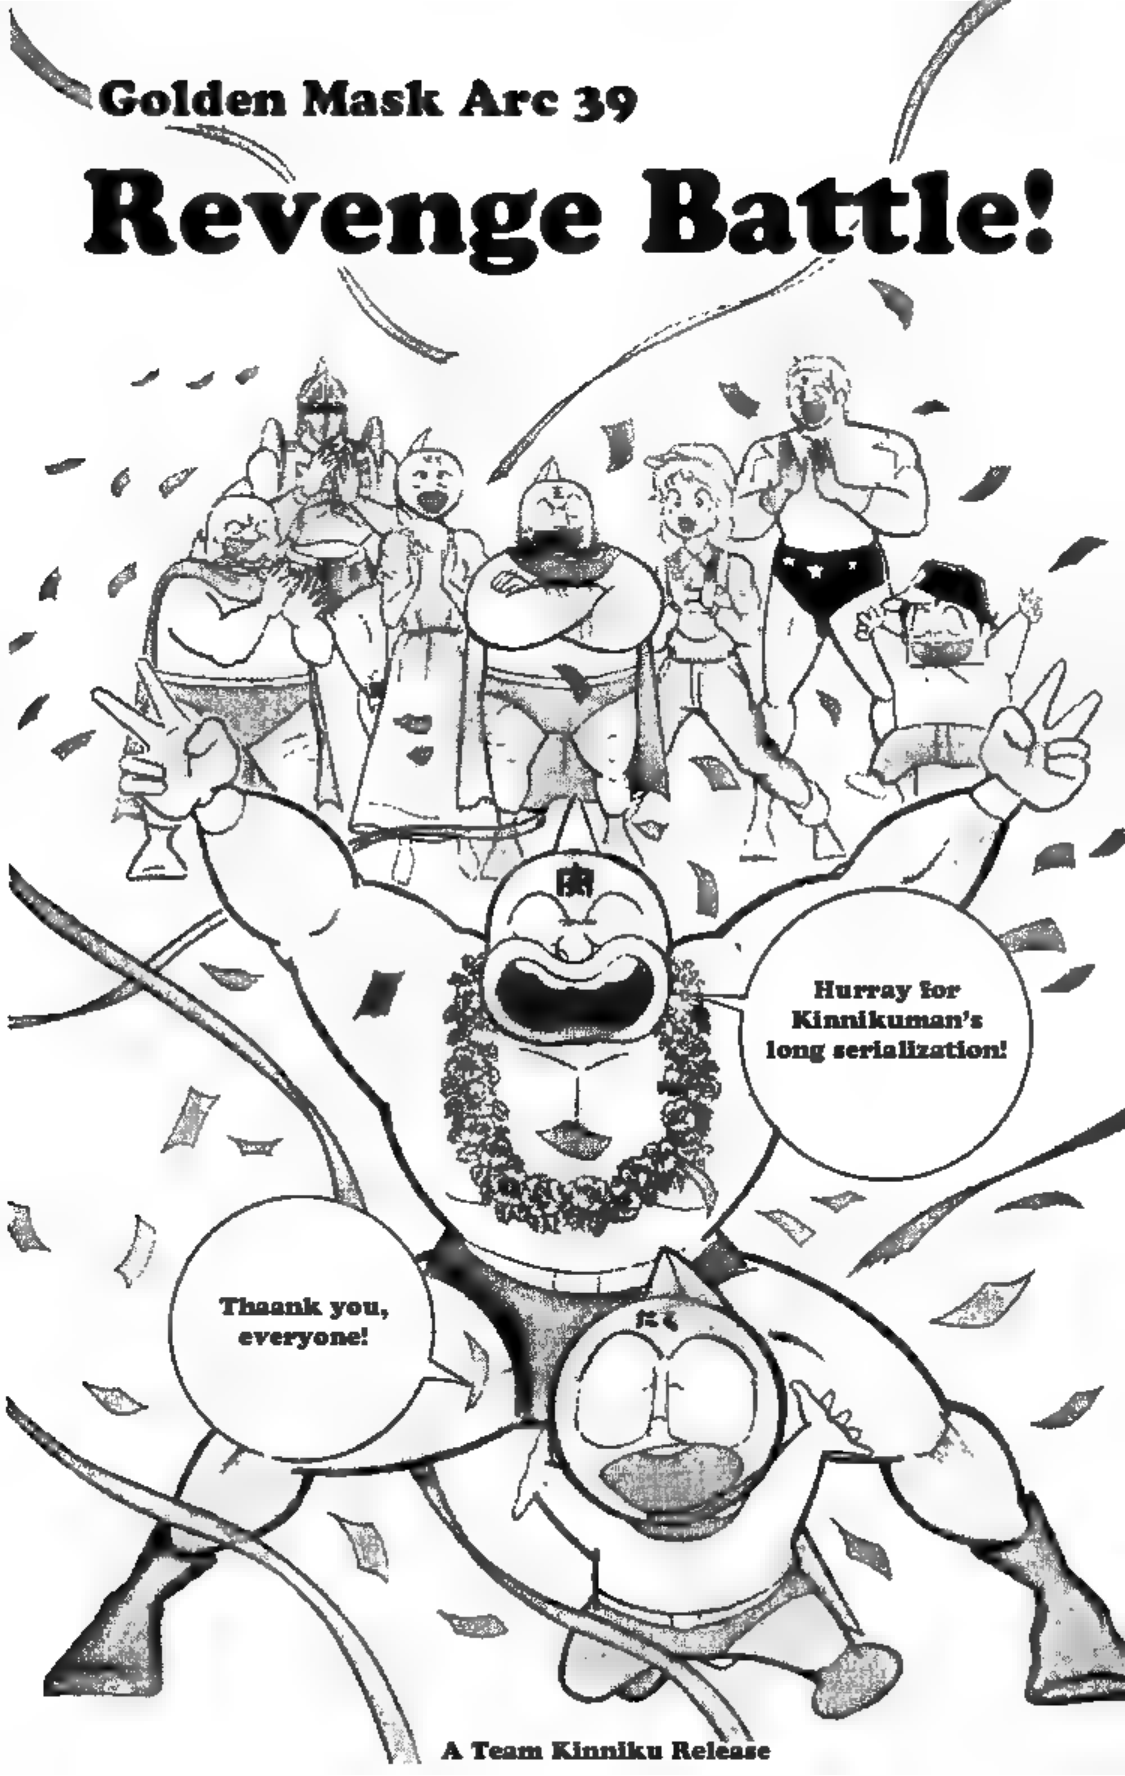
The Kinniku Driver is now perfect!
That position is...
He's going to end it!
Take this:
Yah!

HELL GUILLOTINE!
Is Buffalo-man dead!?
Ha ha hah!

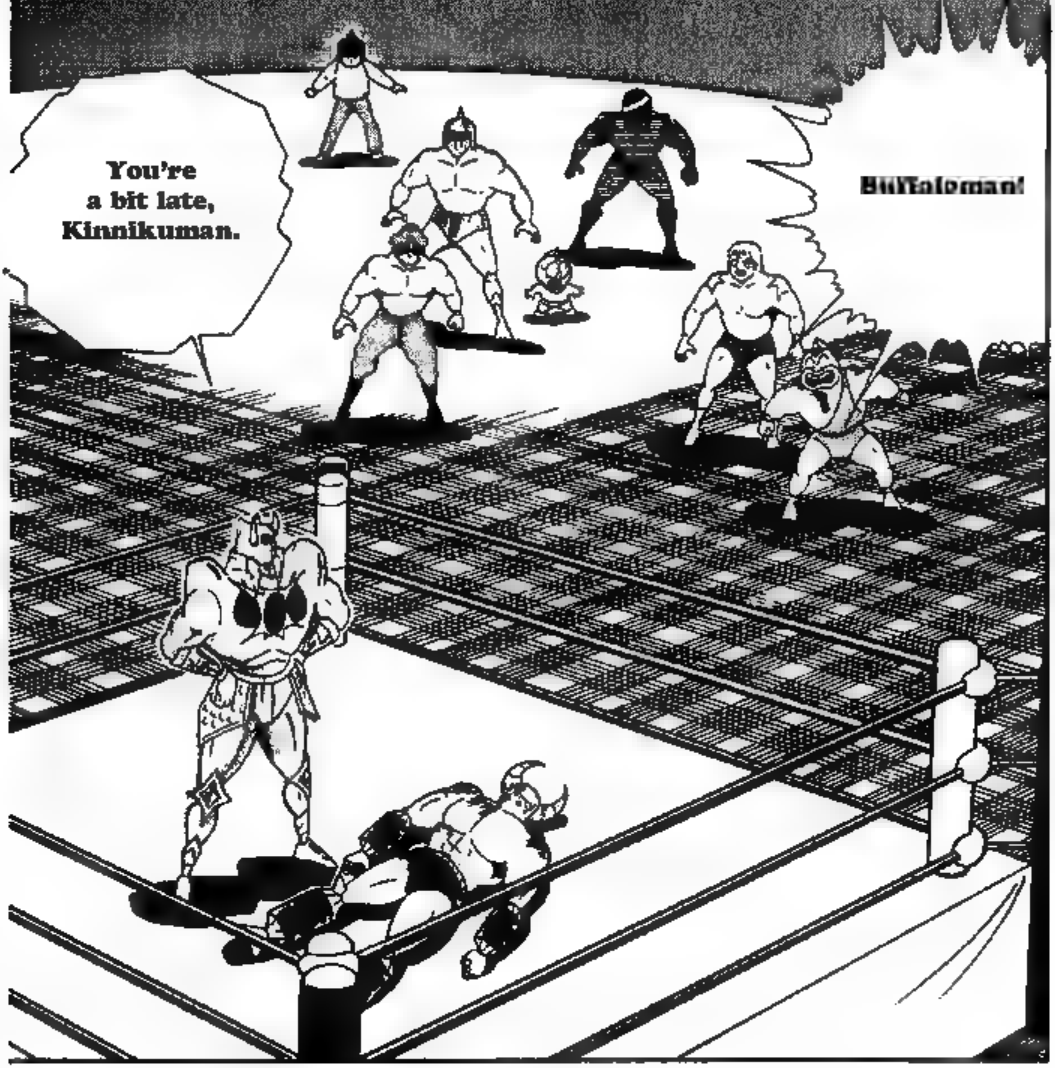
Kinnikuman!
Buffaloman, we're back!
You're a tad late.
Buffaloman!

Golden Mask Arc 39

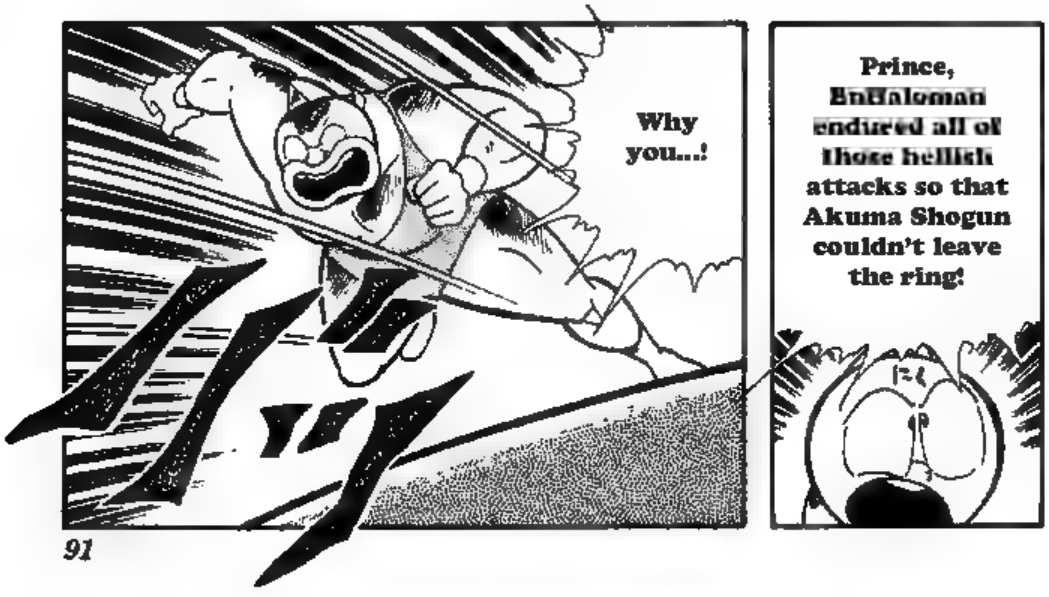
Revenge Battle!



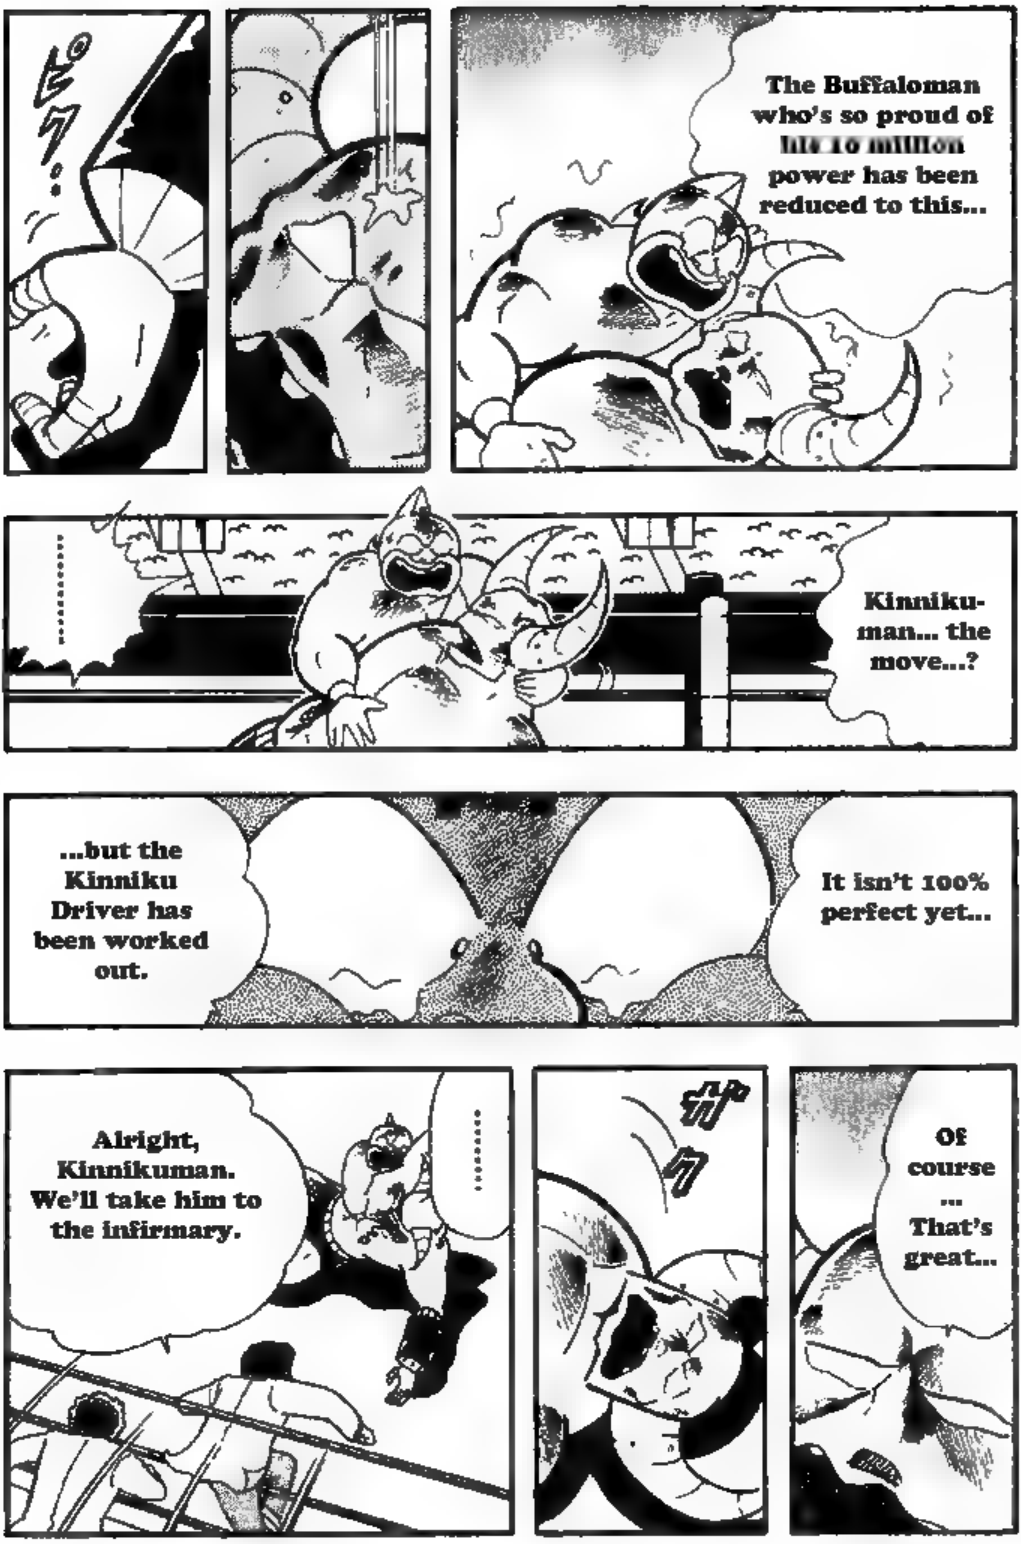
A Team Kinniku Release



You're a bit late, Kinnikuman.
Buffaloman!



Why you...!
Prince, Buffaloman endured all of those hellish attacks so that Akuma Shogun couldn't leave the ring!



ピク!
The Buffaloman who's so proud of his 10 million power has been reduced to this...
Kinnikuman... the move...?
...but the Kinniku Driver has been worked out.
It isn't 100% perfect yet...
Alright, Kinnikuman. We'll take him to the infirmary.
ピク
Of course ... That's great...

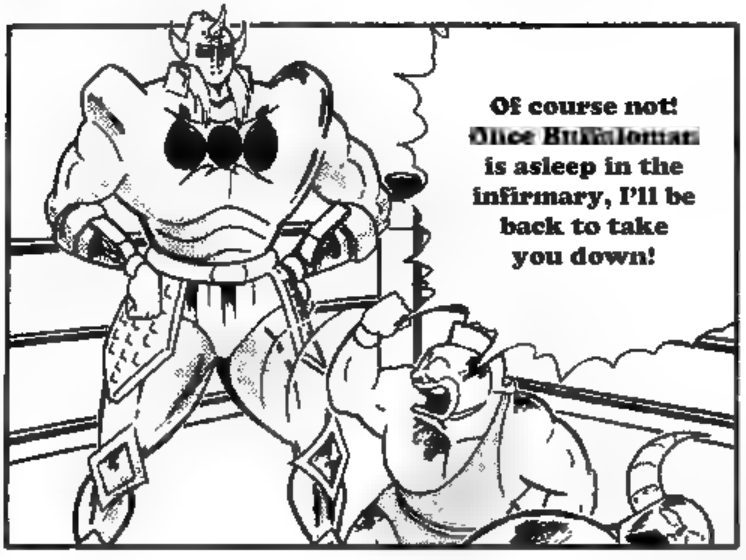
Don't touch him!

I'll take him myself.

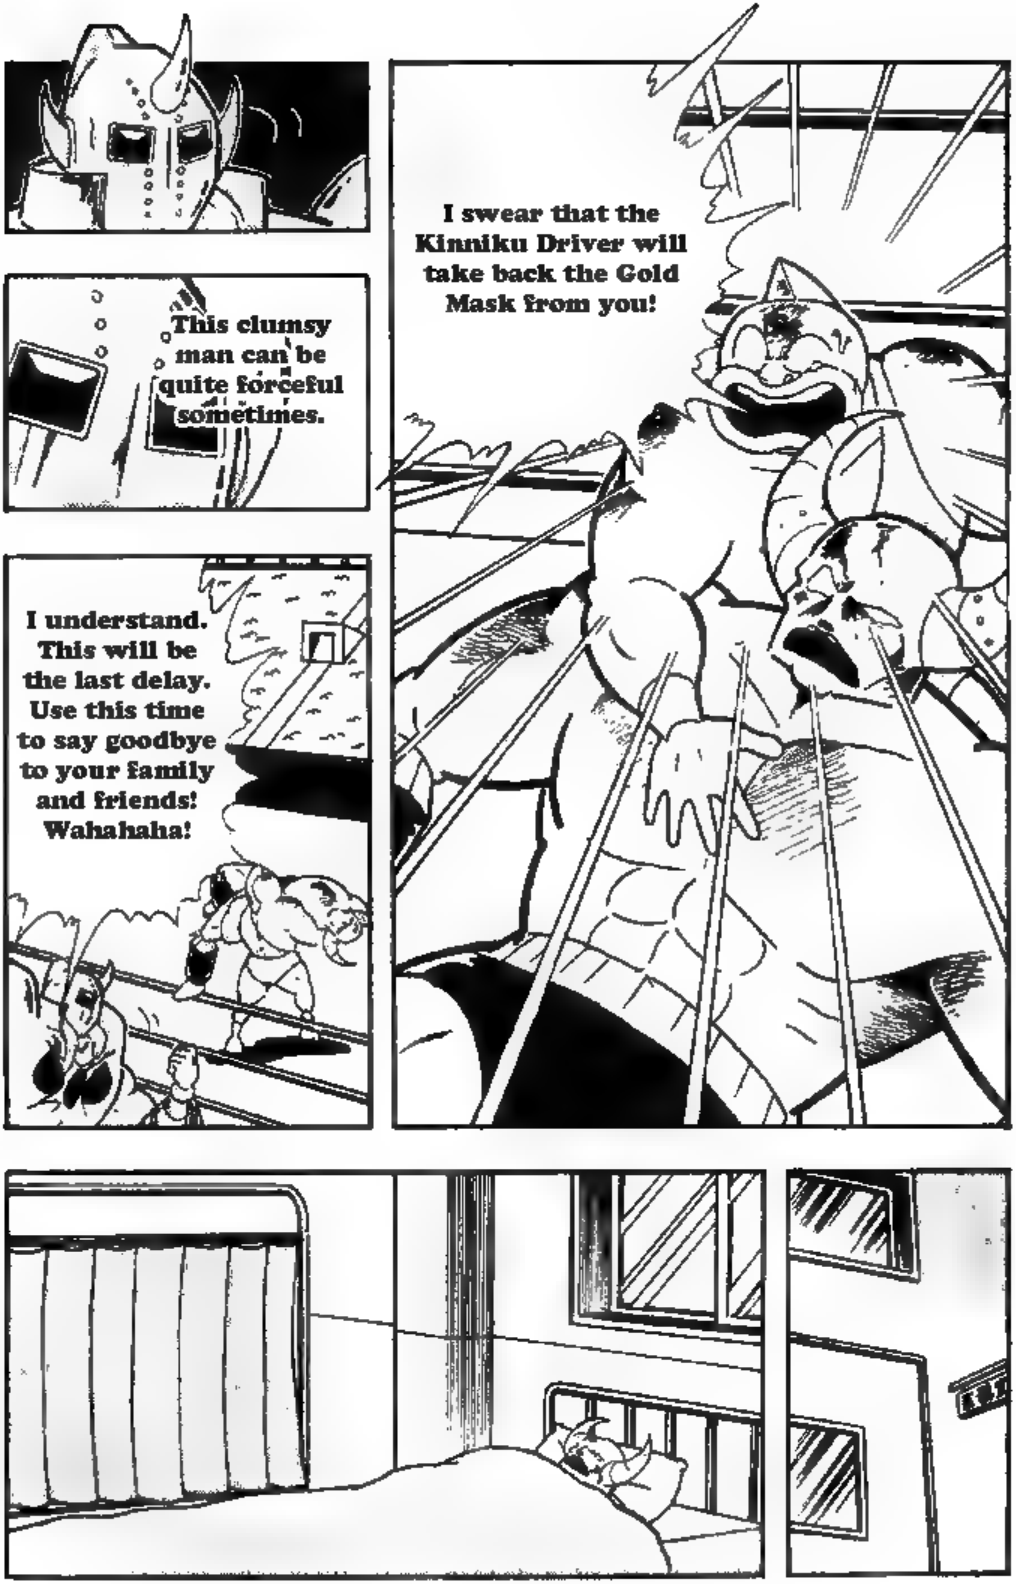
But...
I won't forgive anyone who touches Buffaloman!

Are you trying to run, Kinnikuman?

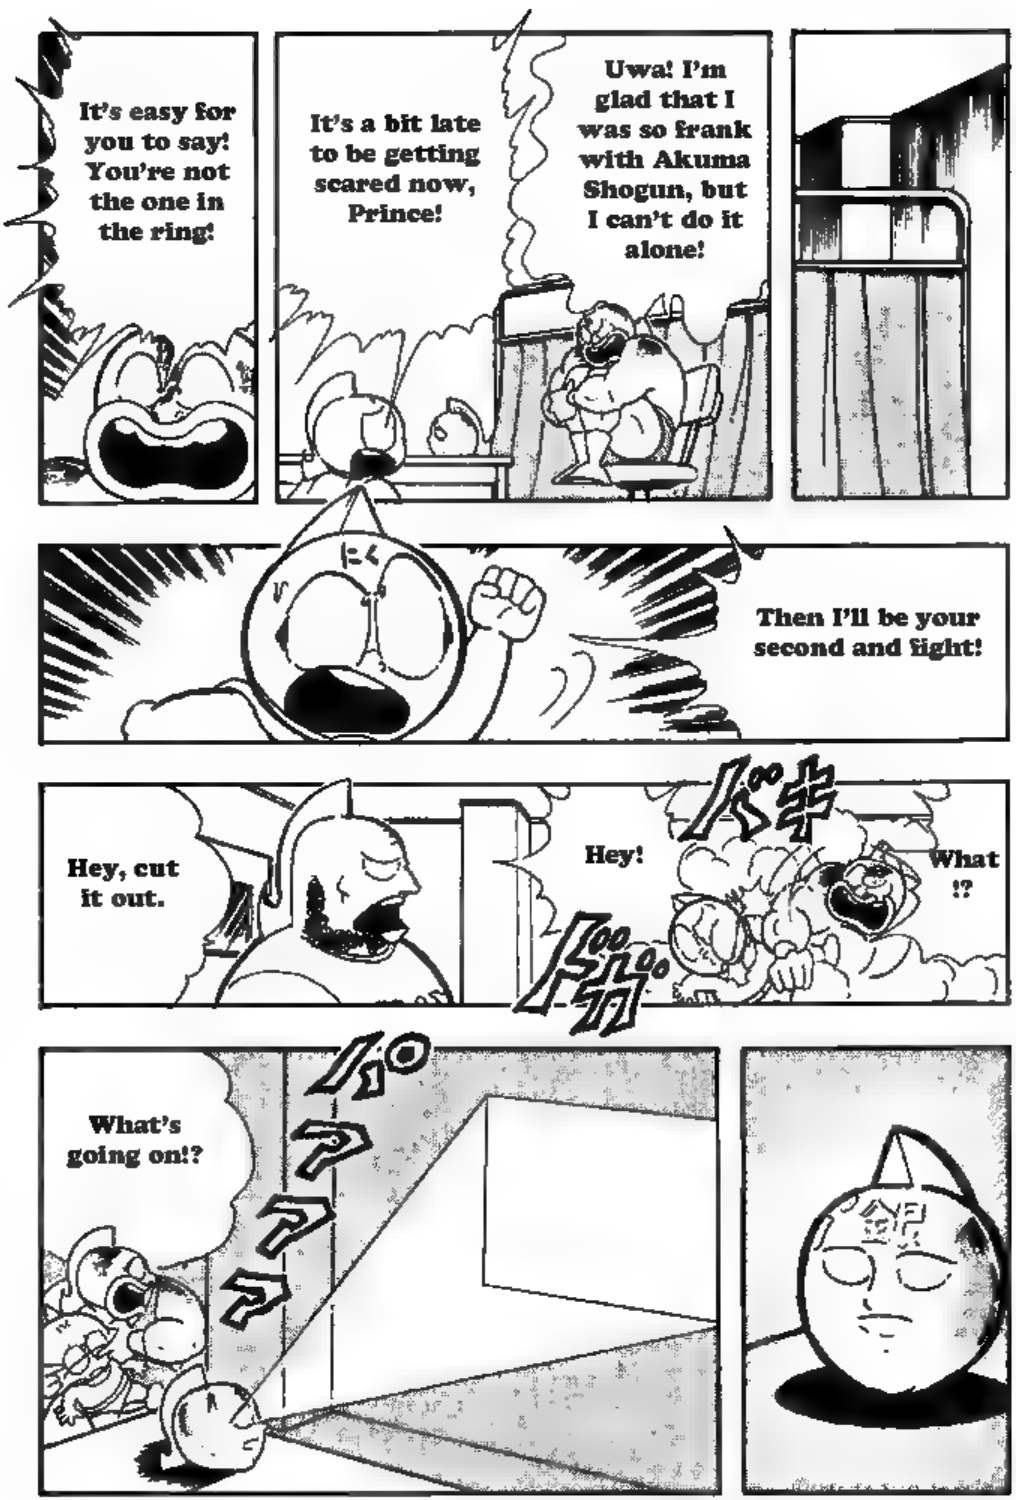
These wounds of friendship won't be meaningless to him!



Of course not! Once Buffaloman is asleep in the infirmary, I'll be back to take you down!

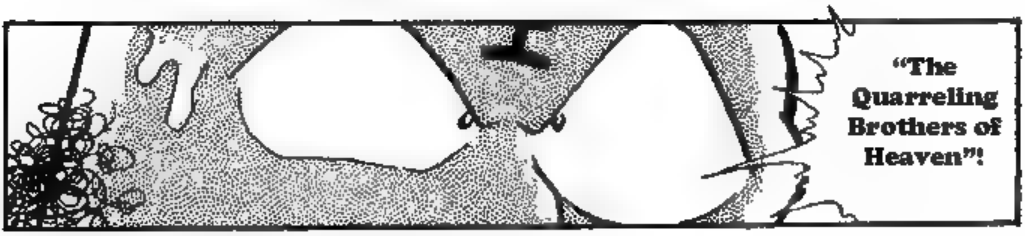


This clumsy man can be quite forceful sometimes.
I understand. This will be the last delay. Use this time to say goodbye to your family and friends! Wahahaha!
I swear that the Kinniku Driver will take back the Gold Mask from you!

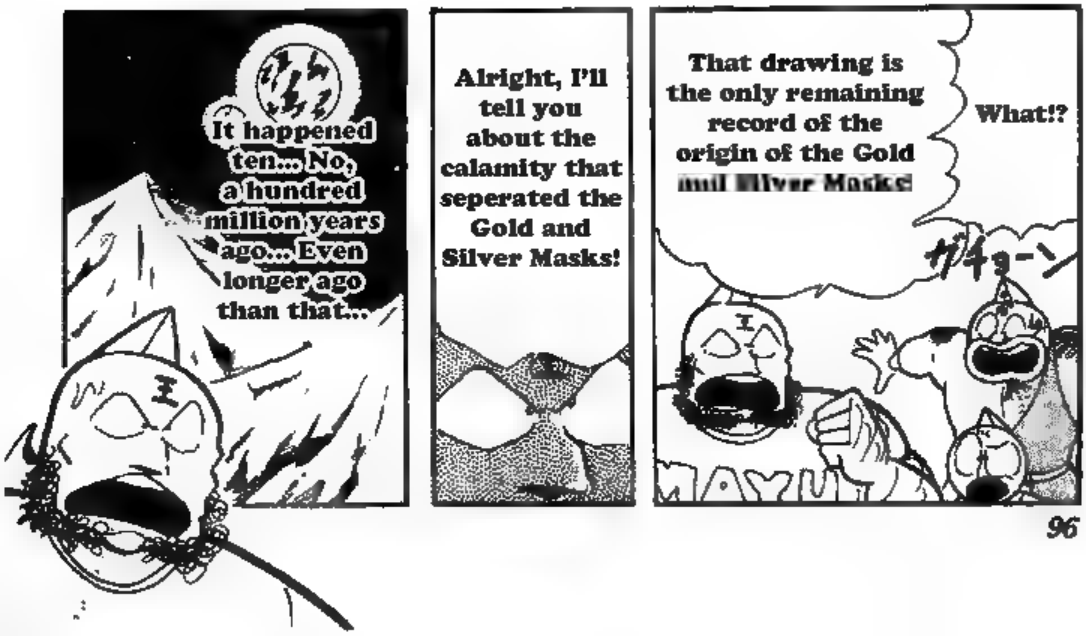


It's easy for you to say! You're not the one in the ring!
It's a bit late to be getting scared now, Prince!
Uwa! I'm glad that I was so frank with Akuma Shogun, but I can't do it alone!
Then I'll be your second and fight!
Hey, cut it out.
Hey!
What !?
What's going on!?

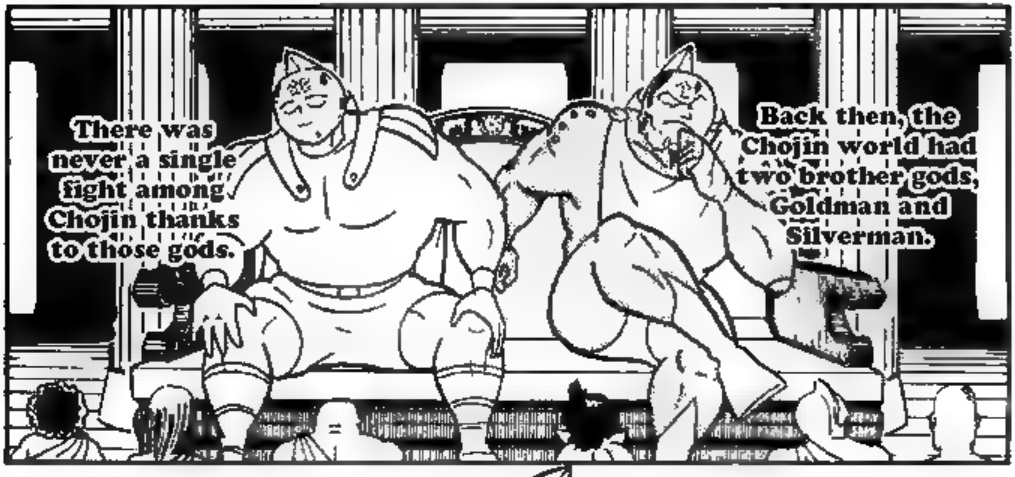
That's...
Aren't those the Gold and Silver Masks?



"The Quarreling Brothers of Heaven"!



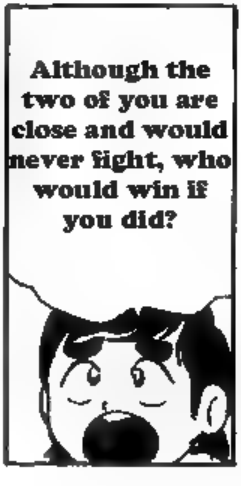
It happened ten... No, a hundred million years ago... Even longer ago than that...
Alright, I'll tell you about the calamity that seperated the Gold and Silver Masks!
That drawing is the only remaining record of the origin of the Gold and Silver Masks!
What!?
ナイター
MAYU



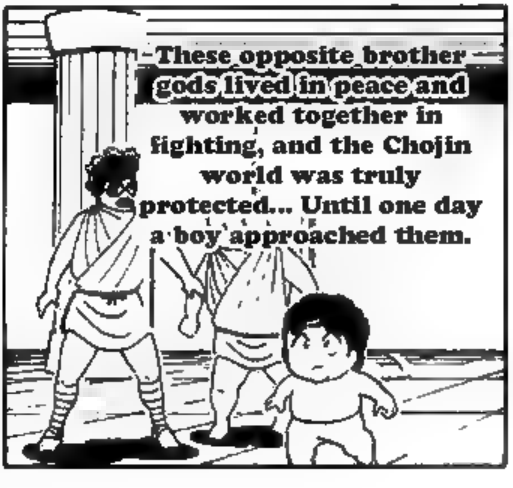
There was never a single fight among Chojin thanks to those gods.
Back then, the Chojin world had two brother gods, Goldman and Silverman.

The people gave him the nickname "The God of War".
The older brother, Goldman, was an invincible master of grappling.

Due to his gentle personality, he was given the nickname "The God of Peace".
The younger brother, Silverman, could withstand any grappling move and was every bit as good as his brother, yet he didn't like to fight.



Although the two of you are close and would never fight, who would win if you did?



These opposite brother gods lived in peace and worked together in fighting, and the Chojin world was truly protected... Until one day a boy approached them.

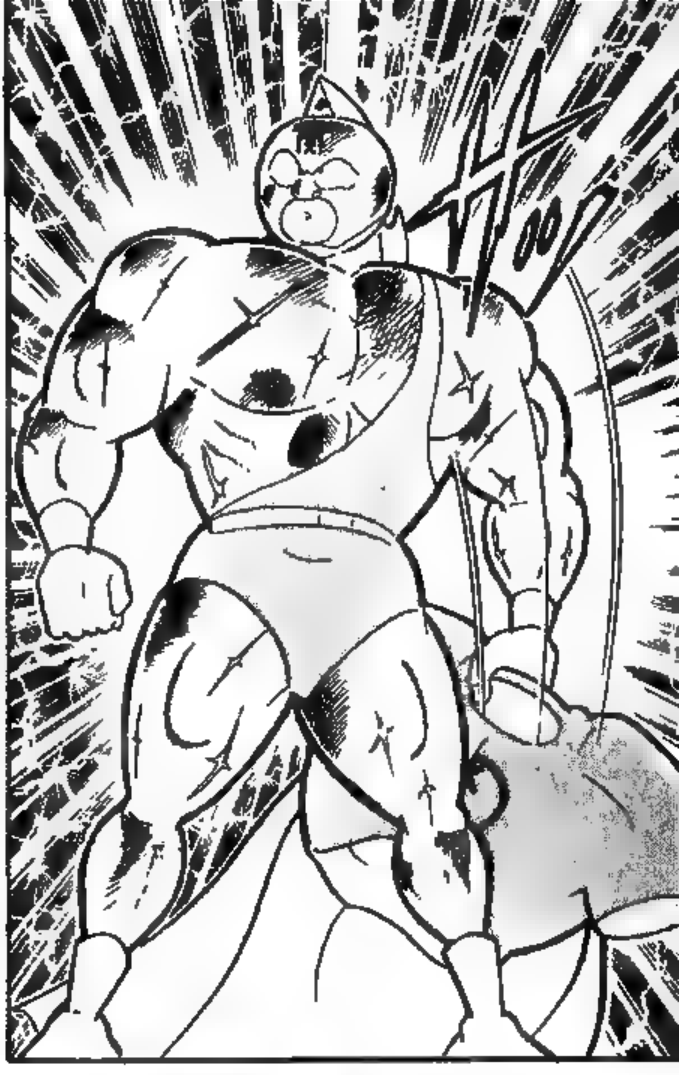
My rapid-fire attacks are good enough to break down your ultimated defense.
Although the Silver Mask is skilled, he can only defend.
There isn't anything like my protection moves!
Maybe, but it's dangerous to just write me off like that.
In that case, let's have a match to determine which is better: my offense or your defense!
You dare to oppose your elder brother!?
The other gods, who saw the danger happening, sent the only god who could end the fight.
That's what started their quarrel.
He was Justice, the God of Judgement!

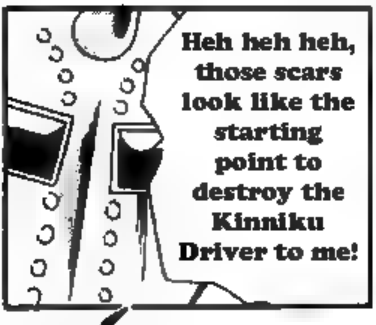
Alright, start!
This will never end, no matter how long you do it. These will decide the match.
They were given to the Kinniku Clan and worshiped as symbols of peace by all Chojin!
Many years later, they became the wearable Gold and Silver masks.
The match ended when the two gods beheaded each other.

Yes. That's why the Chojin in the life-support [illegible] Kourakuen are getting weaker.
You mean the Chojin losing thier power all over the universe, right?
When the devils seperated the masks again, it caused a new calamity to the Chojin world!
It's that the Devil Knights would rule the entire universe!
The problem isn't just the Justice Chojin dying!
I have the Silver Mask of peace, which hasn't been defeated!
I'll take the Gold Mask back from them before it comes to that.
Got it.
Kinniku-man, it's time!
Suguru!

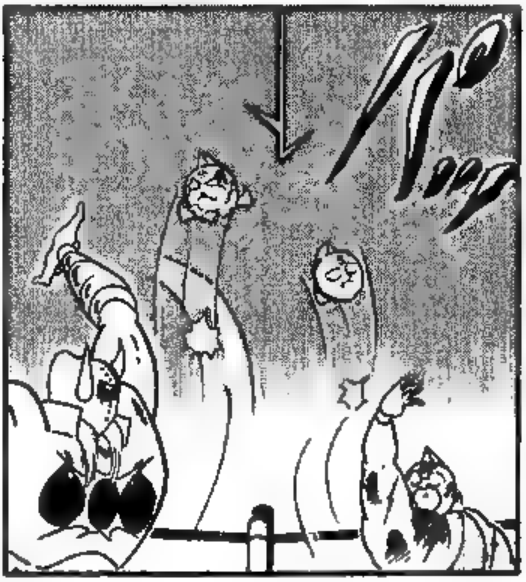
I've been waiting, Kinniku-man!
Kinnikuman's [illegible] the arena!
The two masks are raised! This truly is the Gold Mask!
So I've had to come again... This is the second time...

The scars covering Kinnikuman's body tell the story of his harsh training! The Kinniku Driver must really be a harsh technique!





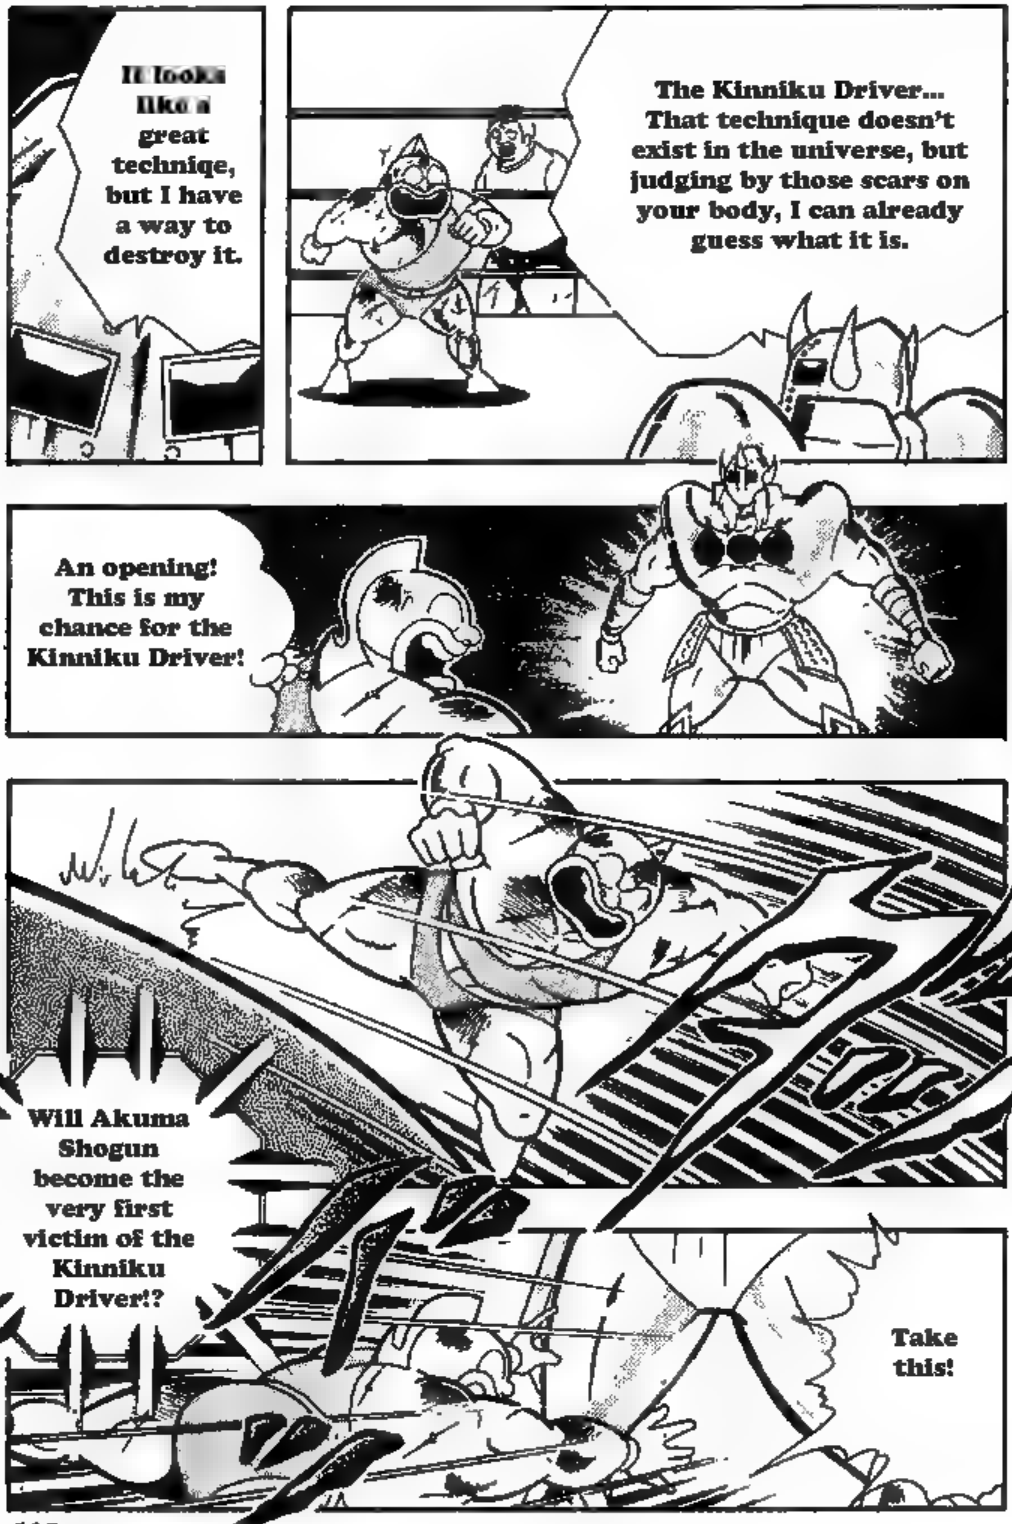
Heh heh heh, those scars look like the starting point to destroy the Kinniku Driver to me!



Seconds out!

The winner will take both!
Alright!
How's this!?
That's the gong for the match of the century!
Hiya!

He did it!
Kinnikuman has turned Akuma Shogun on his back with a German Suplex!
Hmph... Stop playing around, Kinnikuman!
What!?
That's surprising, but the Kinniku Driver is different!
I've taken every technique in the universe, but none of them have ever hurt me!
I'm the Chojin who can't feel pain!



It looks like a great techniqe, but I have a way to destroy it.
The Kinniku Driver... That technique doesn't exist in the universe, but judging by those scars on your body, I can already guess what it is.
An opening! This is my chance for the Kinniku Driver!
Will Akuma Shogun become the very first victim of the Kinniku Driver!?
Take this!

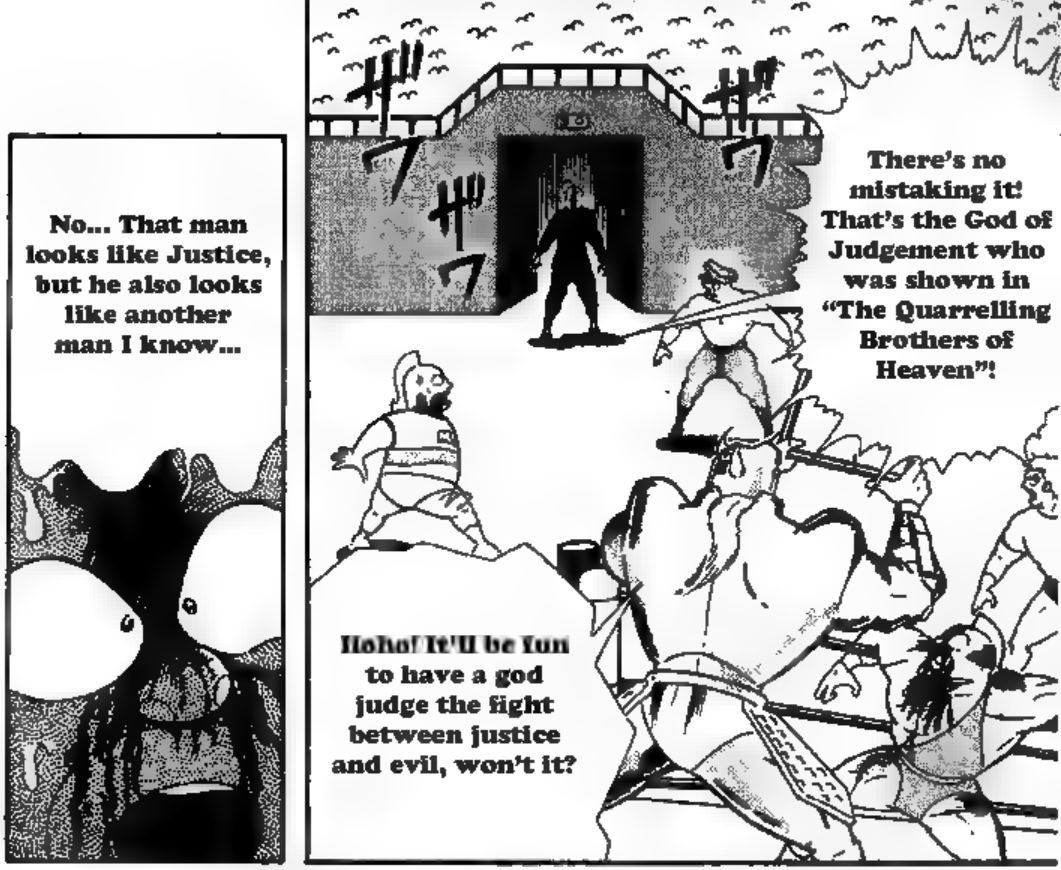
Geh!
The Kinniku Driver is defeated!
Geh!
The pathetic Kinniku Driver has already been defeated!
It's ten years to soon for Lord Shogun to be hit by that move in a fight!
Aah!

It's just like the Quarreling Brothers of Heaven! At this rate, the audience will be pulled into this bloody hell! We need Justice, the god of Judgement!
Stop! The match has rules! You can't attack outside of the ring!
I'll take over as the match referee!

Golden Mask Arc 40

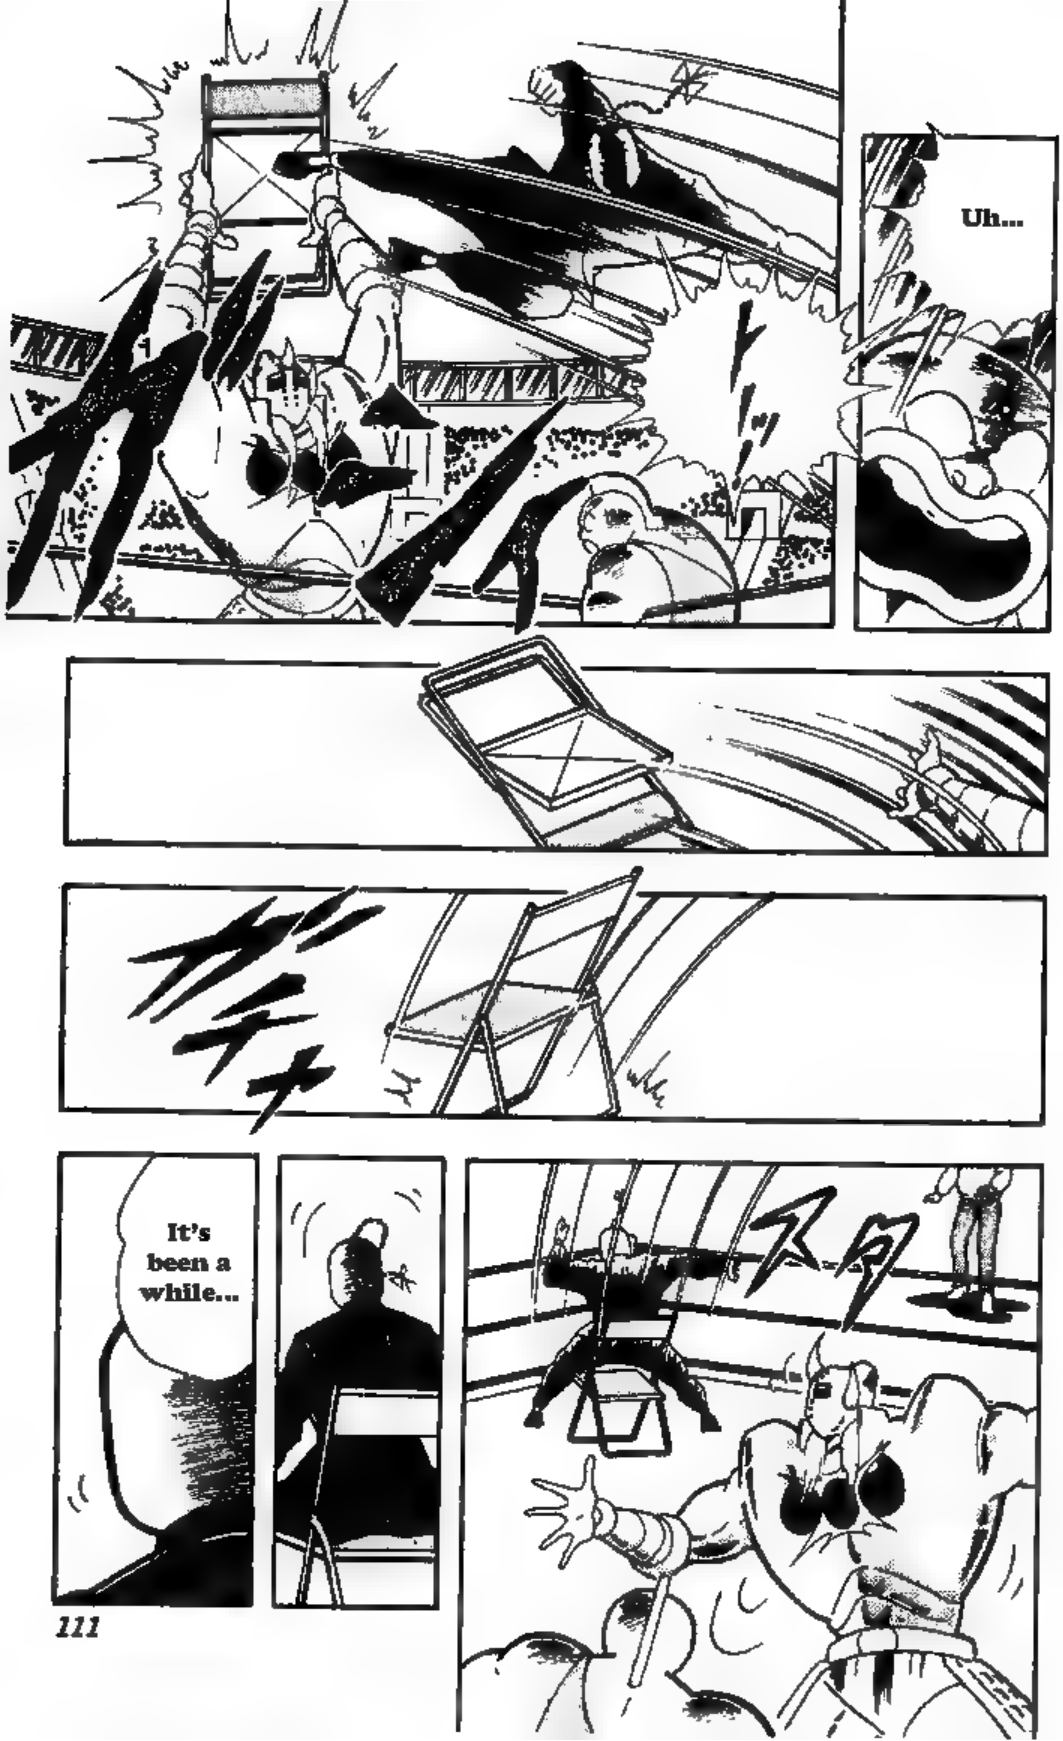
Enter Justice!

出口
I will be judging the fight between the Justice Chojin and Devil Chojin!
A mysterious man has agreed to be the referee of [redacted] vs. Akuma Shogun!



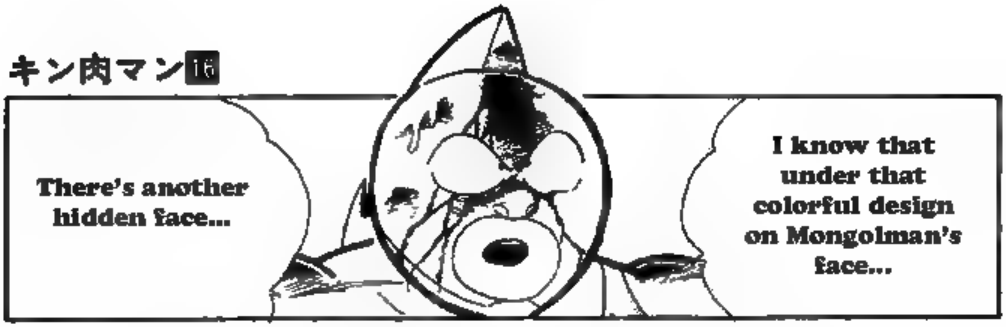
No... That man looks like Justice, but he also looks like another man I know...
There's no mistaking it! That's the God of Judgement who was shown in "The Quarrelling Brothers of Heaven"!
Hoho! It'll be fun to have a god judge the fight between justice and evil, won't it?

That man...
His name is...

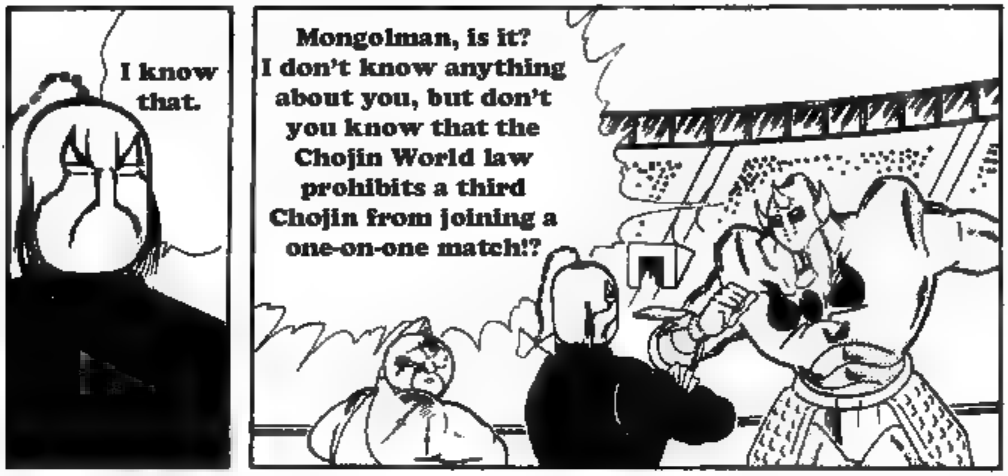


Uh...
It's been a while...

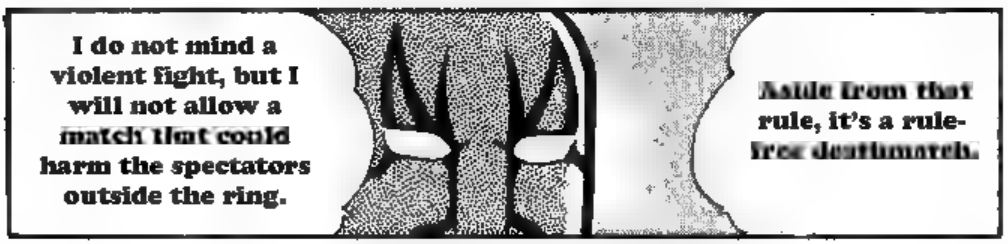
Kinnikuman!
The mysterious man is really Mongolman, Kinnikuman's tag partner from the last tornament who rescued Meat and aspires to have his name known around the world!
お
Isn't that Mongol-man!?



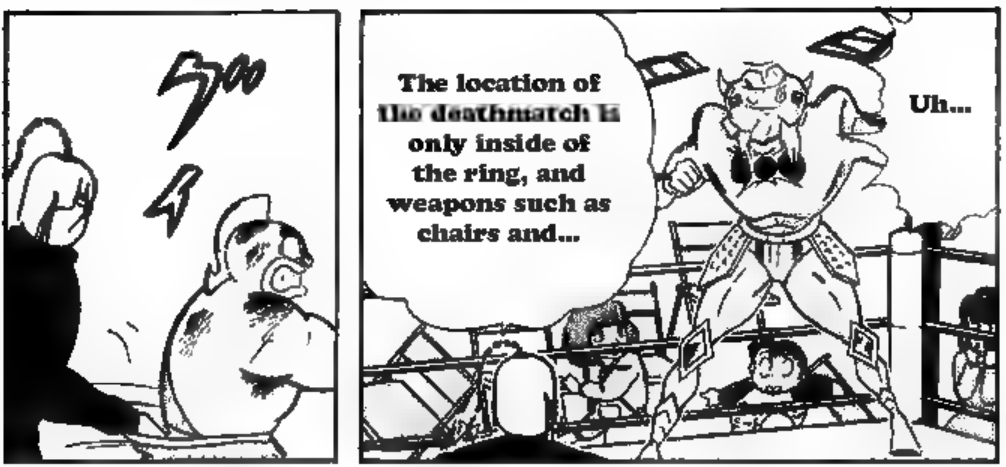
There's another hidden face...
I know that under that colorful design on Mongolman's face...



I know that.
Mongolman, is it? I don't know anything about you, but don't you know that the Chojin World law prohibits a third Chojin from joining a one-on-one match!?

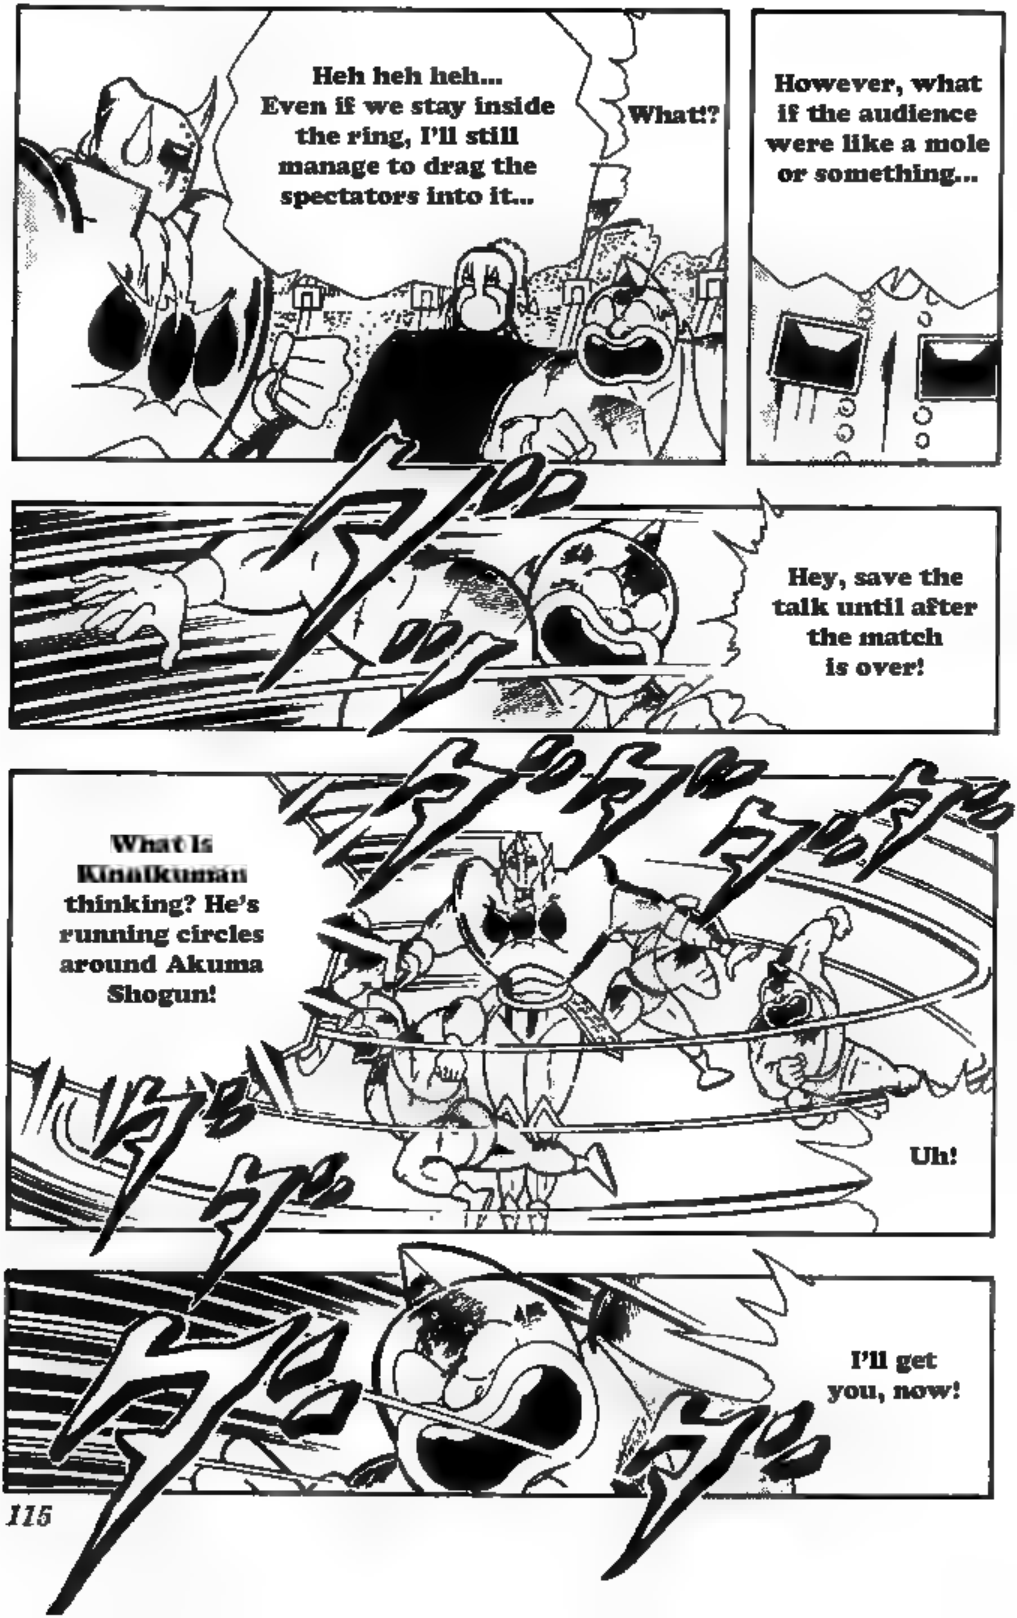


I do not mind a violent fight, but I will not allow a match that could harm the spectators outside the ring.
Aside from that rule, it's a rule-free deathmatch.

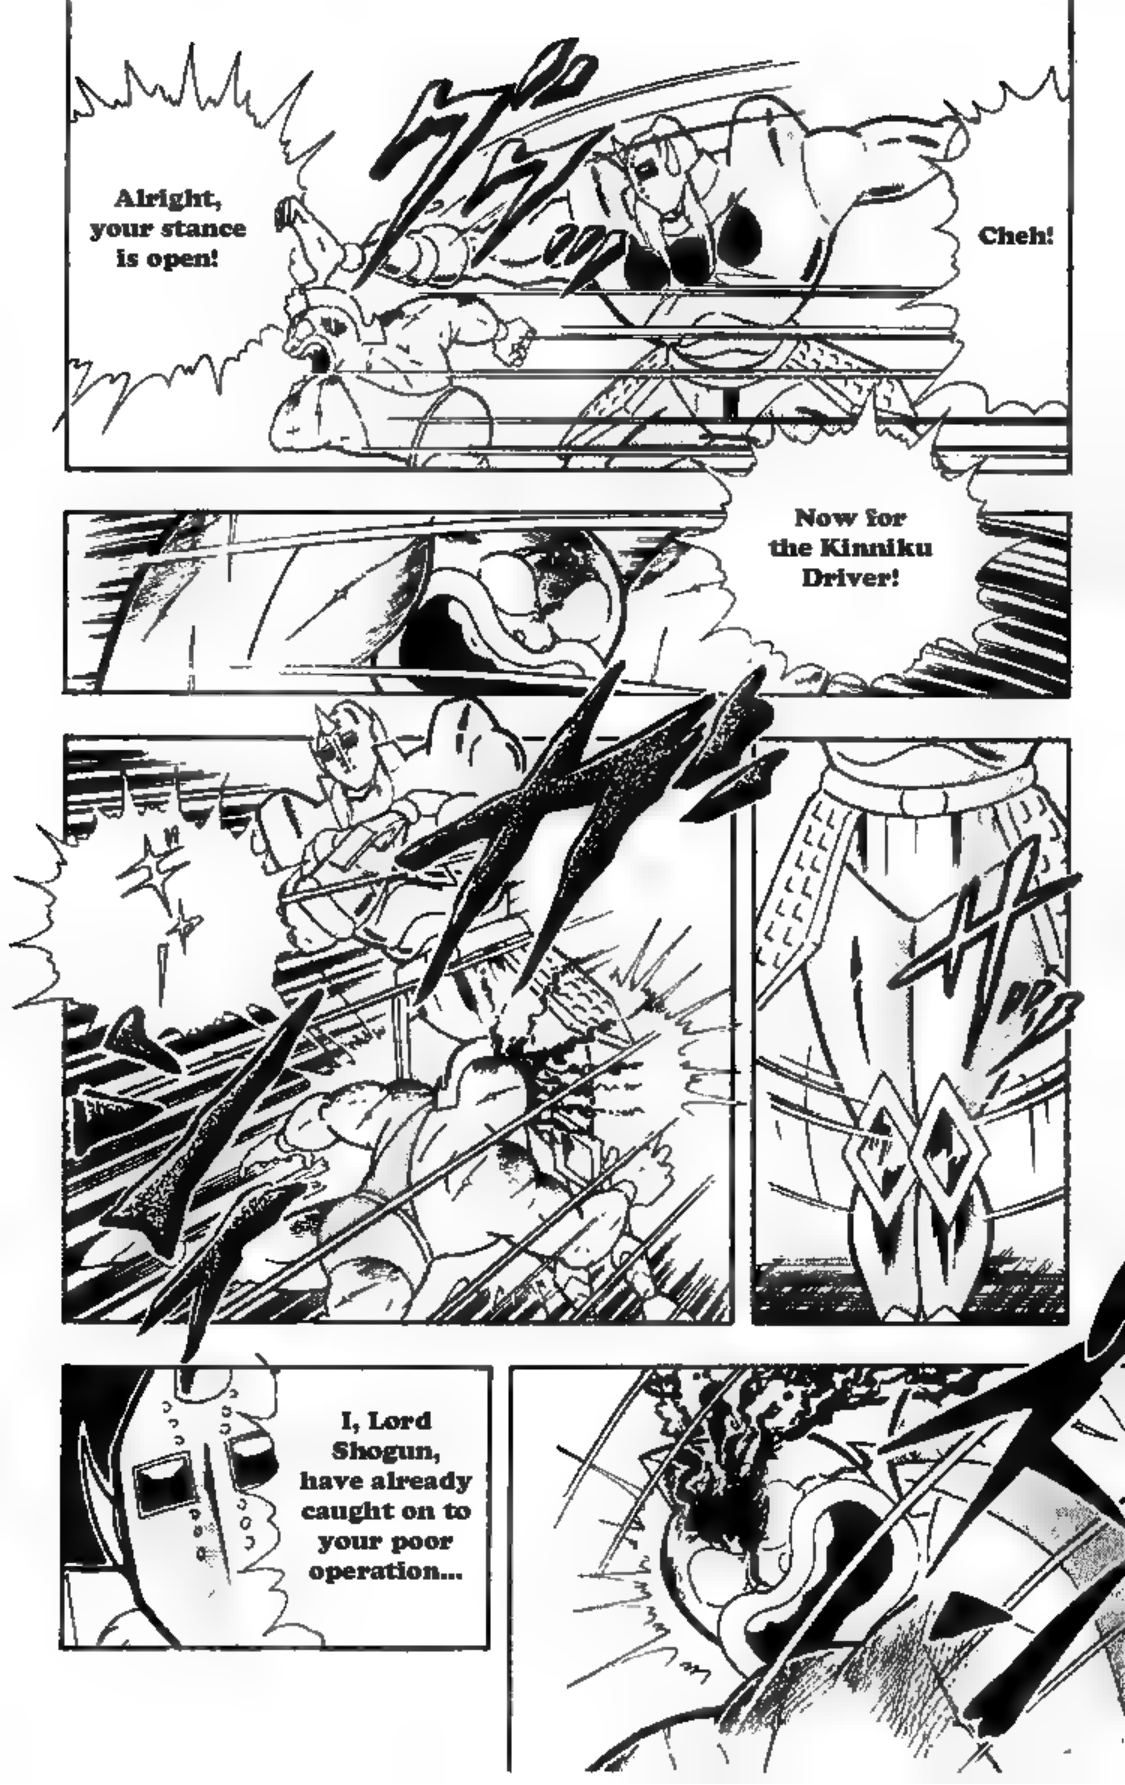


Soo
The location of the deathmatch is only inside of the ring, and weapons such as chairs and...
Uh...

You will both use only techniques released from your own bodies.
...forks can't be used.
I only want you both to fight with no regrets as representatives of Justice and Devil Chojin!
I support neither of you.
Alright. Kinnikuman, do you approve of me as the referee?
Hmph, I approve, Mongolman.
And you, Akuma Shogun?
Guhehehe... with Mongolman as referee, this match is in the bag! The two of use will work together to finish [illegible] Shogun!
I have no [illegible] refuse, so I'm okay with whatever you want.



Heh heh heh... Even if we stay inside the ring, I'll still manage to drag the spectators into it...
What!?
However, what if the audience were like a mole or something...
Hey, save the talk until after the match is over!
What is Kinnikuman thinking? He's running circles around Akuma Shogun!
Uh!
I'll get you, now!

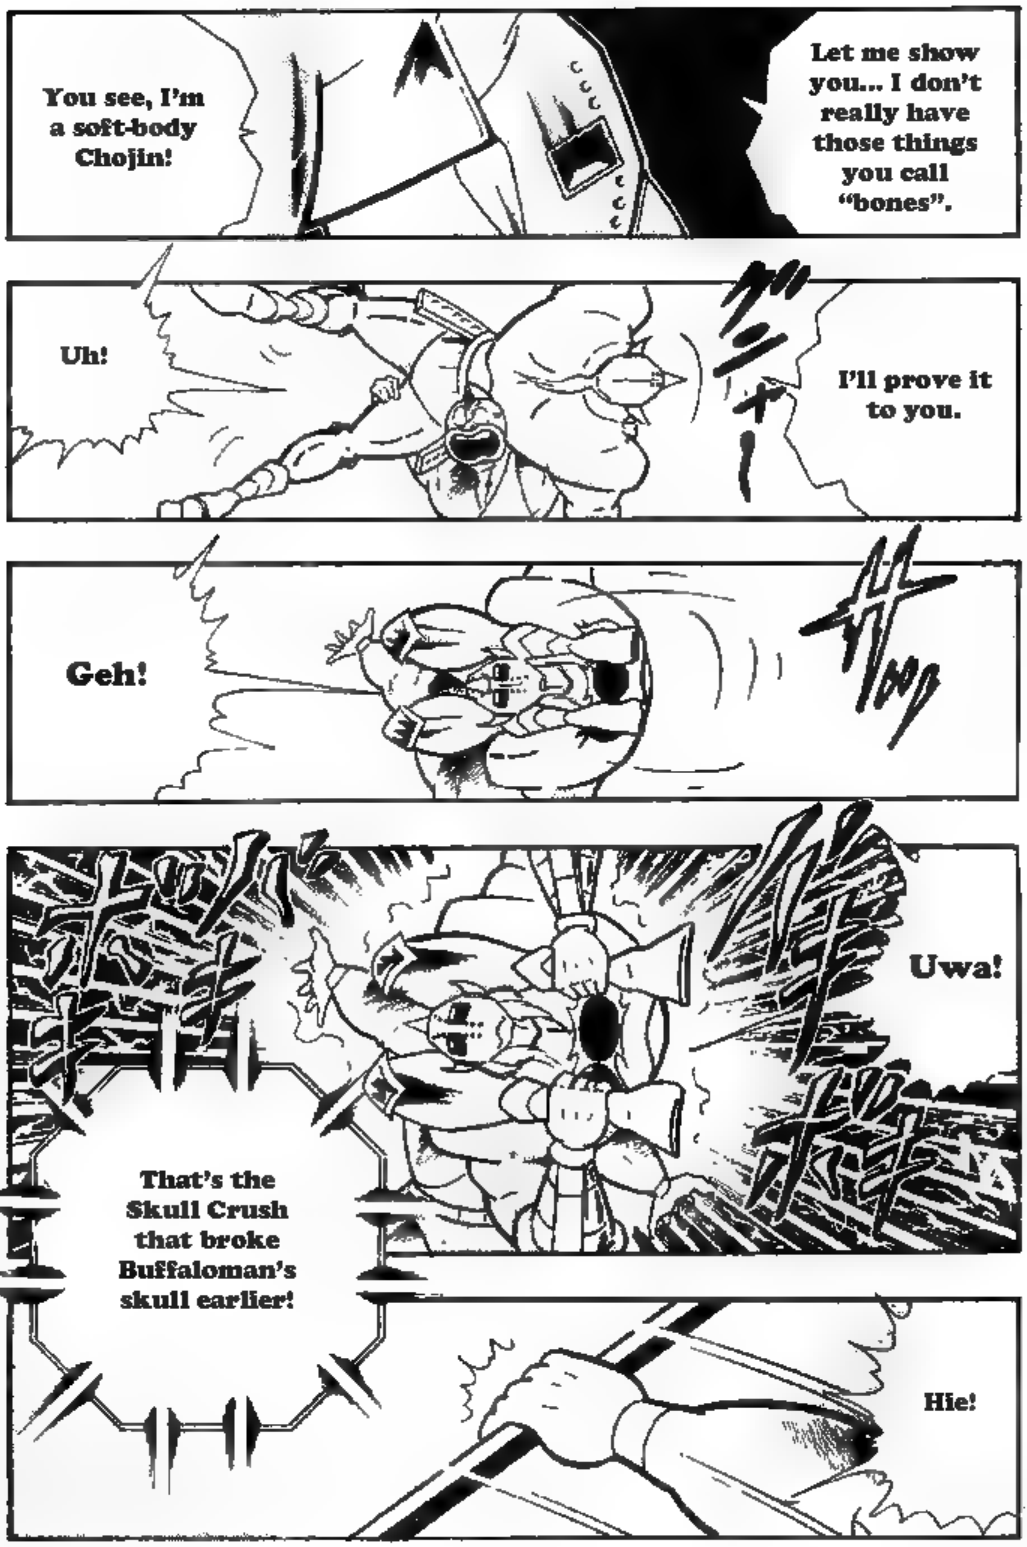


Alright, your stance is open!
Cheh!
Now for the Kinniku Driver!
I, Lord Shogun, have already caught on to your poor operation...

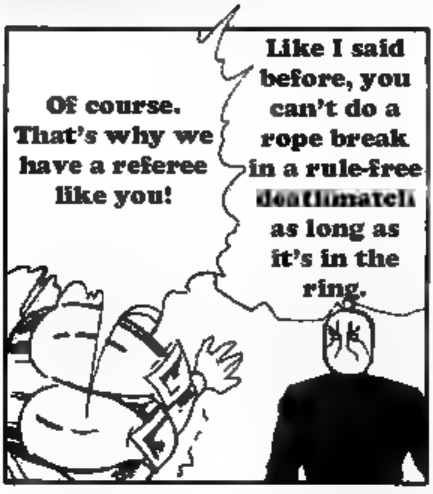
There, my legs are locked on! You're going down, Mister Shogun!
Uh!
Damn, so then...
Kinnikuman is sitting on Shogun's shoulders, unleashing an Elbow Storm!
Hiyah!
There's my chance!
Uuh!
Kinniku Driver!

Kinnikuman is thrown back again!
Alright, again!
Uwa-haha-hah!
Kinniku Driver!
Darn!
Ha ha ha!
Ha ha ha!

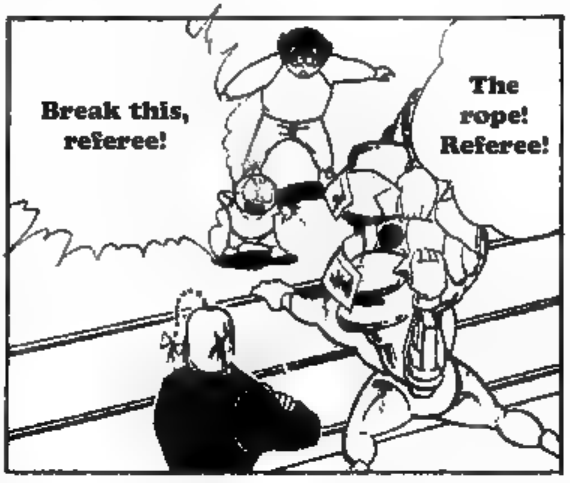
Yeah, but that and the Kinniku Buster are the only moves I can use against him! It's not my fault!
Kinnikuman, change your strategy! Akuma Shogun has already seen through the Kinniku Driver!
Kinnikuman, why do you keep messing with the Kinniku Driver?
Ow ...
Although he does have a point...
This is where I change up my pattern!
Guwahahaha! It's all the same to me... I'm the Chojin who can't feel pain!
What!?
Kinnikuman has Akuma Shogun in an Argentine
Uoooh!



You see, I'm a soft-body Chojin!
Let me show you... I don't really have those things you call "bones".
Uh!
I'll prove it to you.
Geh!
Uwa!
That's the Skull Crush that broke Buffaloman's skull earlier!
Hie!

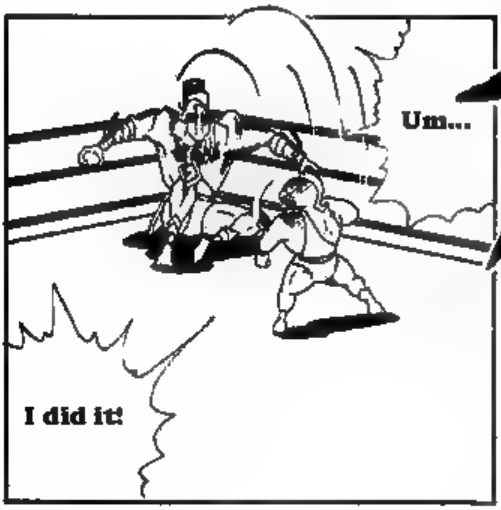


Like I said before, you can't do a rope break in a rule-free deathmatch as long as it's in the ring.
Of course. That's why we have a referee like you!



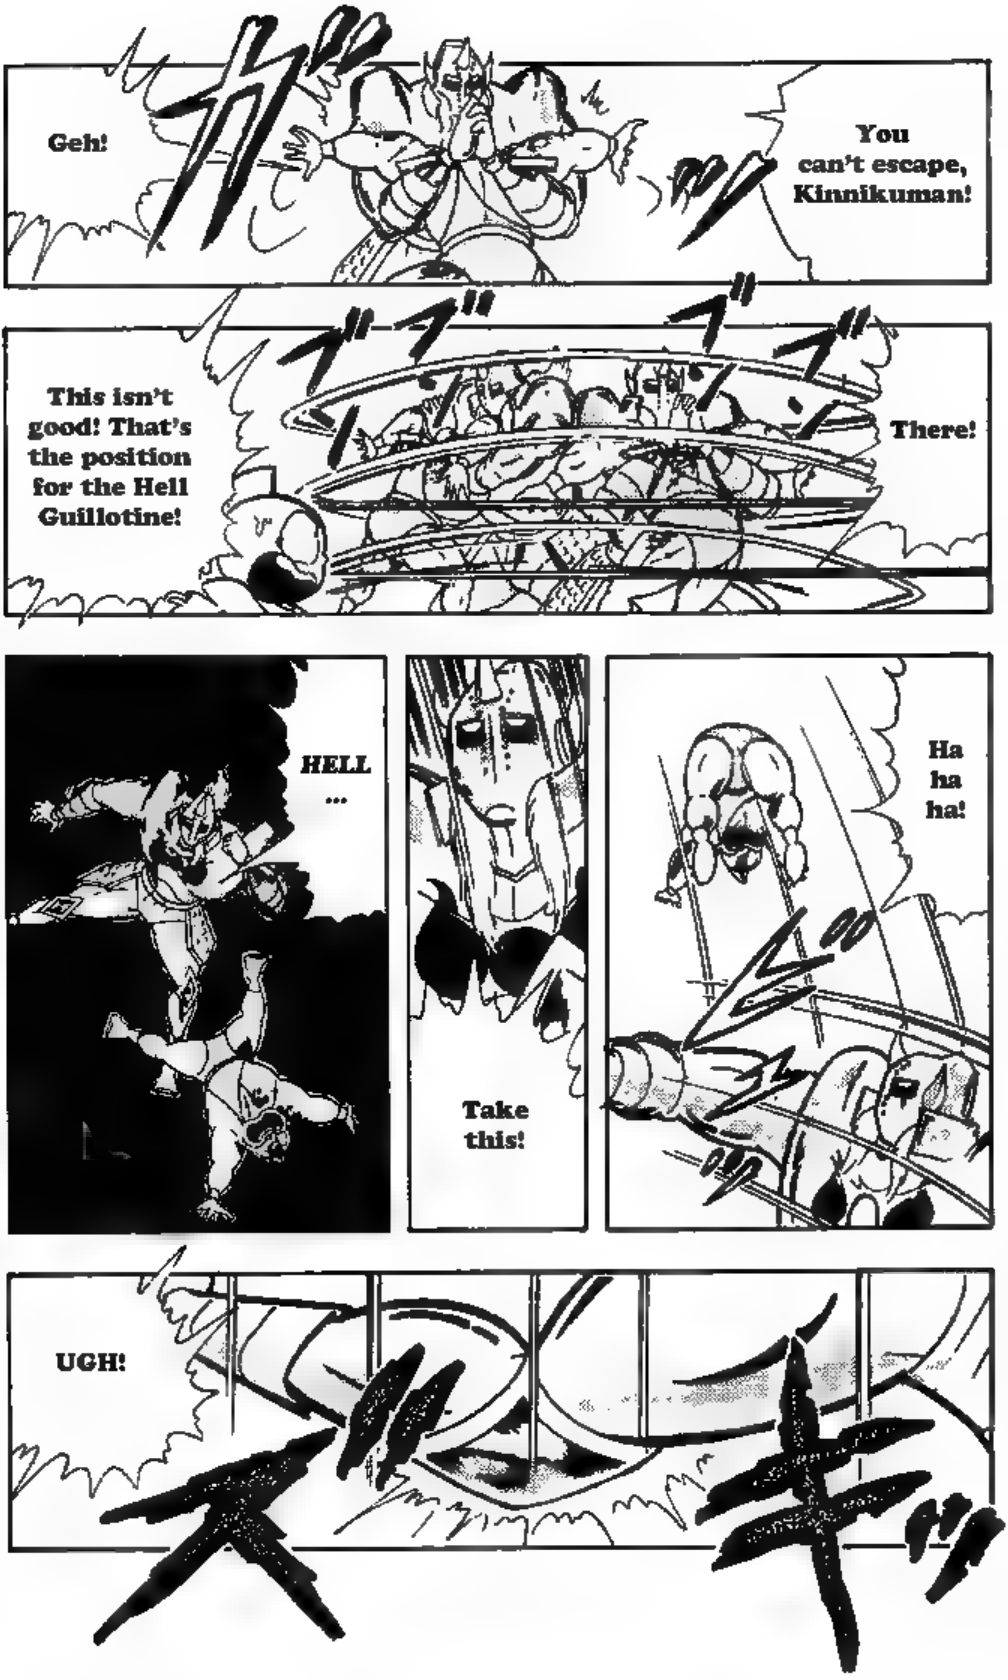
Break this, referee!
The rope! Referee!

Kinnikuman, it's dangerous to stay in that hold too long! Hit him against the pole!



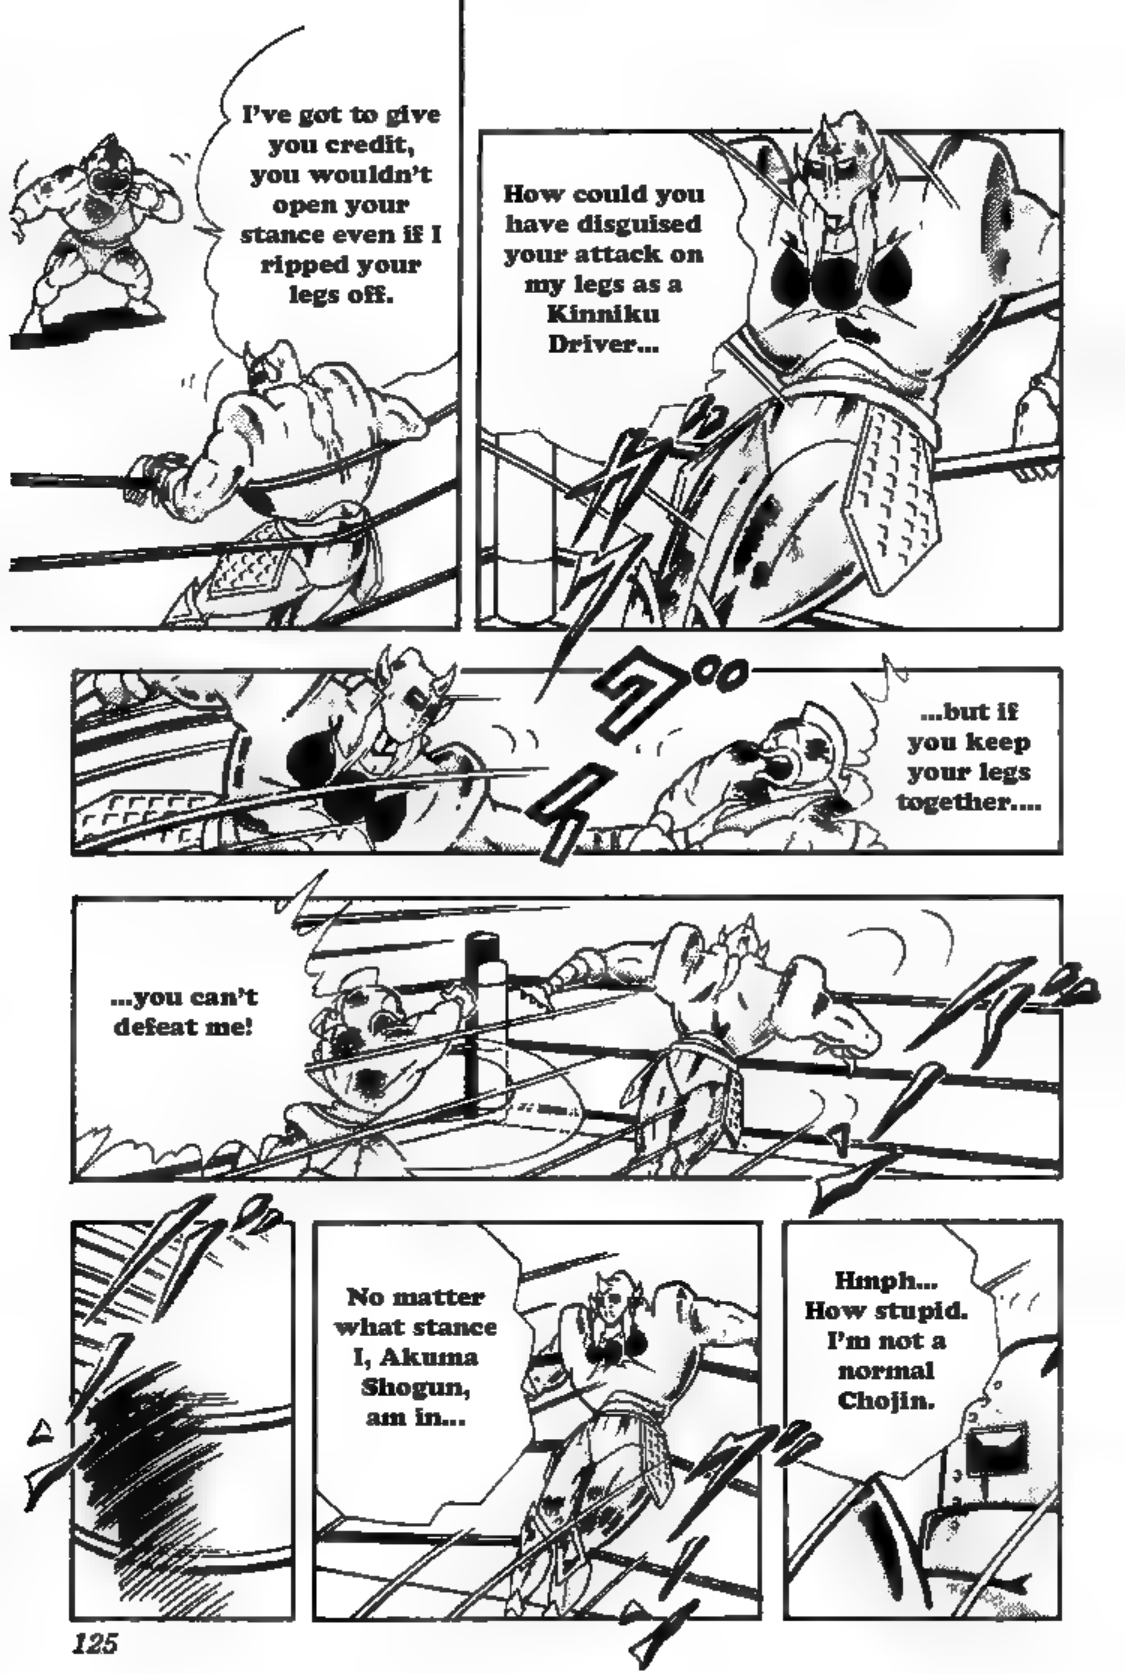
Um...
I did it!

Okay!



Geh!
You can't escape, Kinnikuman!
This isn't good! That's the position for the Hell Guillotine!
There!
HELL ...
Take this!
Ha ha ha!
UGH!

Kinnikuman's reversed the Hell Guillotine!
What's going on... I can't bend my knee...
I wan't trying to do the Kinniku Driver!
It's not futile!
Aah!
That's because you don't feel pain!
You didn't even notice that I broke your knee with all of those headbutts!



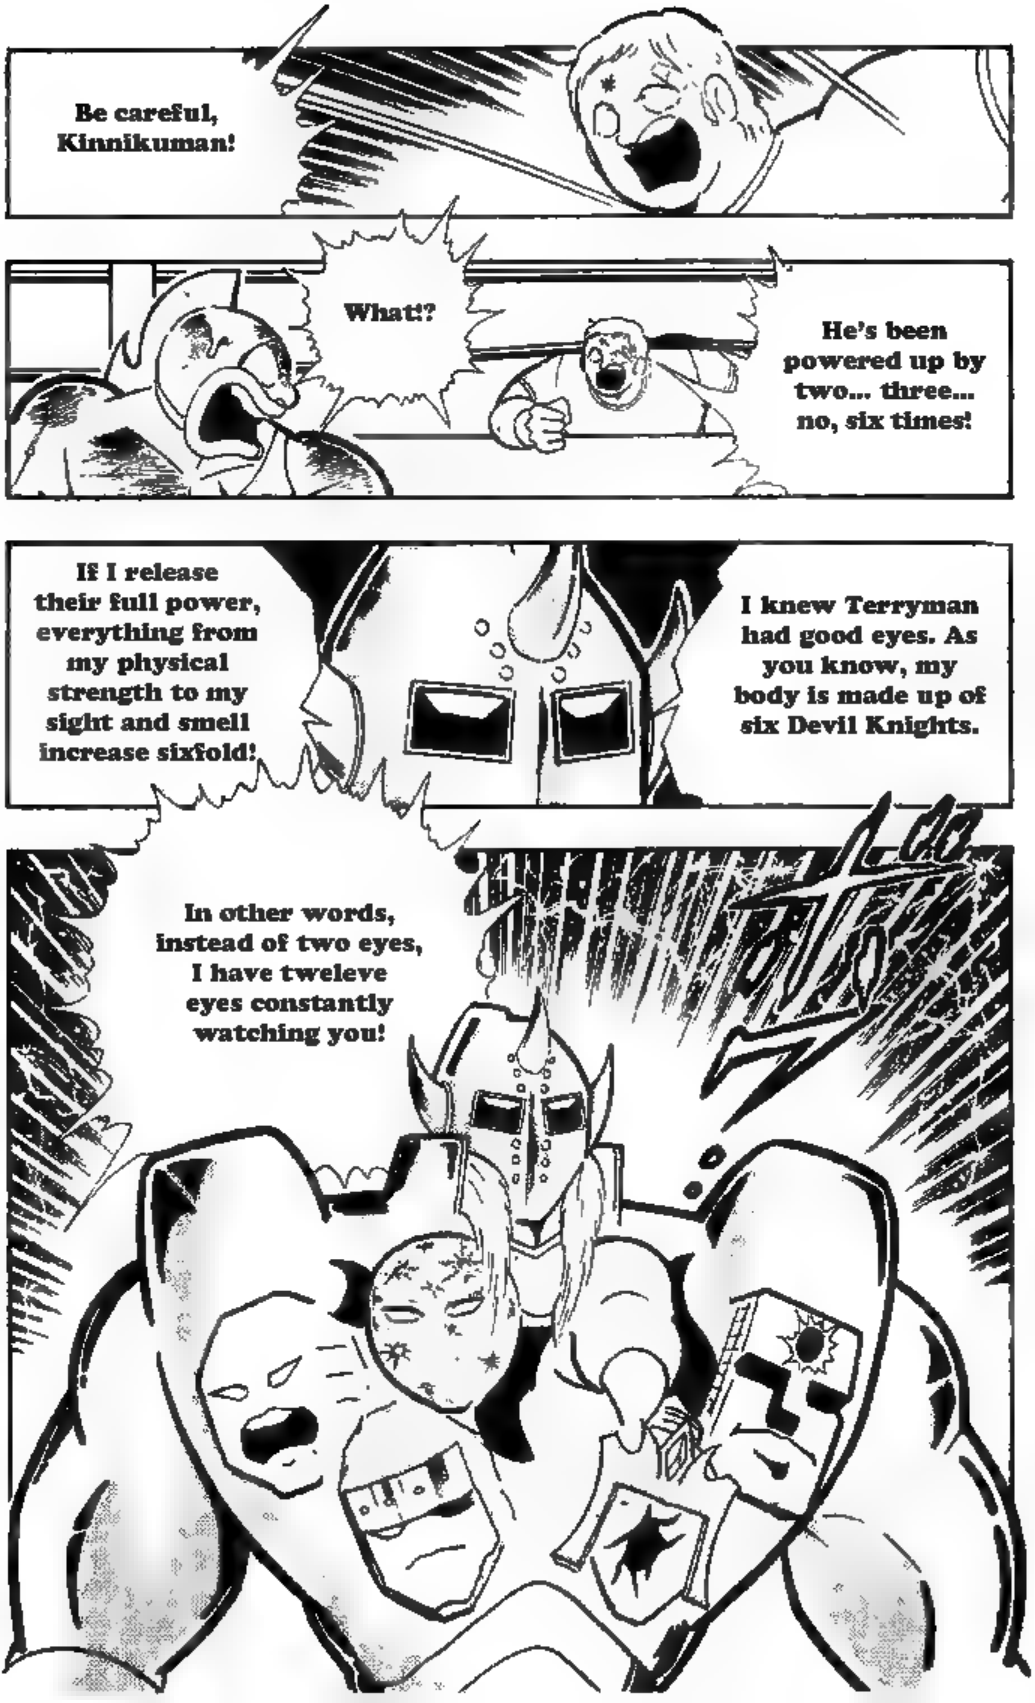
I've got to give you credit, you wouldn't open your stance even if I ripped your legs off.
How could you have disguised your attack on my legs as a Kinniku Driver...
...but if you keep your legs together....
...you can't defeat me!
No matter what stance I, Akuma Shogun, am in...
Hmph... How stupid. I'm not a normal Chojin.

Golden Mask Arc 41

Soft-Body Chojin!

A Team Kinniku Release

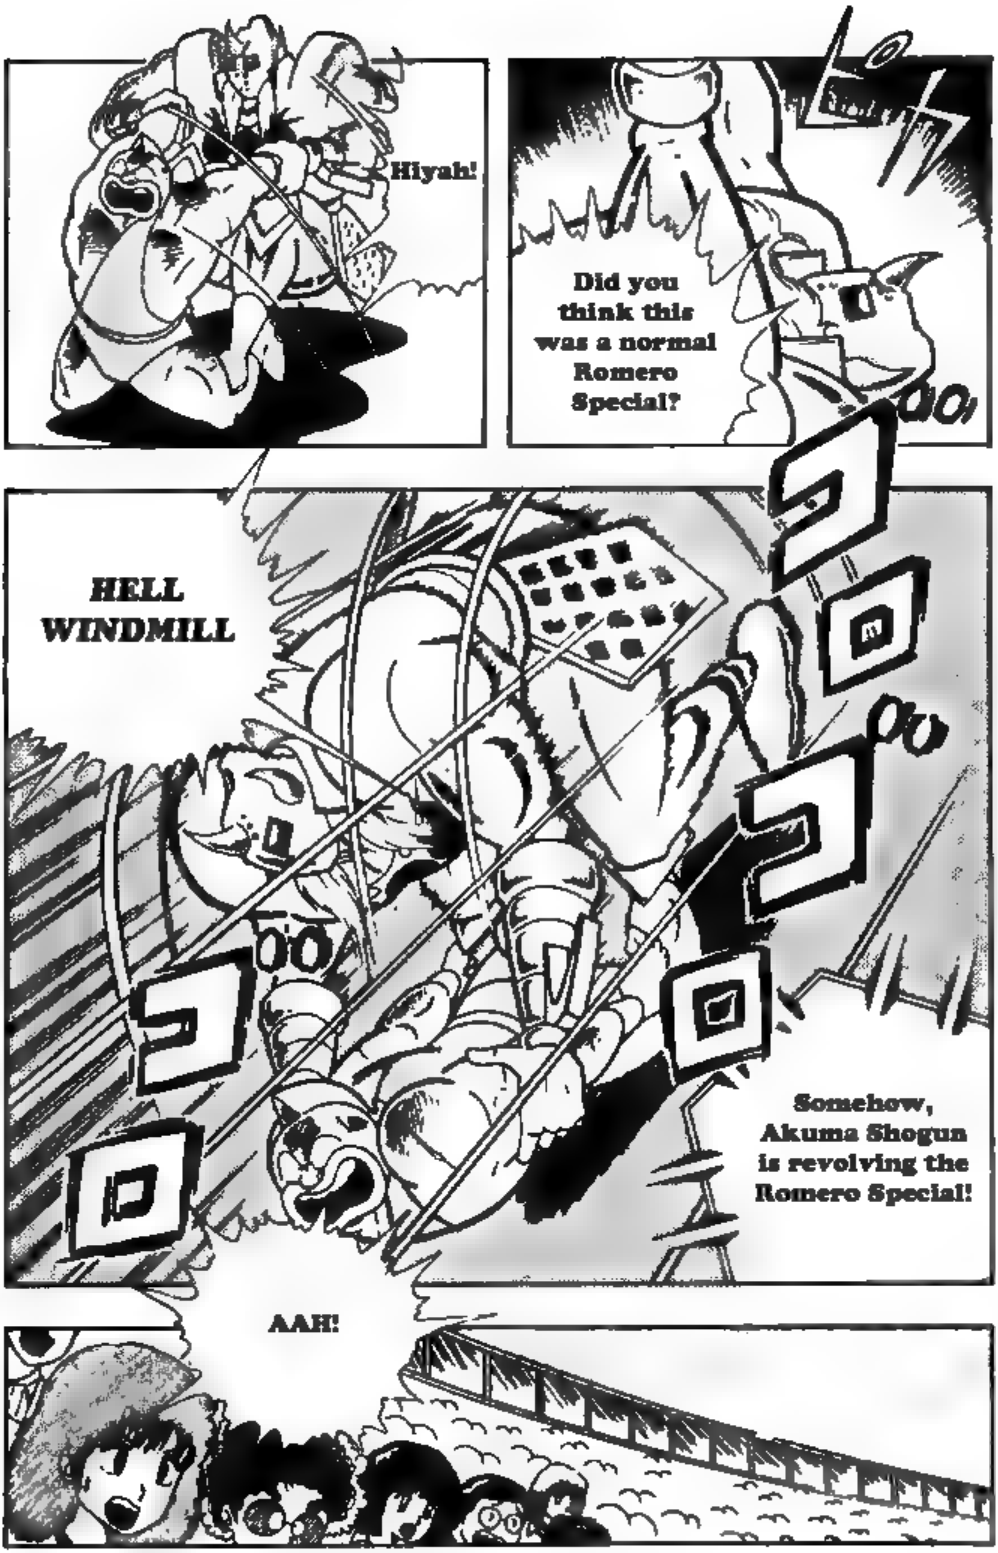
Playtime is over.
Why you...
Hmph!
Geh! His legs are fixed!



Be careful, Kinnikuman!
What!?
He's been powered up by two... three... no, six times!
If I release their full power, everything from my physical strength to my sight and smell increase sixfold!
I knew Terryman had good eyes. As you know, my body is made up of six Devil Knights.
In other words, instead of two eyes, I have tweleve eyes constantly watching you!

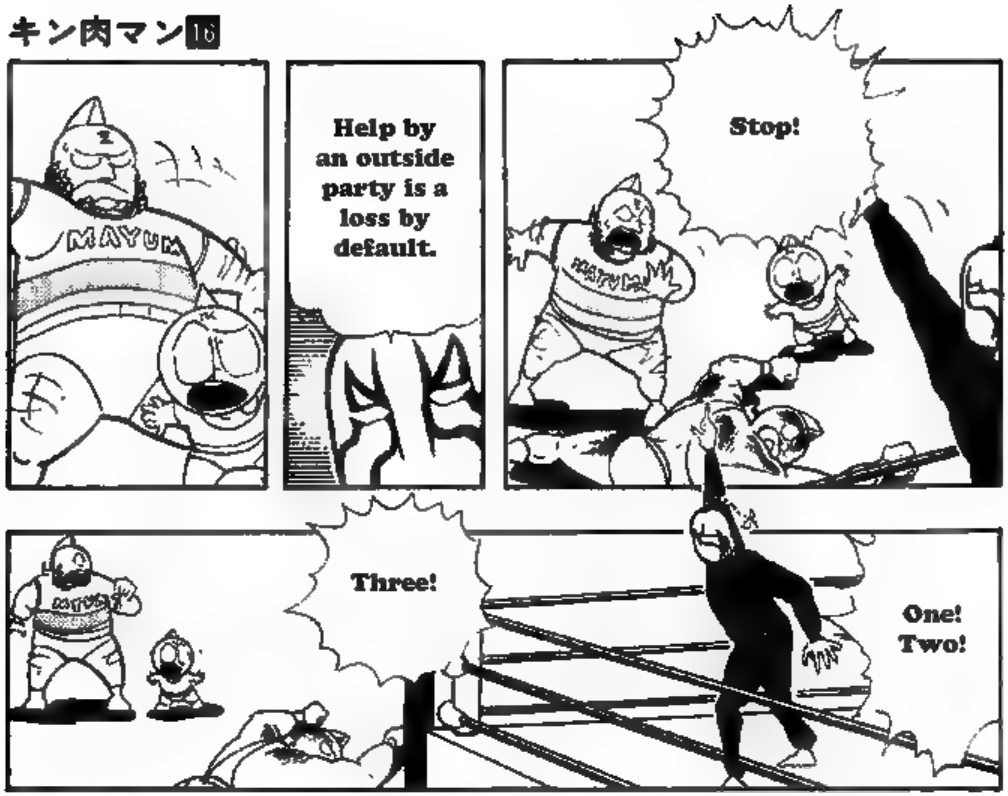
Geh!
One part is in charge!
It's all one being!
No, you're wrong, Kinnikuman. Even though they're all fused, the one releasing this power...
This is just like fighting all six Devil Knights alone! I can't win!
His head!
So, how will you do it?
You can't escape! I'll break you from the neck up!
Okay!
Kinnikuman has caught Shogun in a Front Headlock!

This is the power of soft-body Chojin, Akuma Shogun!
That's crazy! He escaped from such a tiny opening!
If my head isn't being held, I can escape from even the smallest space!
You're a devil but still using such a poor move?
Akuma Shogun has Kinnikuman in a Romero Special!



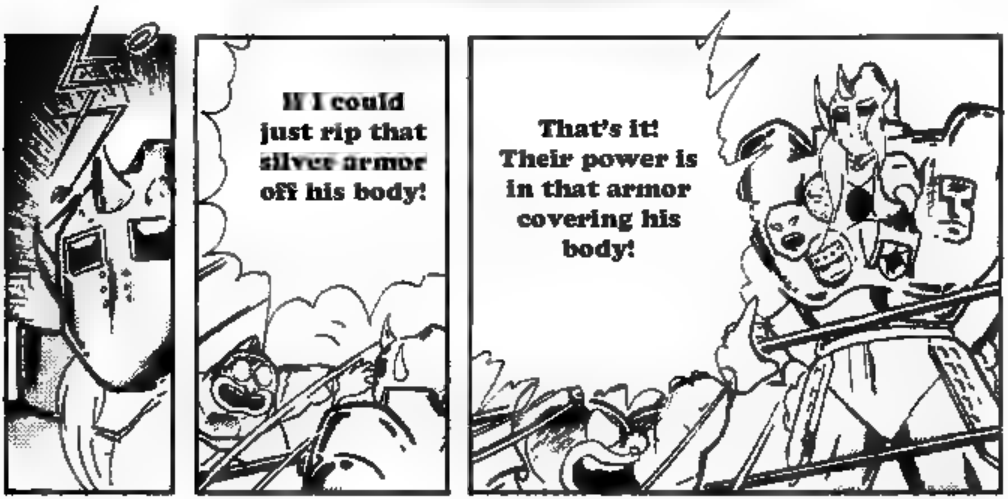
Hiyah!
Did you think this was a normal Romero Special?
HELL WINDMILL
Somehow, Akuma Shogun is revolving the Romero Special!
AAH!

Owa!
Wait, you're not allowed to fight outside of the ring.
Prince!
You can't relax just because you're out of the ring!



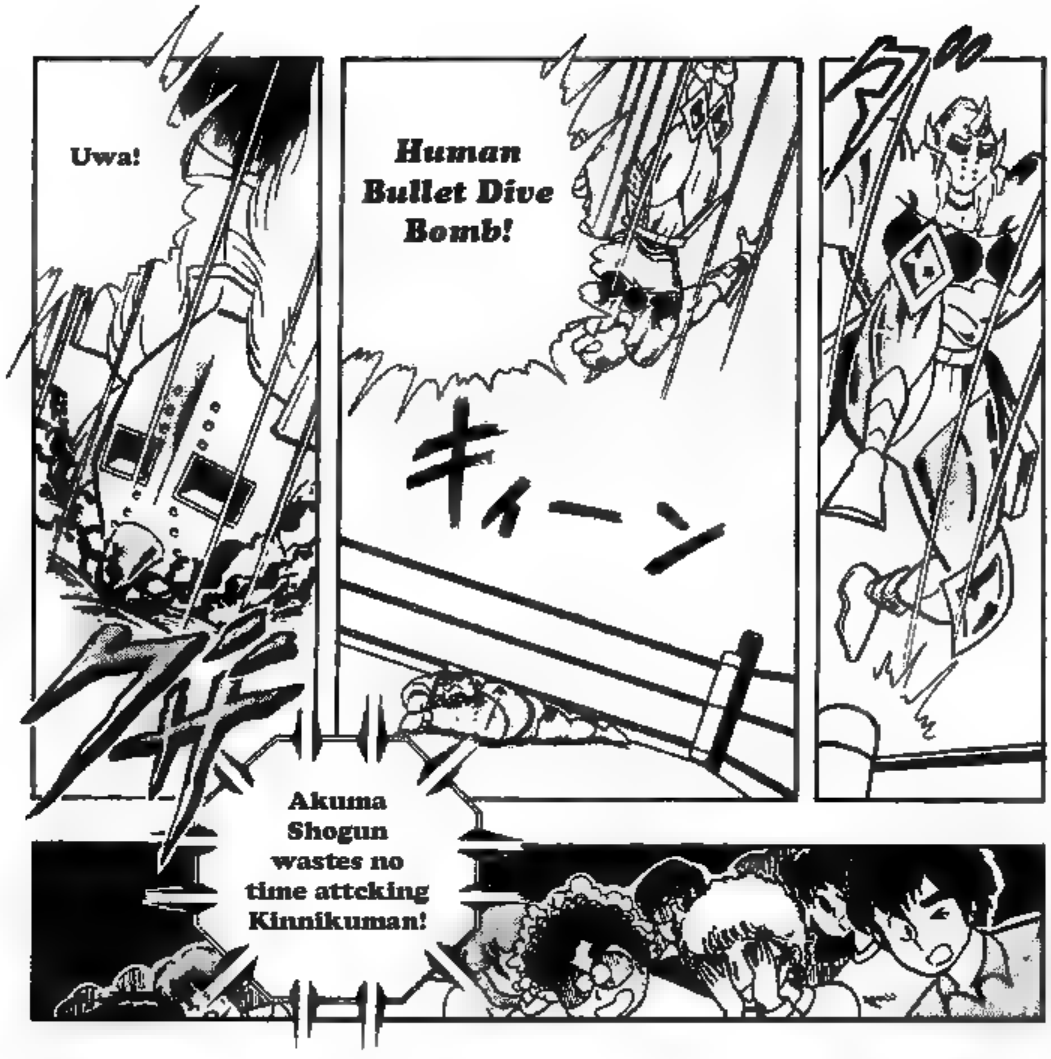
MAYUM
Help by an outside party is a loss by default.
Stop!
Three!
One! Two!

If only I had a way to seperate their power from him...
I can't win head-on against Shogun's power of six Devil Knights!

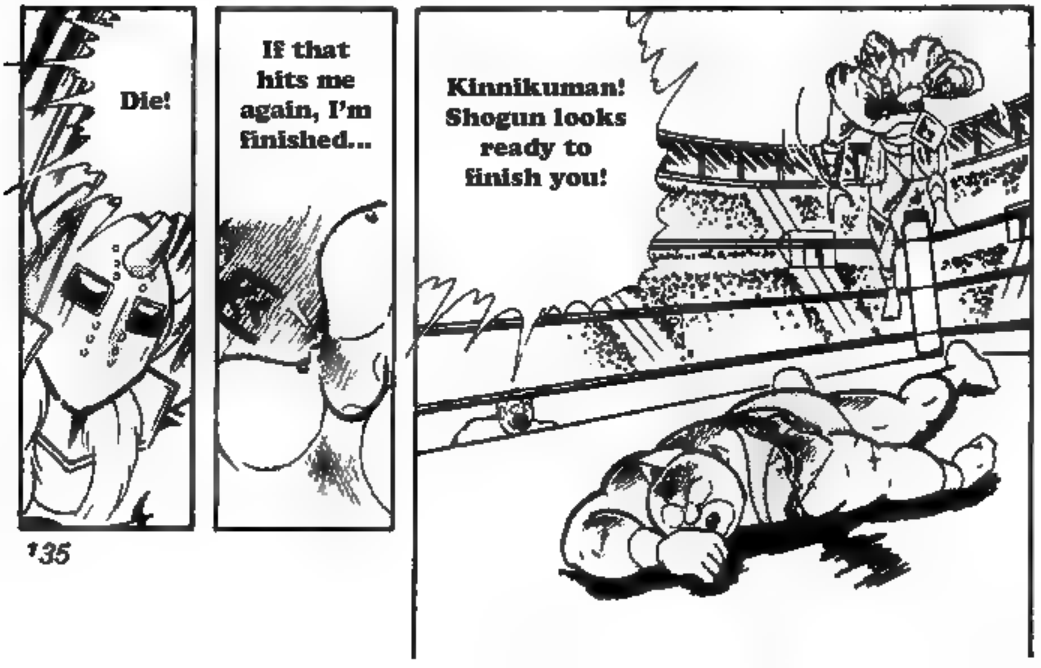


If I could just rip that silver armor off his body!
That's it! Their power is in that armor covering his body!

The six Knights' arms have grabbed Kinnikuman's body!
Uh!
...and have thrown him with a Front Suplex!
It's not impossible. I do have one last idea, but I don't know if I'm ready to use that technique...
So it's impossible to remove the armor and expose his true form!?
The Six Devil Knights are living inside Shogun's Armor!



Uwa!
Human Bullet Dive Bomb!
キィーン
Akuma Shogun wastes no time attcking Kinnikuman!

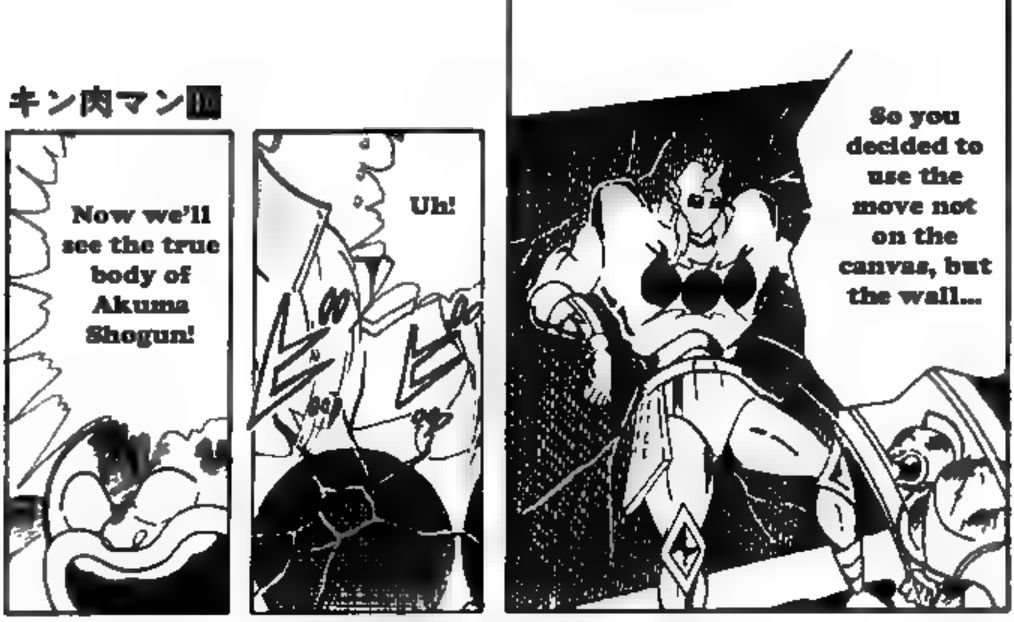


Die!
If that hits me again, I'm finished...
Kinnikuman! Shogun looks ready to finish you!

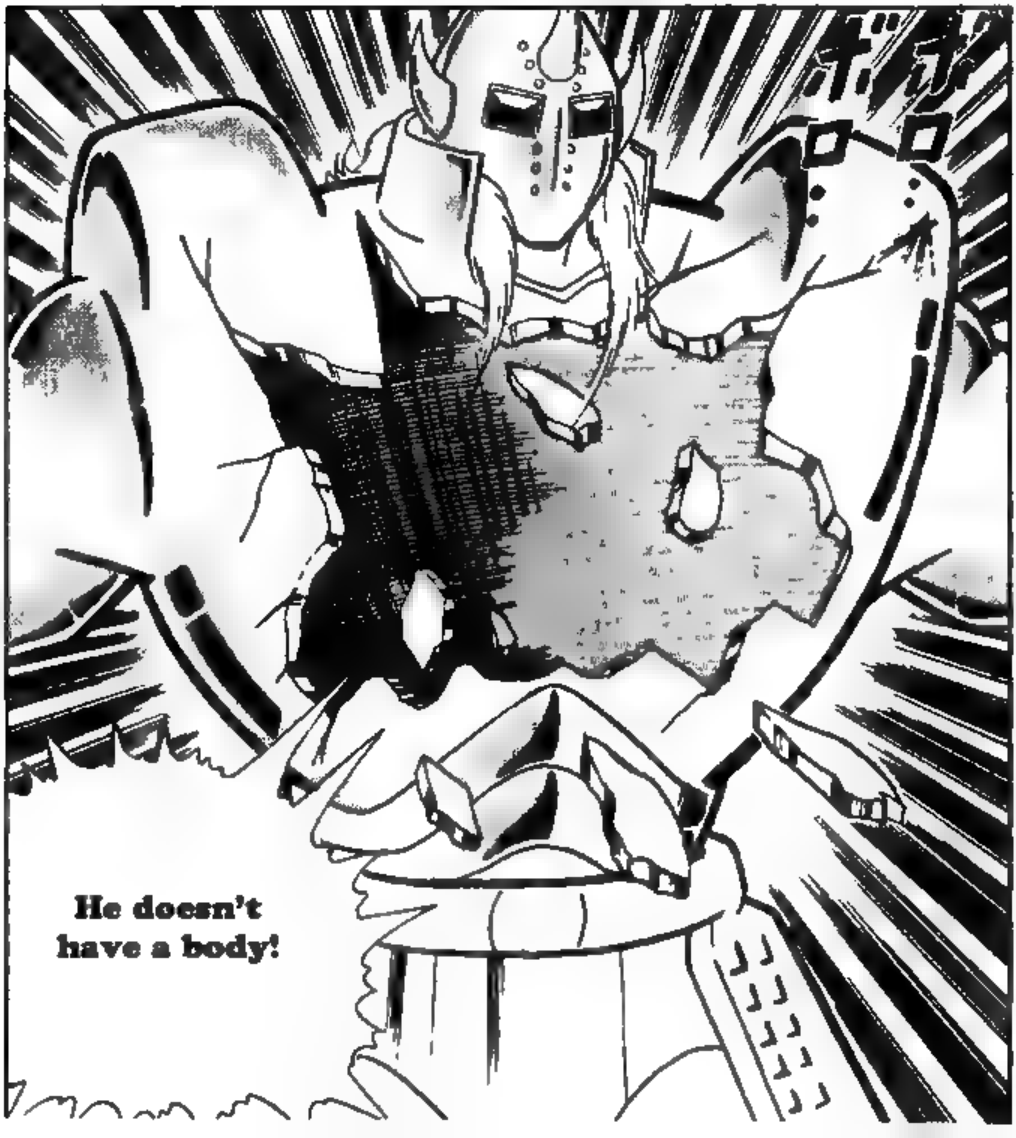
I have to use that technique!
It's the Kinniku Buster!
Heh heh heh... Do you really think this relic will help you carry out your plan?
Stop that! I know you don't have anything else, but it's dangerous to use a move with so many reversals!
Kinnikuman is setting up a Kinniku Buster, which Ashuraman has already defeated for Akuma Shogun!

If you think this is just a Kinniku Buster...
I know what I'm doing, Akuma Shogun.
Oh!
Ha ha ha. What do you mean? This is the same old Kinniku Buster.
Well that's true...
...then you're going to regret that!
...for the most part!

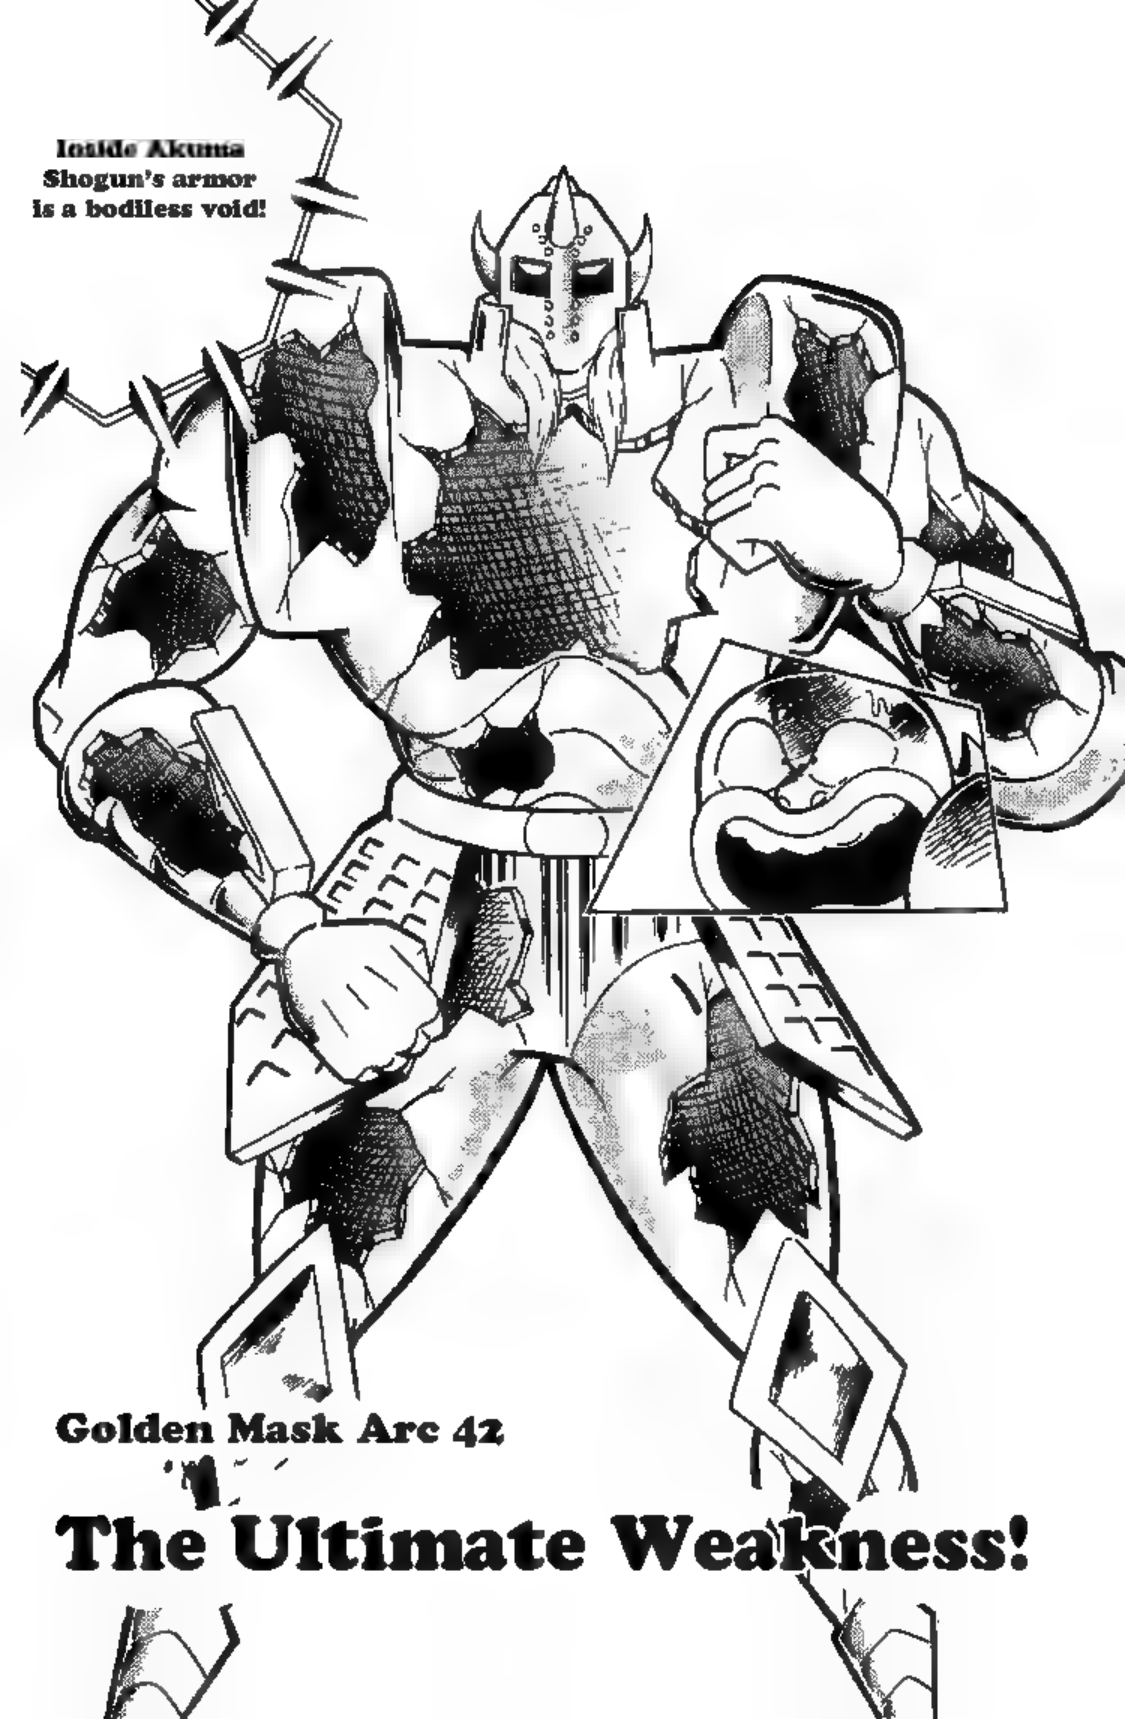
It's a Sideways Kinniku Buster!
Kinnikuman is flying sideways above the ground!



Now we'll see the true body of Akuma Shogun!
Uh!
So you decided to use the move not on the canvas, but the wall...

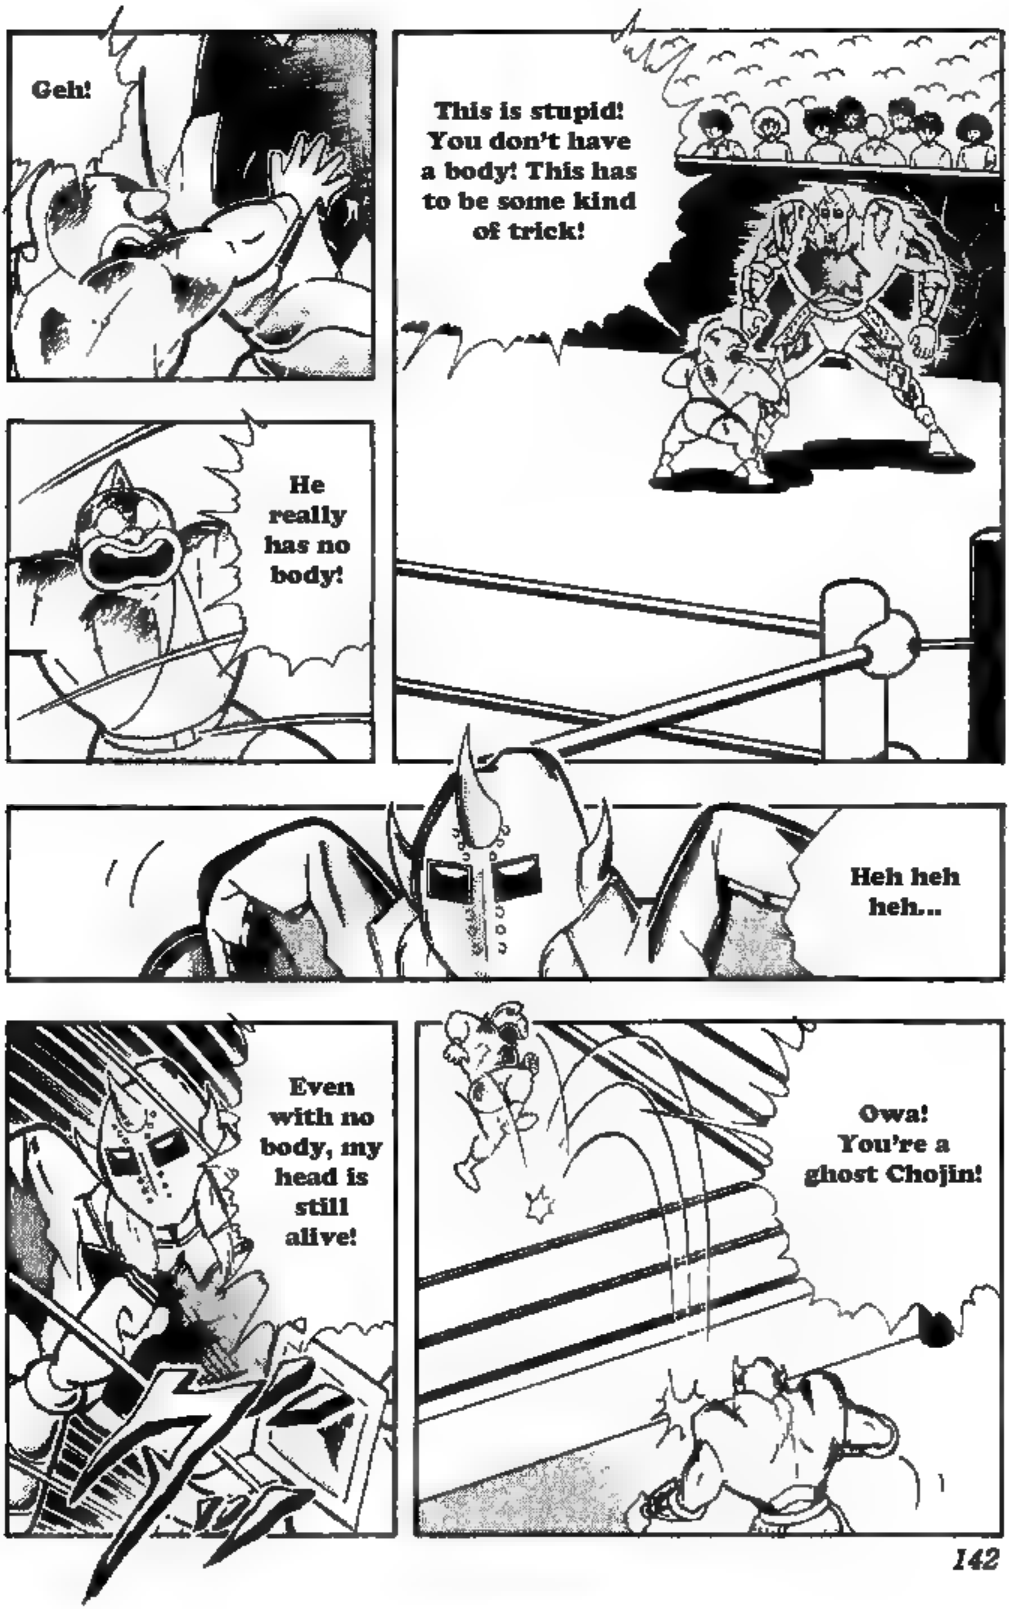


He doesn't have a body!



Golden Mask Arc 42

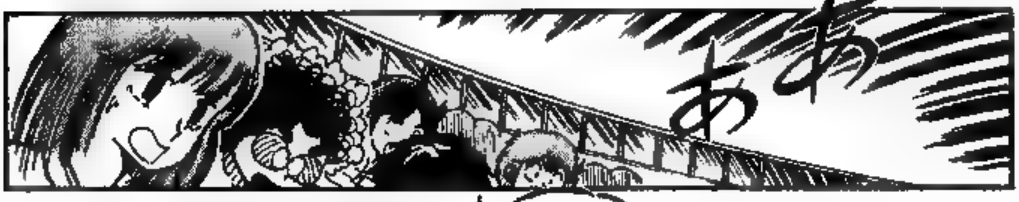
The Ultimate Weakness!



Geh!
This is stupid! You don't have a body! This has to be some kind of trick!
He really has no body!
Heh heh heh...
Even with no body, my head is still alive!
Owa! You're a ghost Chojin!

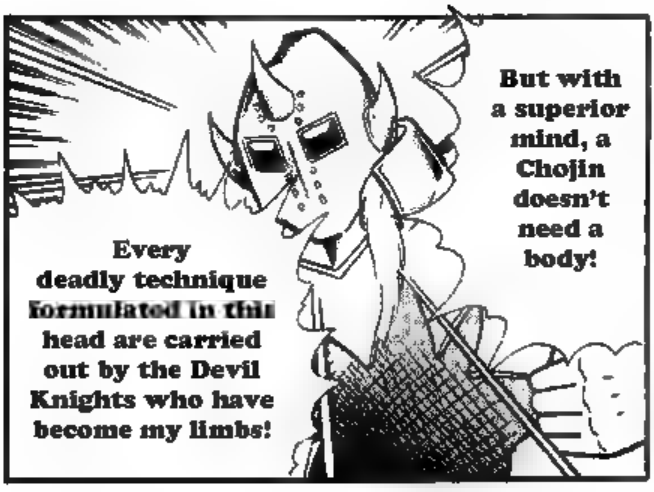
This is intense! Kinnikuman has Akuma Shogun in a Bear Hug!
Heh heh... constricting moves are useless against someone with no body!
Uwaaa!
Even so...
Geh!
Wahahaha! Since I have no body, no amount of force will work on me!
Awawa!

Awa!
Akuma Shogun has escaped from Kinnikuman's Bear Hug!
Geh!



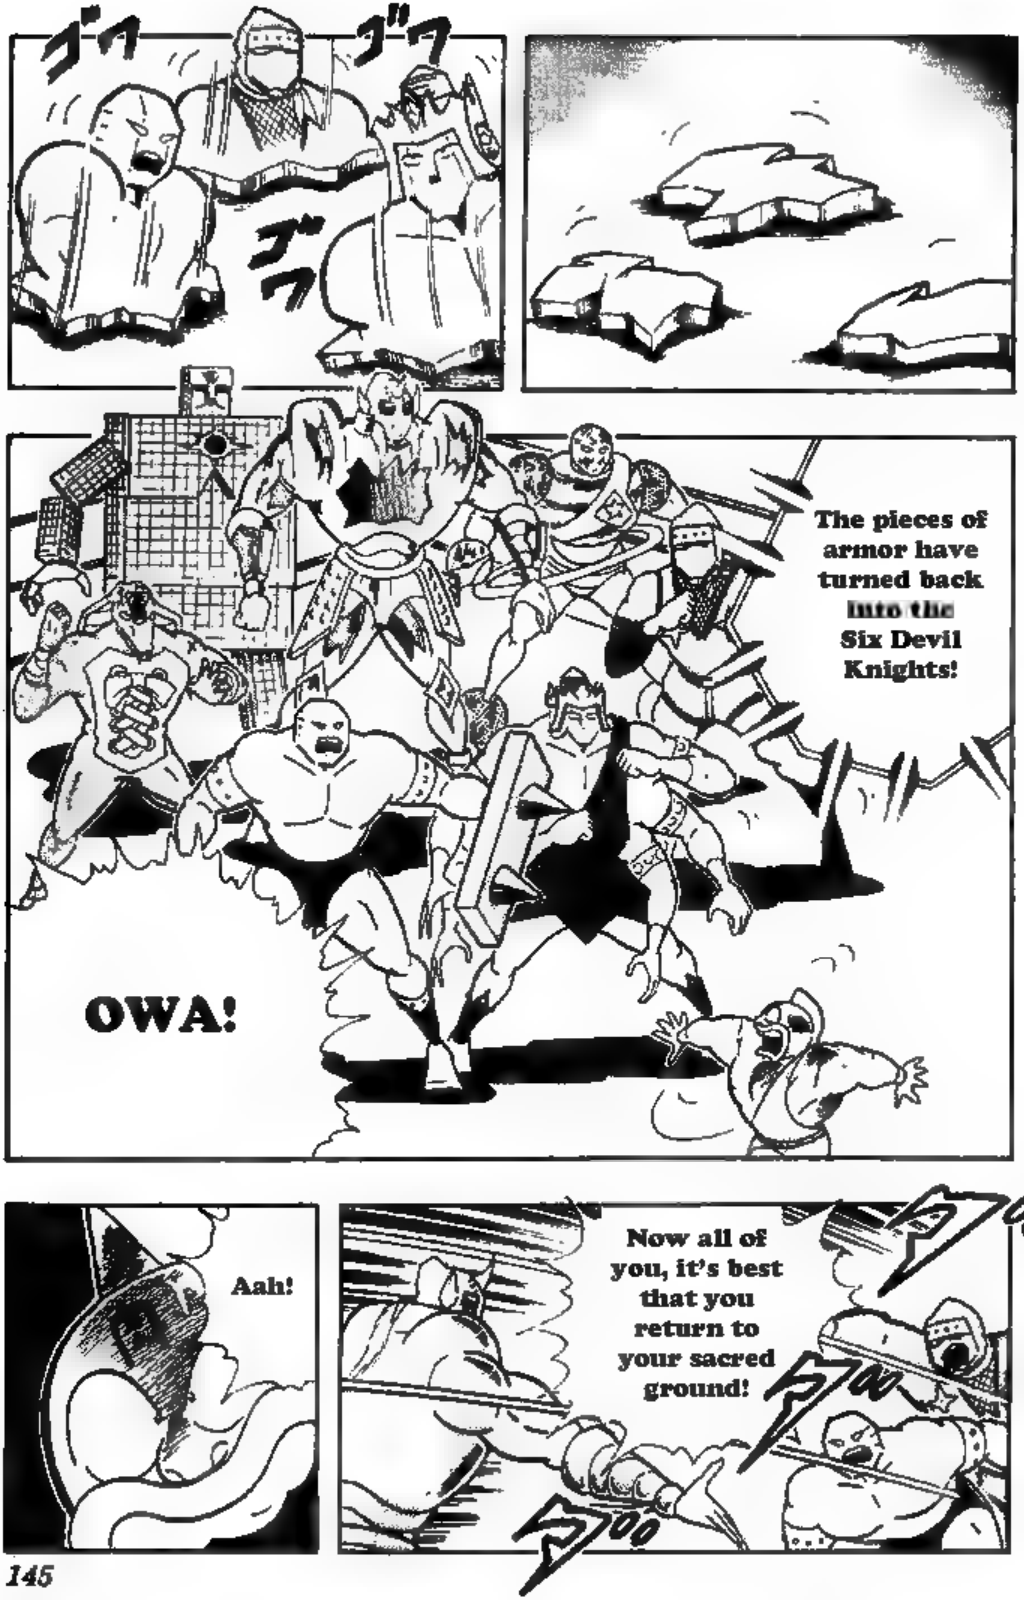
あぁ

That's why he can make his body soft like rubber and doesn't feel pain!
Of course! Akuma Shogun is a Chojin without a physical form!

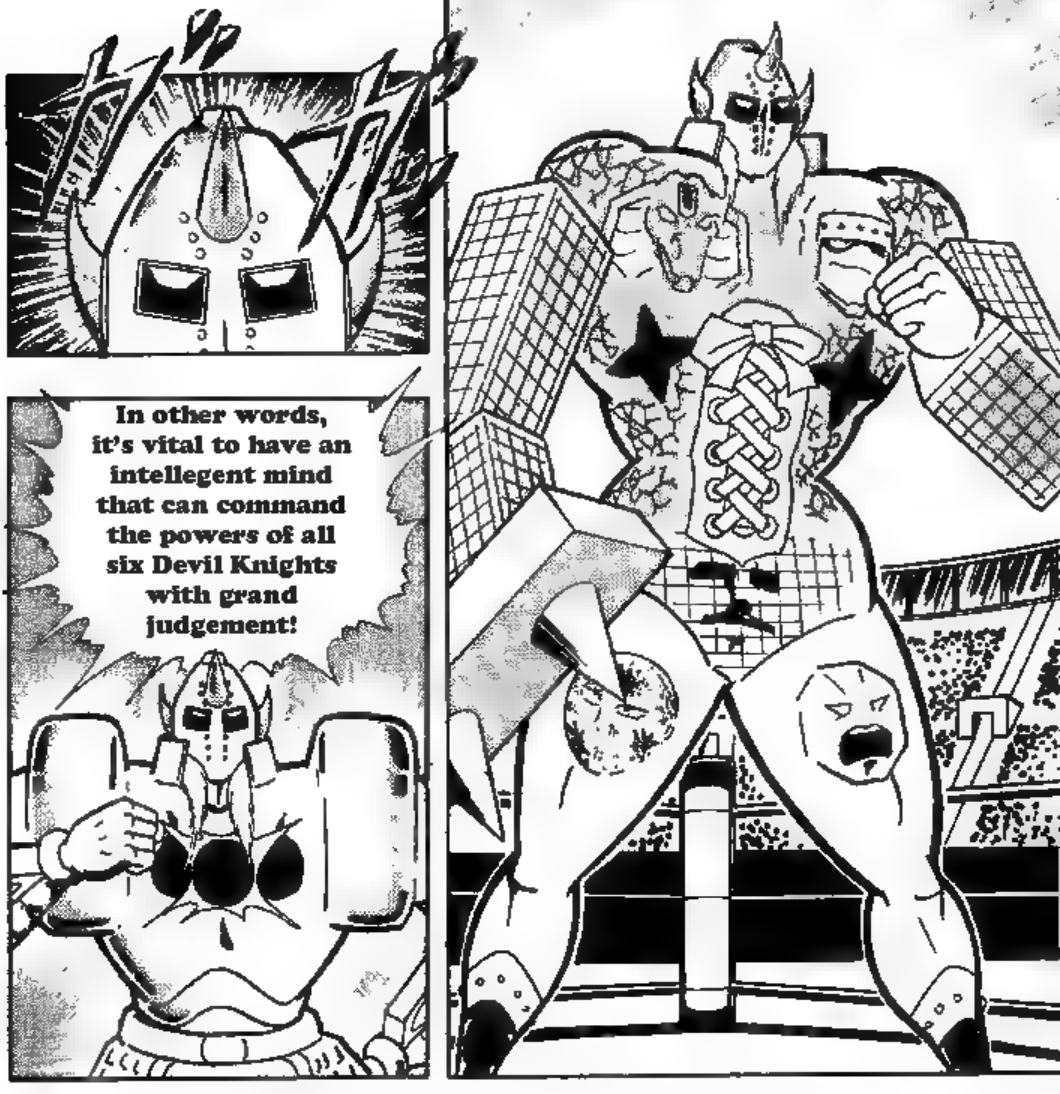


Every deadly technique formulated in this head are carried out by the Devil Knights who have become my limbs!
But with a superior mind, a Chojin doesn't need a body!

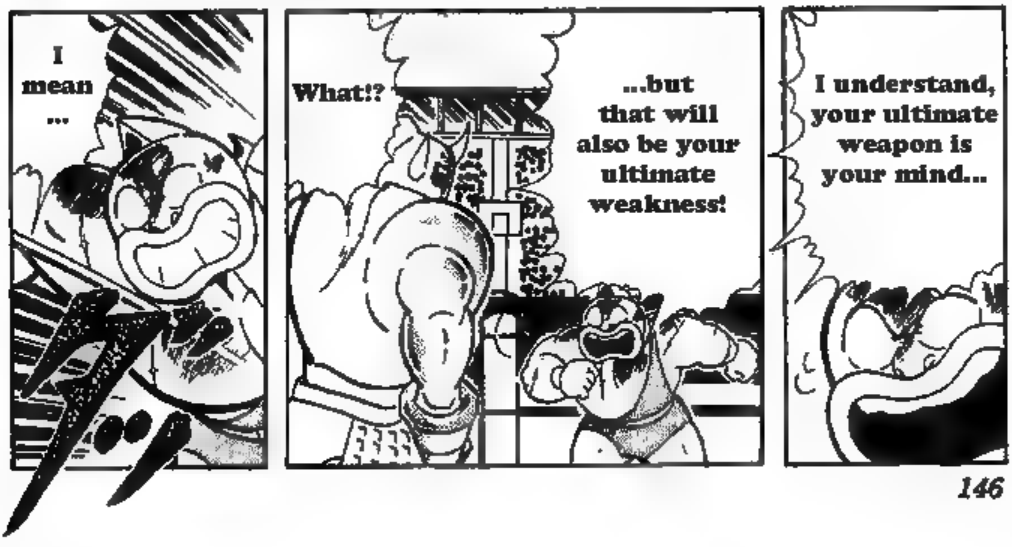
It comes at the price of being only a head.



ゴゴ
ゴゴ
ゴゴ
The pieces of armor have turned back into the Six Devil Knights!
OWA!
Aah!
Now all of you, it's best that you return to your sacred ground!

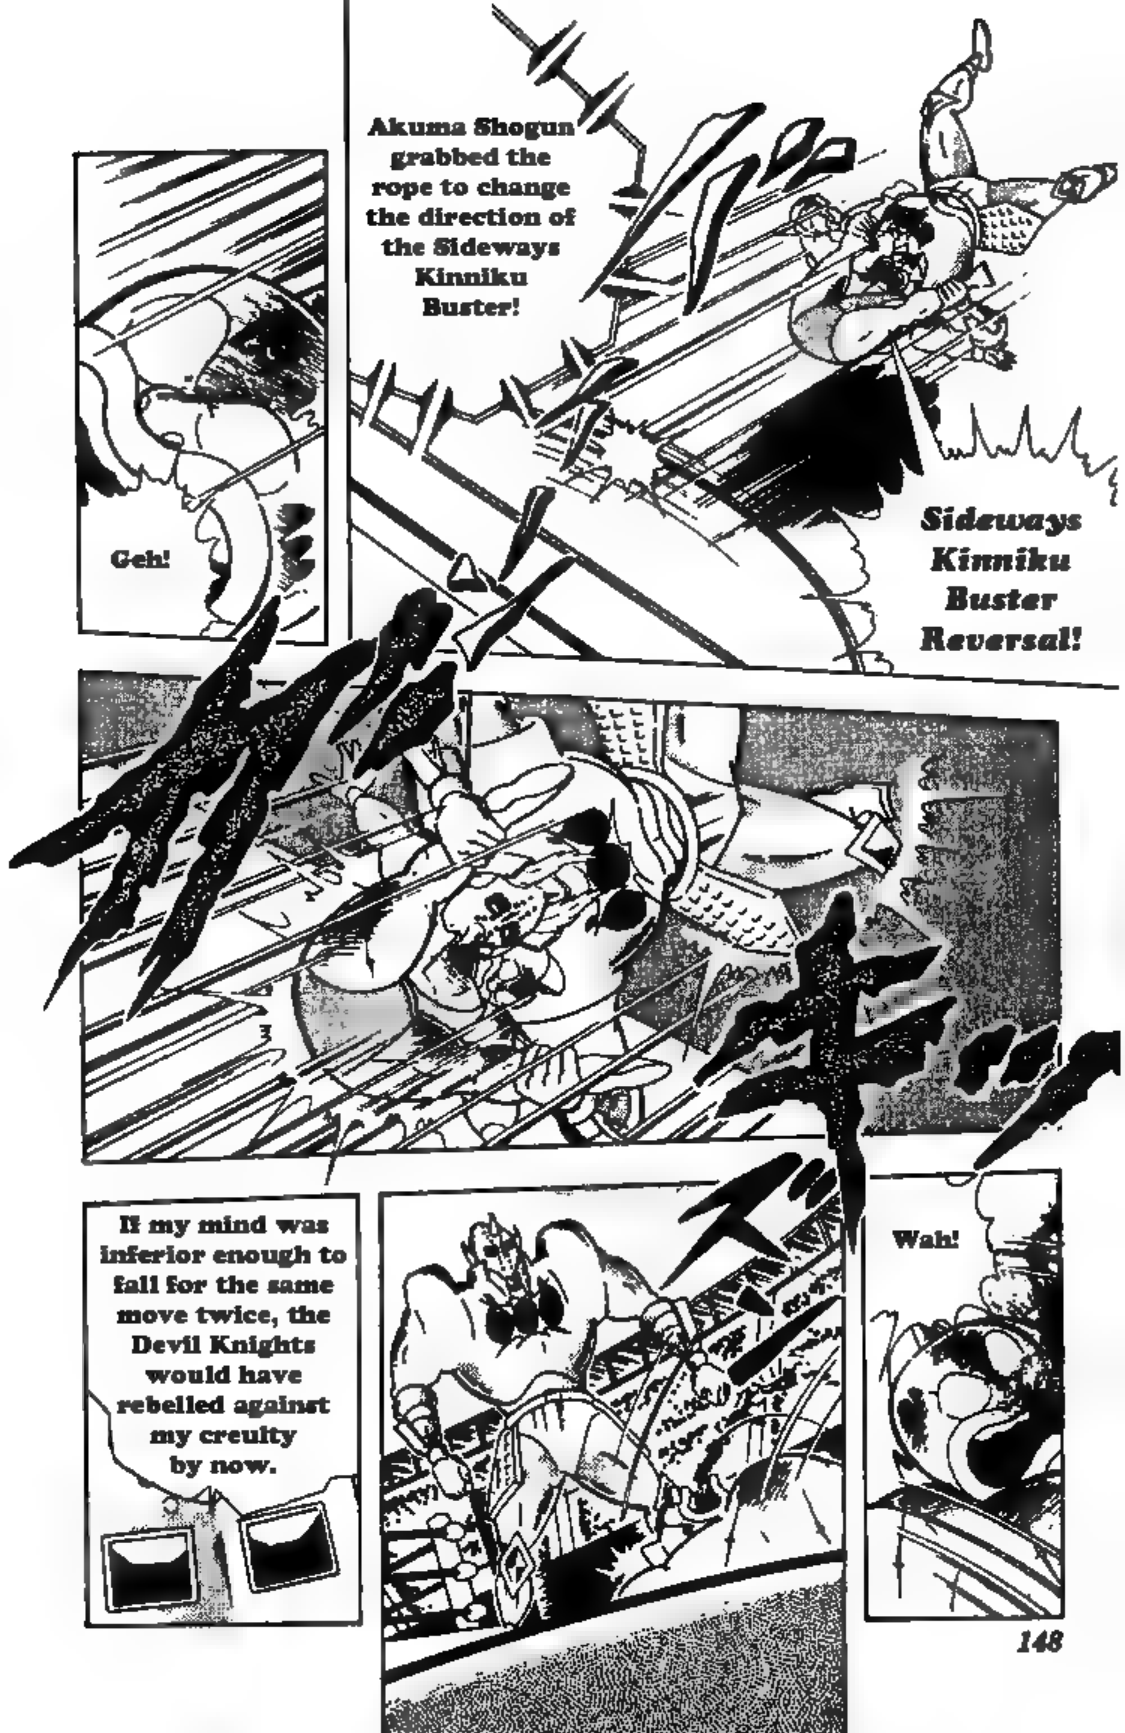


In other words, it's vital to have an intellegent mind that can command the powers of all six Devil Knights with grand judgement!

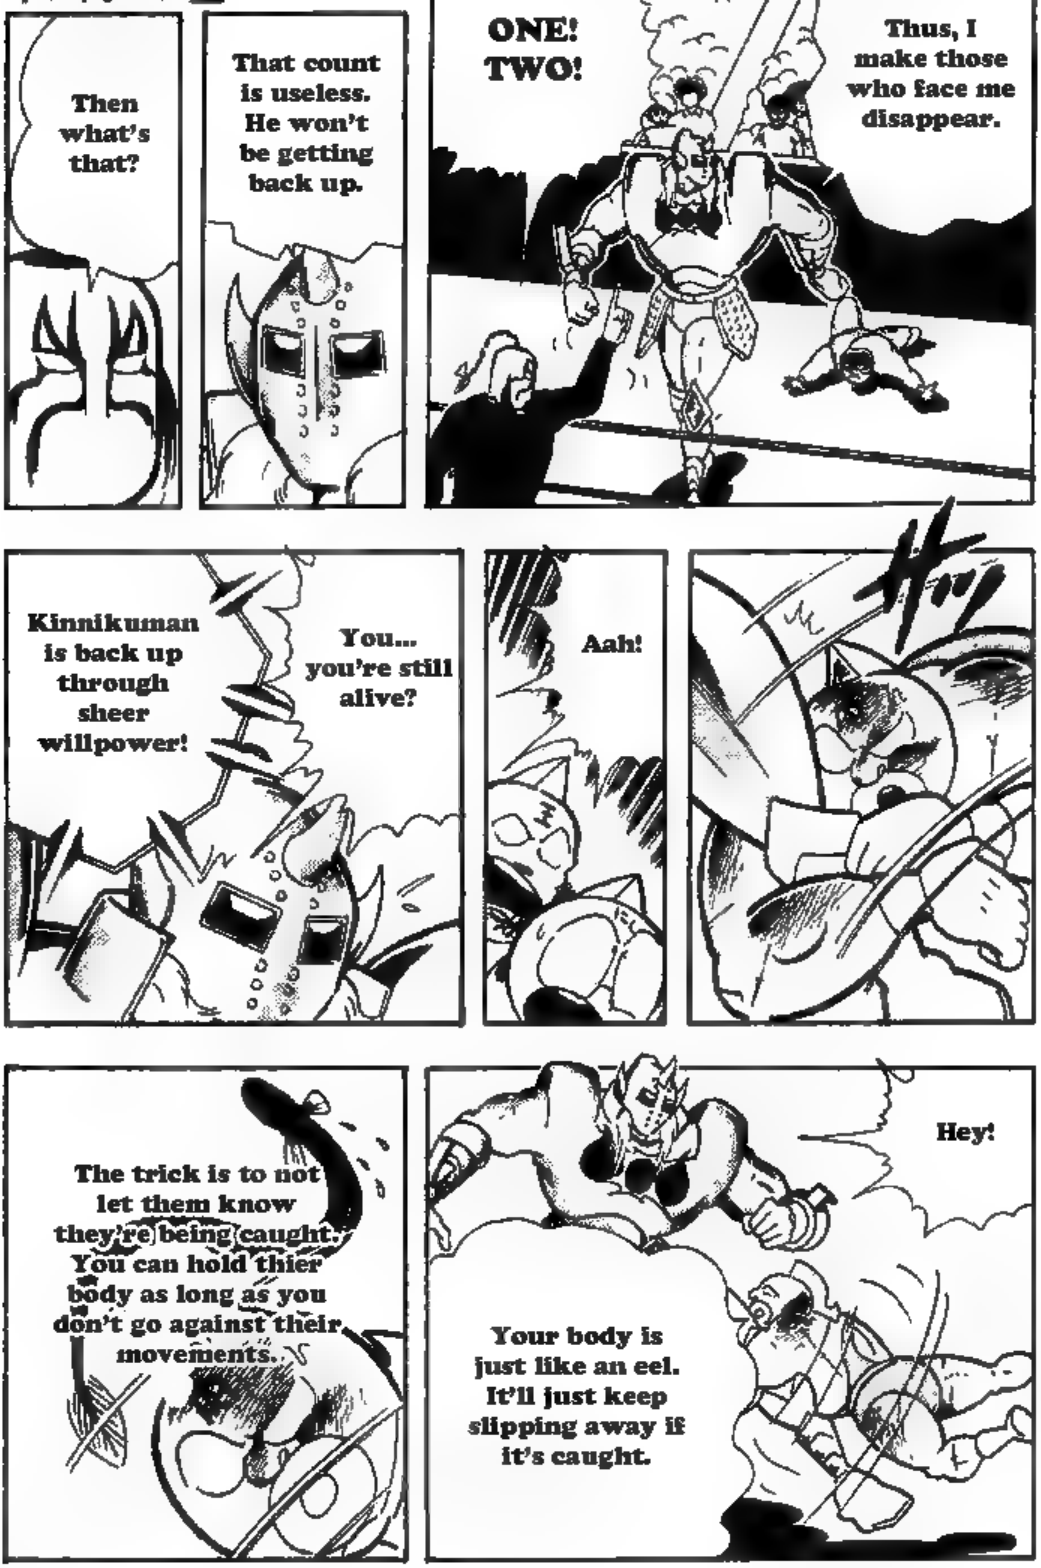


I mean ...
What!?
...but that will also be your ultimate weakness!
I understand, your ultimate weapon is your mind...

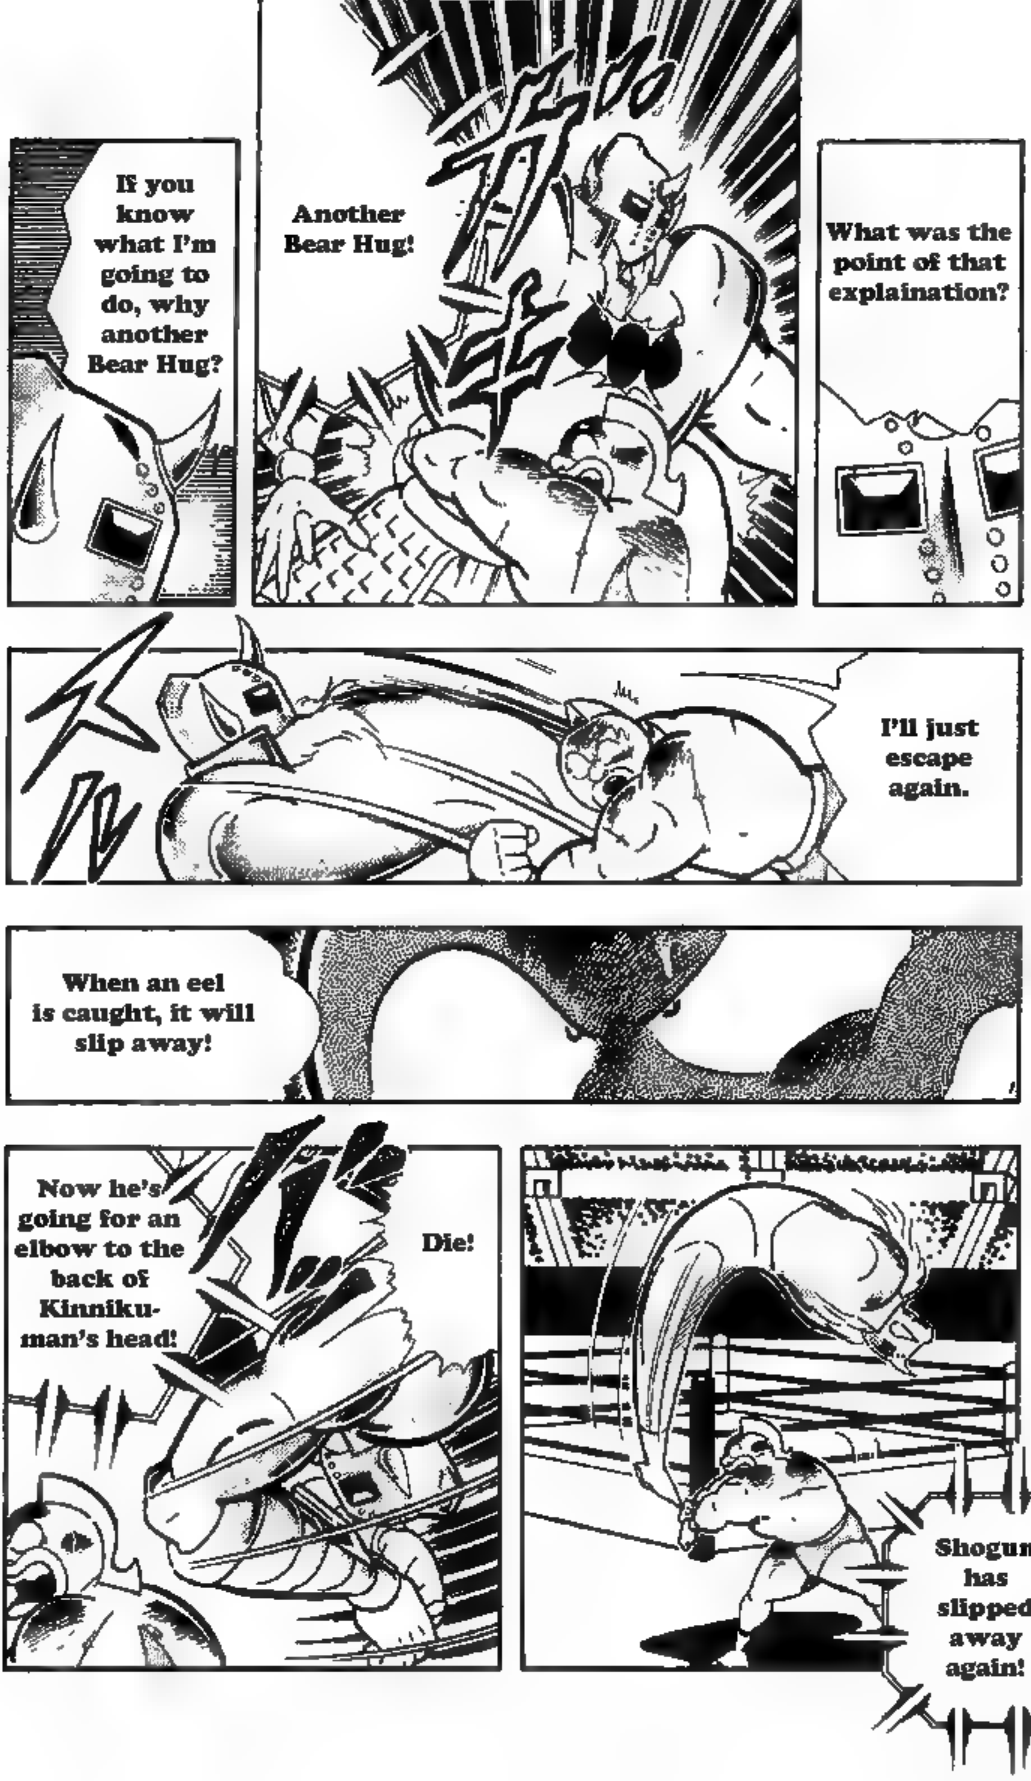
Last time, I only destroyed your armor! This time, I'll smash your mask with it!
Kinnikuman is using the Kinniku Buster again!
If I knock out your mind, it'll knock out the six Devil Knights, too!
Sideways Kinniku Buster!
Hmph. You are stupid.
Geh!



Akuma Shogun grabbed the rope to change the direction of the Sideways Kinniku Buster!
Geh!
Sideways Kinniku Buster Reversal!
If my mind was inferior enough to fall for the same move twice, the Devil Knights would have rebelled against my cruelty by now.
Wah!



Then what's that?
That count is useless. He won't be getting back up.
ONE! TWO!
Thus, I make those who face me disappear.
Kinnikuman is back up through sheer willpower!
You... you're still alive?
Aah!
Hoo!
The trick is to not let them know they're being caught. You can hold thier body as long as you don't go against their movements.
Hey!
Your body is just like an eel. It'll just keep slipping away if it's caught.

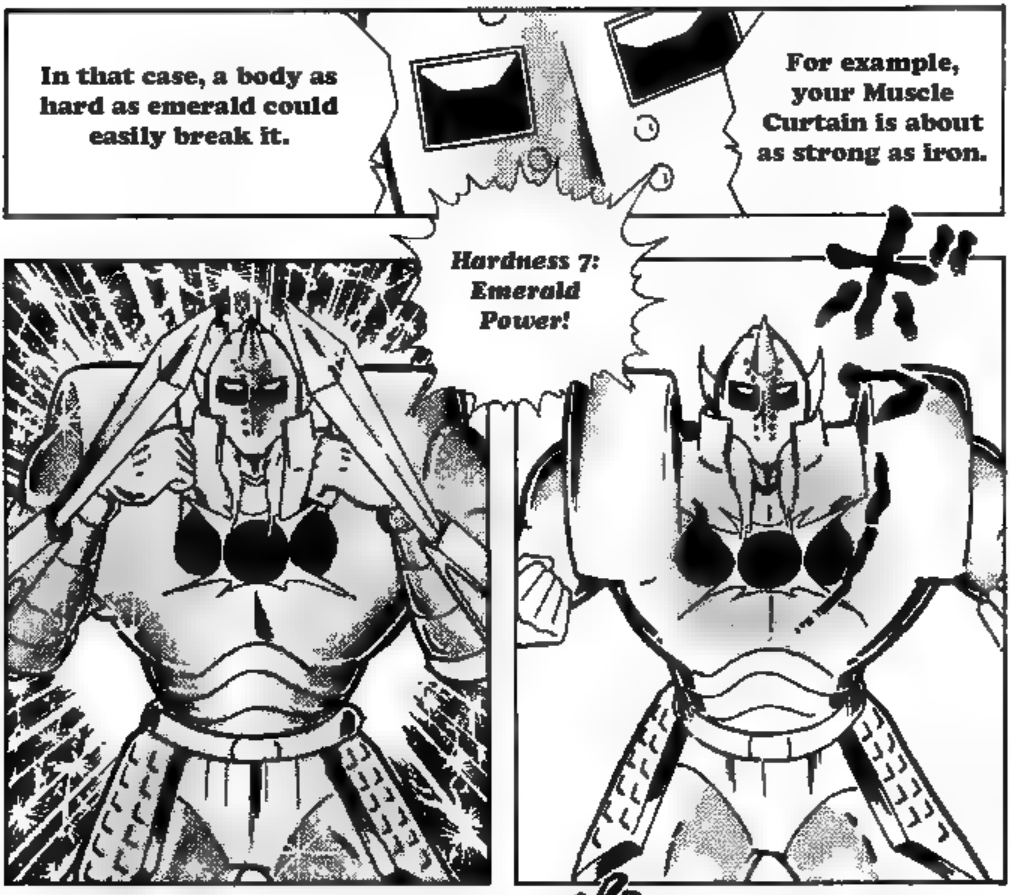


If you know what I'm going to do, why another Bear Hug?
Another Bear Hug!
What was the point of that explaination?
I'll just escape again.
When an eel is caught, it will slip away!
Now he's going for an elbow to the back of Kinniku-man's head!
Die!
Shogun has slipped away again!

The trick to catching an eel is not to go against thier movements!
He did it! Sogun's non-existent body has been caught!
Uryaaa!
ぐわ..
He struck Shogun's weak head right into the ground!
Kinnikuman does a Reversal Front Suplex!

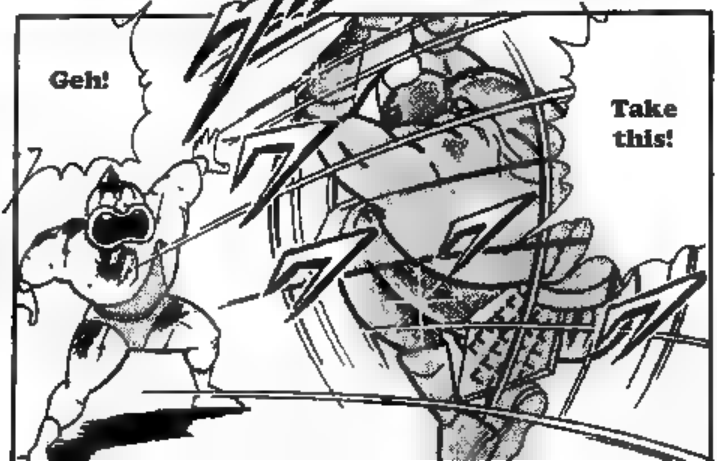
Muscle Curtain!
You're a pest!
Akuma Shogun Drop Kicks Kinnikuman!
Heh heh heh heh heh ...
Gyahaha! Your soft body can't break my hard-as-steel Muscle Curtain!
Kinnikuman's Muscle Curtain has repelled it!
Uwa!

What!?
If you think that I'm only soft, you're greatly mistaken.

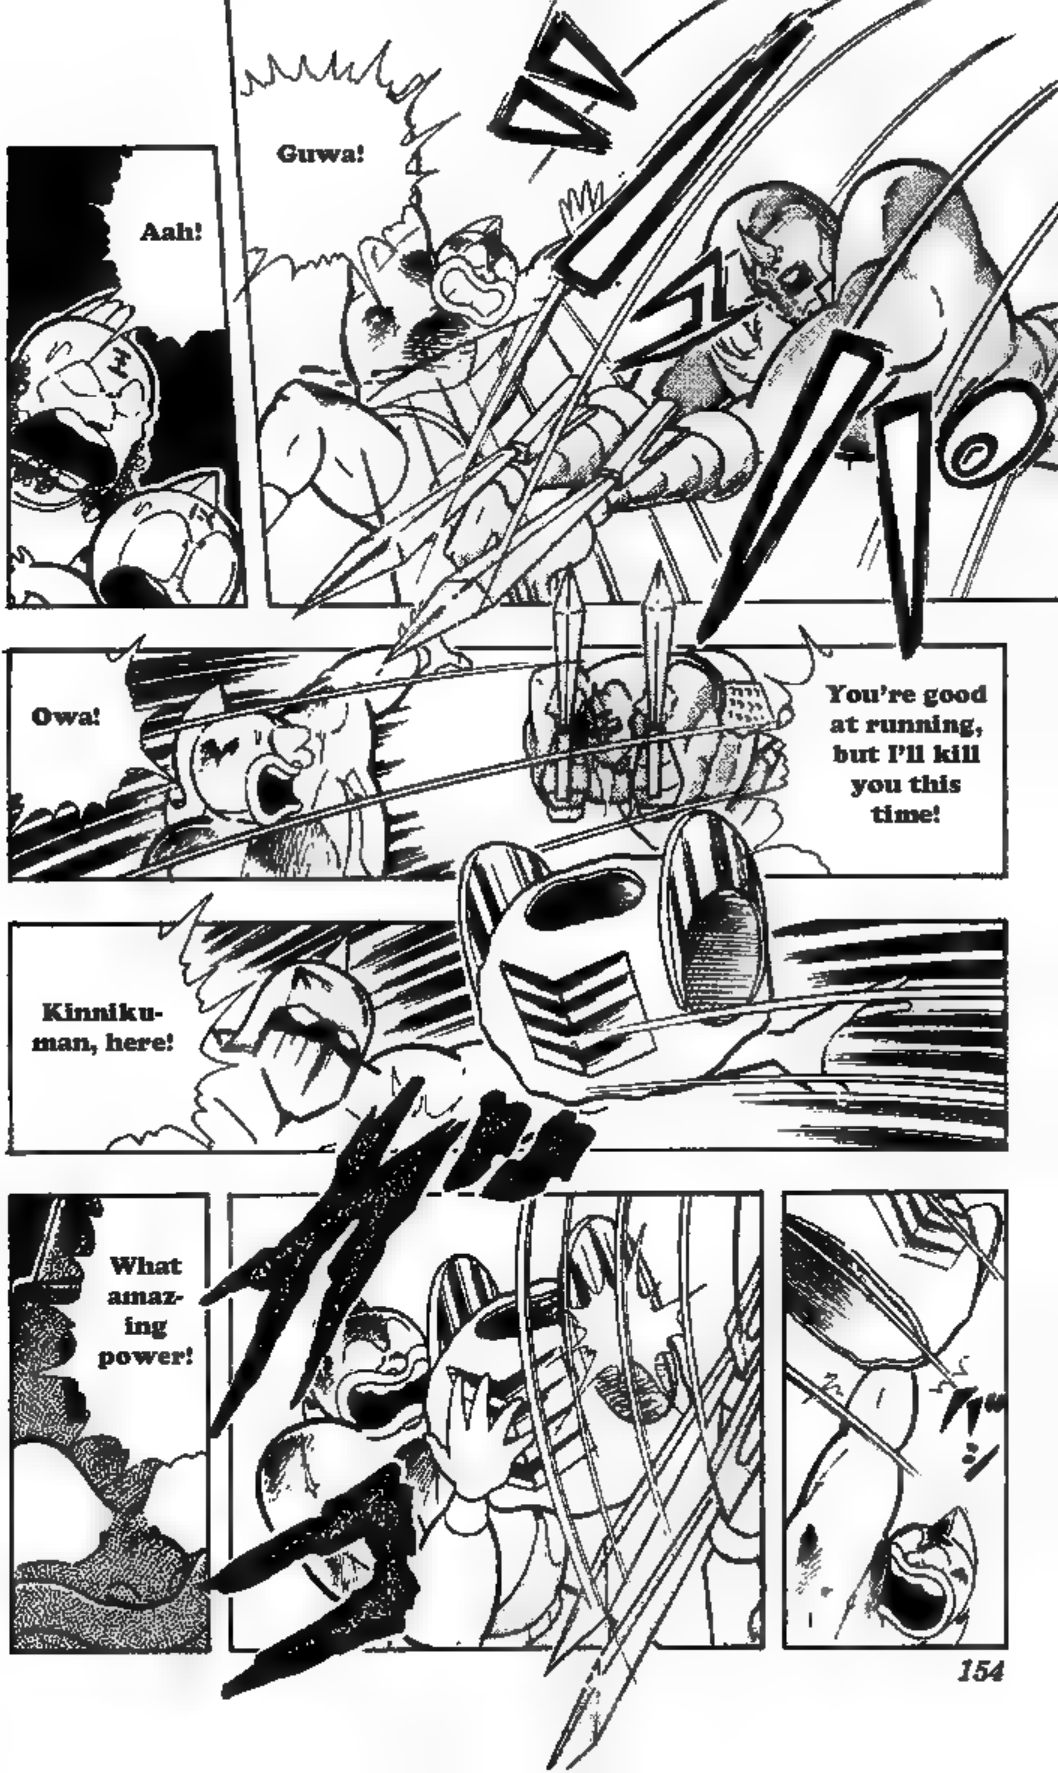


In that case, a body as hard as emerald could easily break it.
For example, your Muscle Curtain is about as strong as iron.
Hardness 7: Emerald Power!

Run, Kinni-kuman!

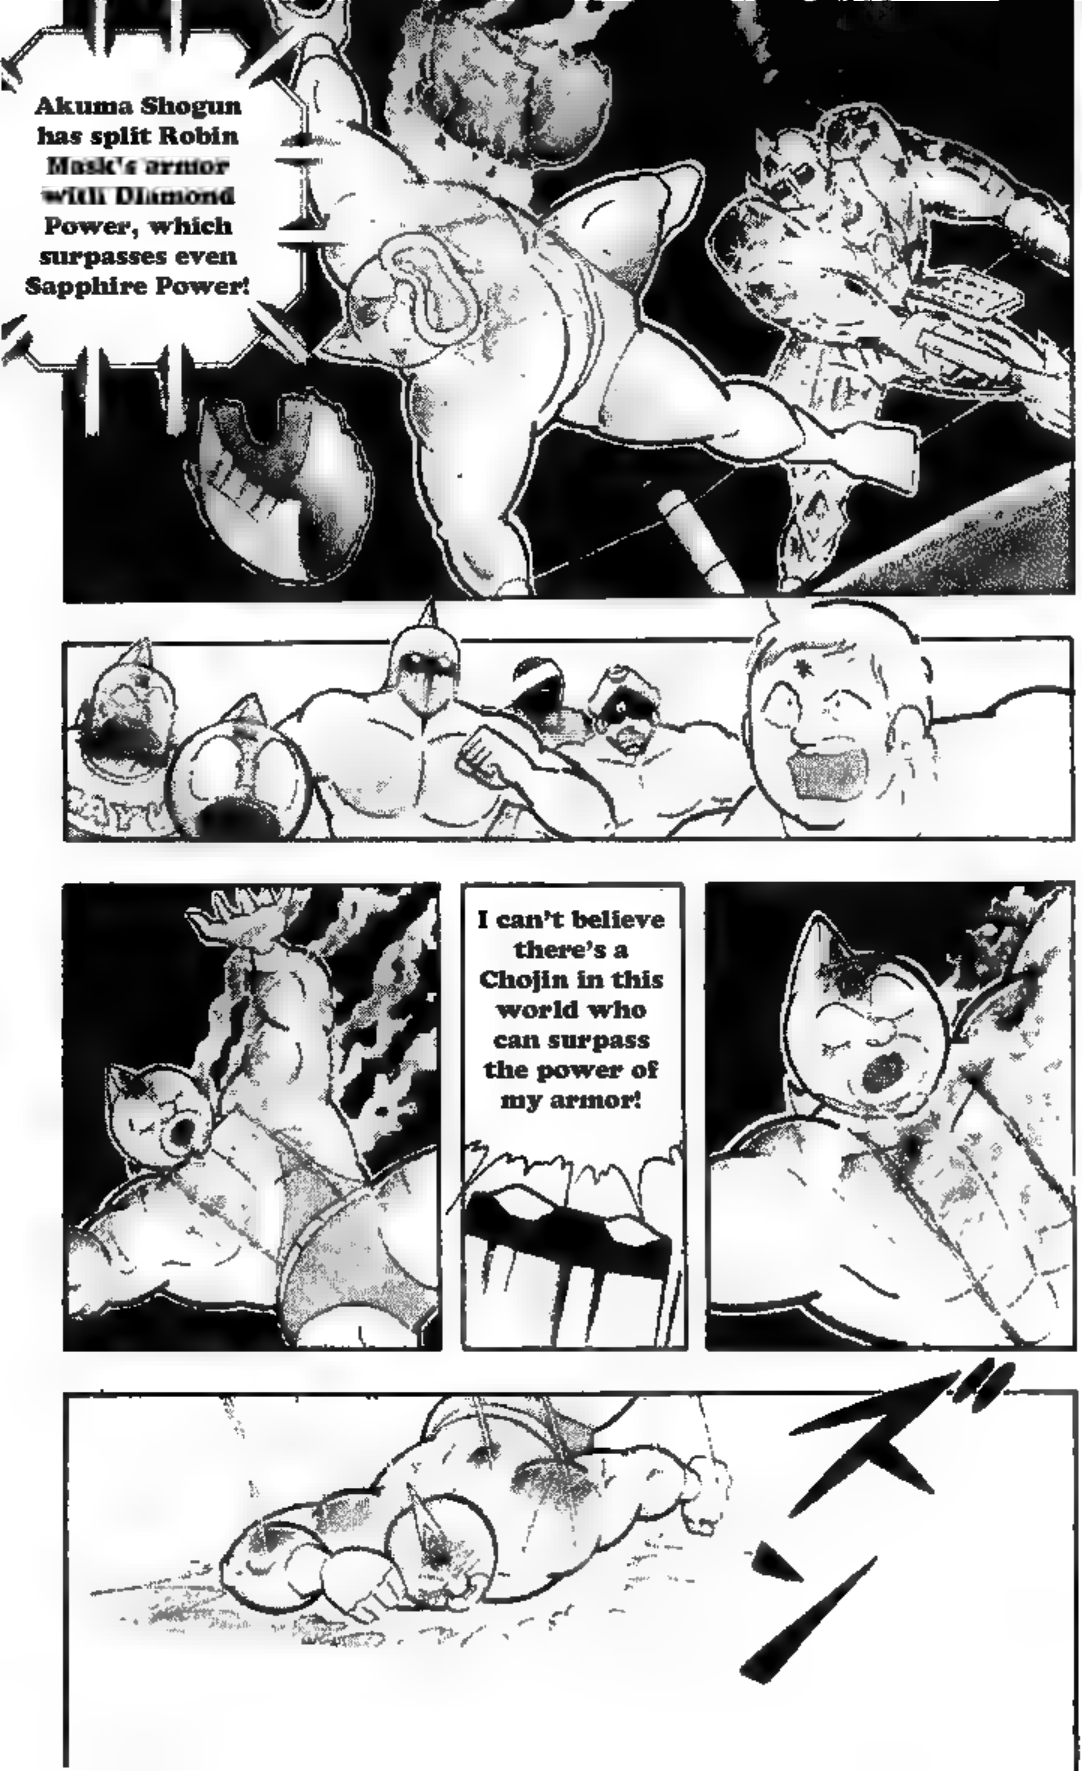


Geh!
Take this!



Aah!
Guwa!
Owa!
You're good at running, but I'll kill you this time!
Kinniku-man, here!
What amaz-ing power!

I see.
If your swords are Emerald and Hardness 7, then my armor can stop them since it's Hardness 9: Sapphire.
Then I'll go to Hardness 10: Diamond Power!
Gah!
Hell Merry-go-round!
OWA!

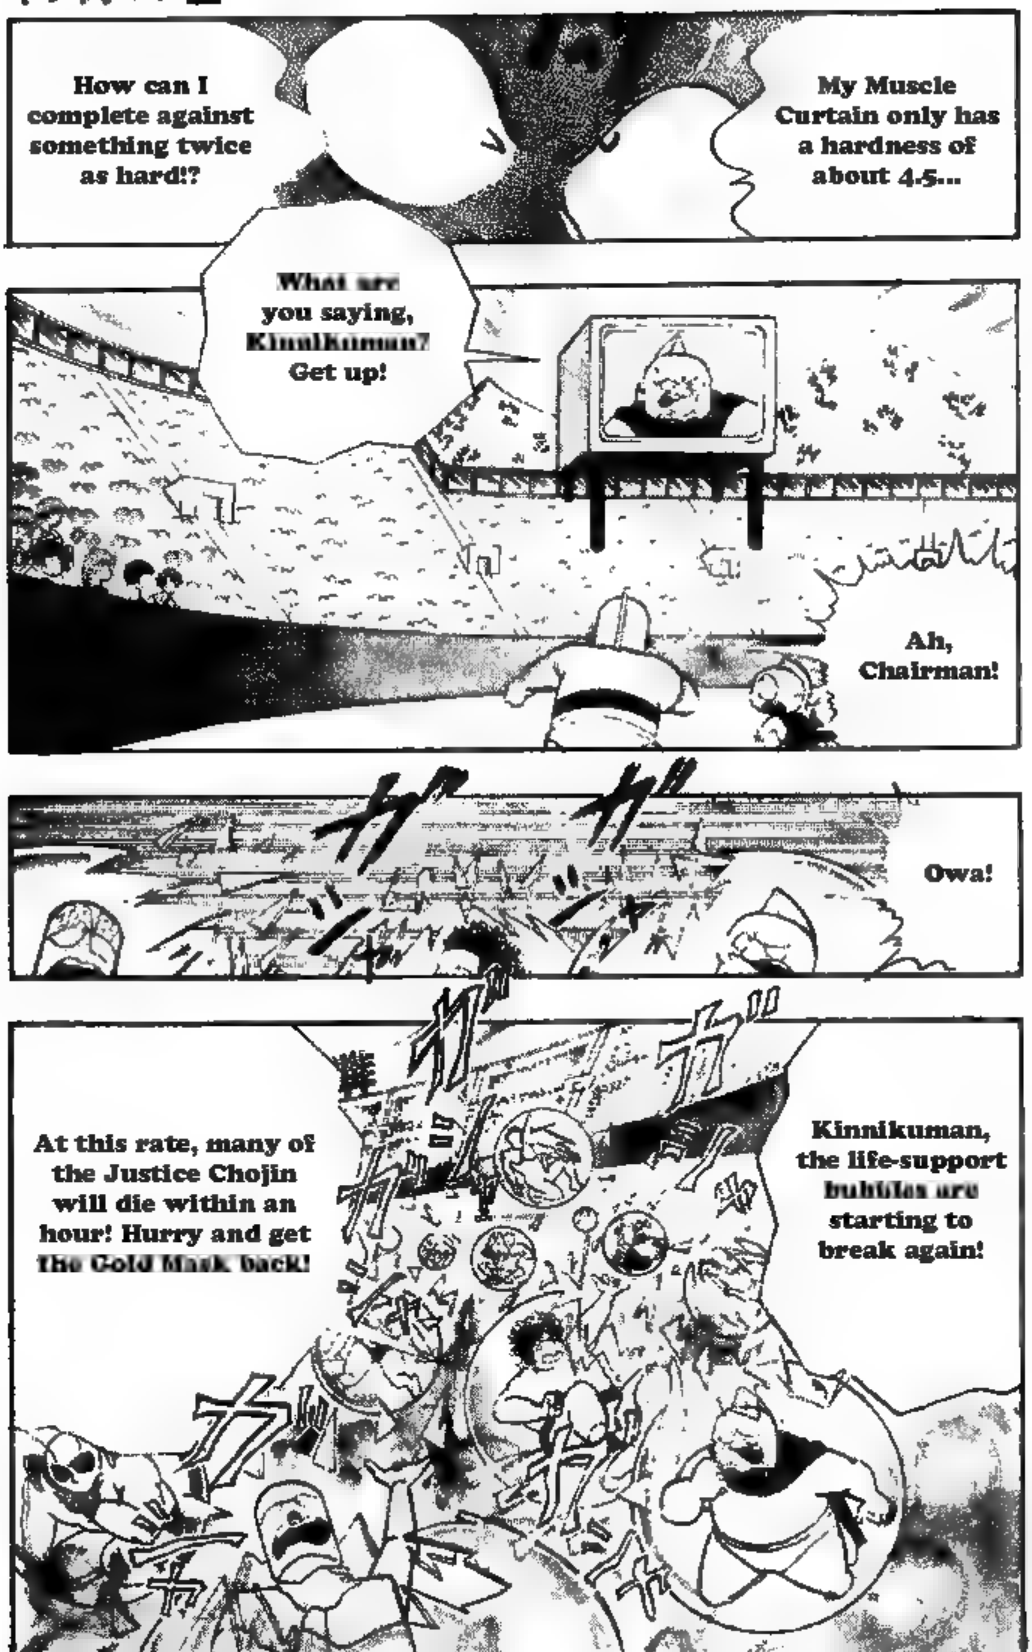


Akuma Shogun has split Robin Mask's armor with Diamond Power, which surpasses even Sapphire Power!
I can't believe there's a Chojin in this world who can surpass the power of my armor!

Golden Mask Arc 43

Ultimate Hardness Battle!

A Team Kinnikuu Release



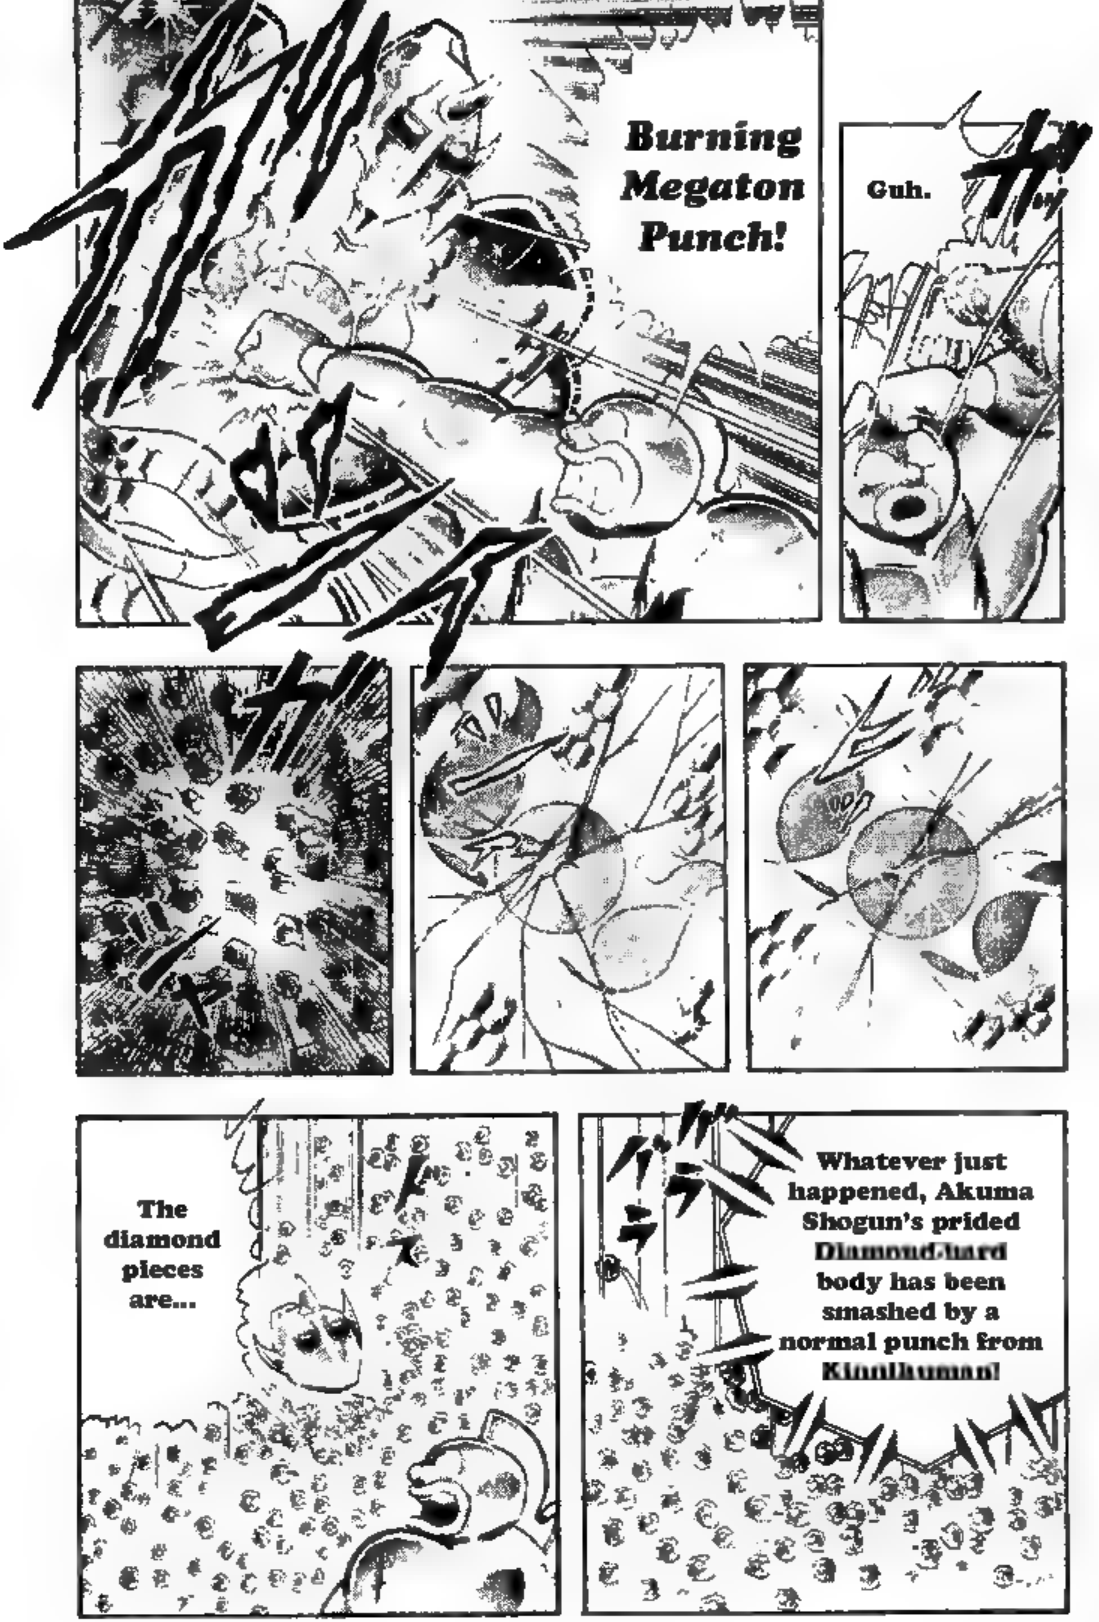
How can I complete against something twice as hard!?
My Muscle Curtain only has a hardness of about 4.5...
What are you saying, Kinnikuman? Get up!
Ah, Chairman!
Owa!
At this rate, many of the Justice Chojin will die within an hour! Hurry and get the Gold Mask back!
Kinnikuman, the life-support bulbils are starting to break again!

Muscle Curtain!
It may be impossible for iron to defeat diamond, but I have to do this...
Of course... I nearly forgot about everyone and abandoned the match.
Heh heh heh... If you take a clean hit from me, you'll be killed.
Trust me, I understand.
Hell Merry-Go-Round!
Alright, as you wish, I'll destroy you.

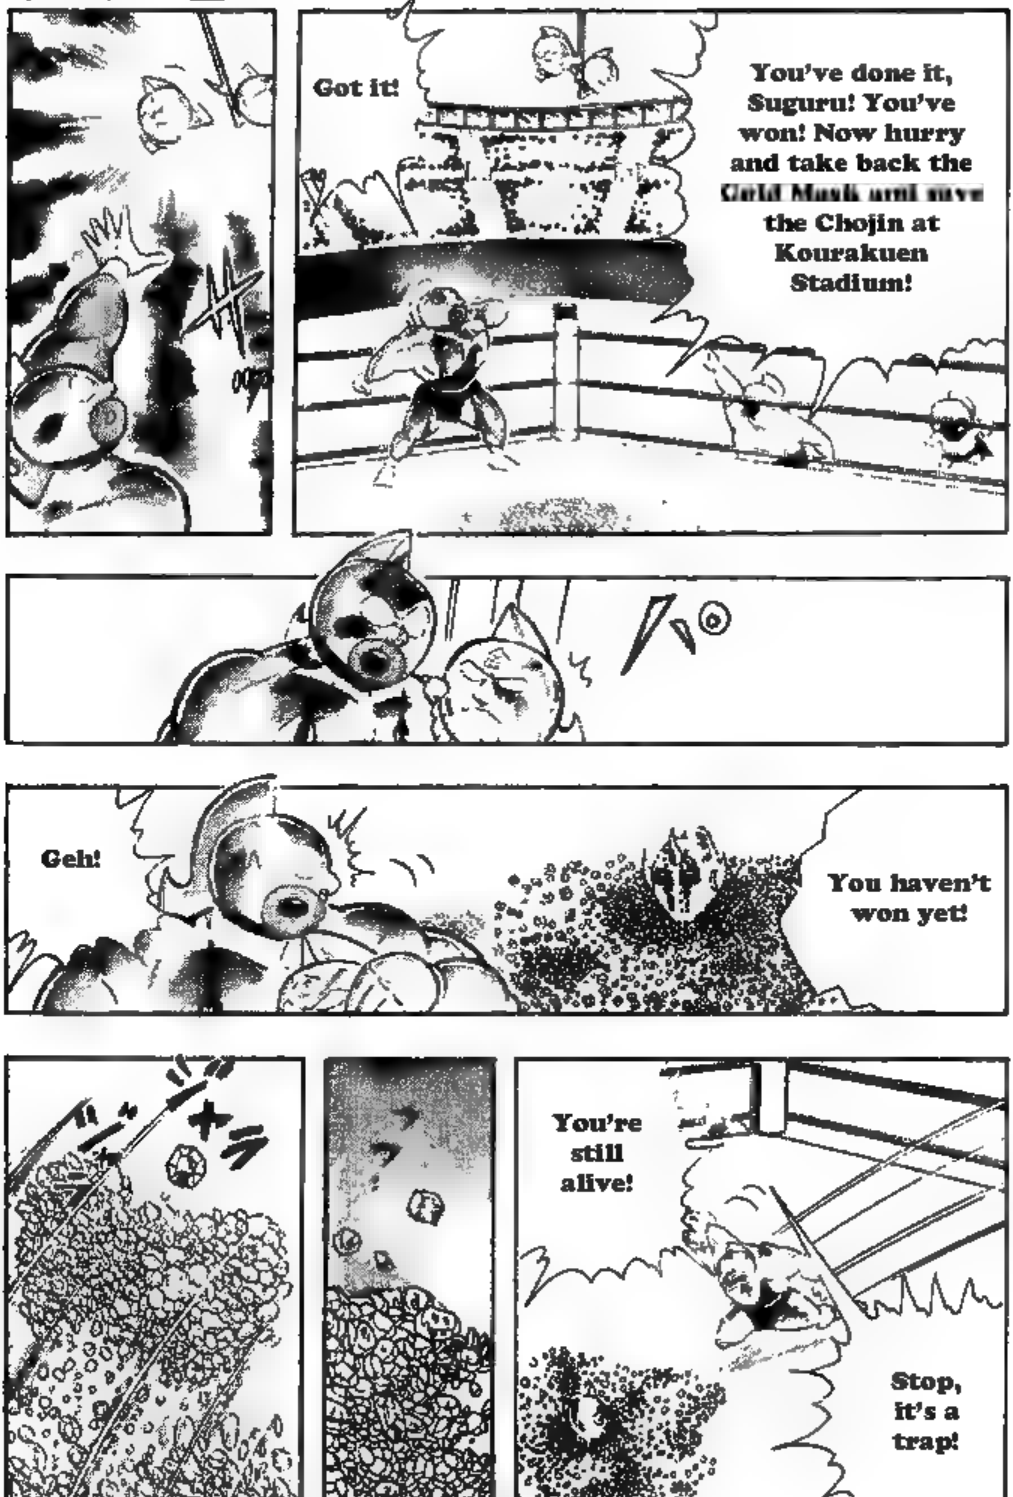
Muscle Curtain Attack!
Now!
Smart! He should be doubling the hardness of his body by spinning!
The Hell Merry-Go-Round and the Muscle Curtain are clashing in mid-air!

ドロボー
ズザ
Akuma Shogun?
Heh heh heh...
My body's still in one piece, so I'm alright.
Kinniku-man!

That risky attack used up all of my power...
What !?
You seem to have finally scratched my body.
Kinnikuman seems upset because he used all of his stamina on that idea!
It's... too late...
Well, he did manage to leave a scratch.
Terryman, is there no way Prince can counter it anymore?
Die!
Thanks, Terryman!
Fragile from a single scratch...!
Kinnikuman, you're giving up too soon! No matter how hard something is, it can become fragile from a single scratch!
Scratch!



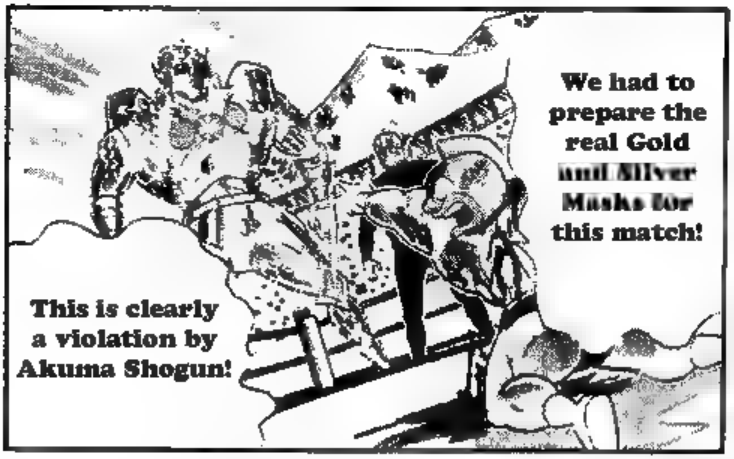
Burning Megaton Punch!
Guh.
The diamond pieces are...
Whatever just happened, Akuma Shogun's prided Diamond-hard body has been smashed by a normal punch from Kinnikuman!



Got it!
You've done it, Suguru! You've won! Now hurry and take back the Gold Mask and save the Chojin at Kourakuen Stadium!
Geh!
You haven't won yet!
You're still alive!
Stop, it's a trap!

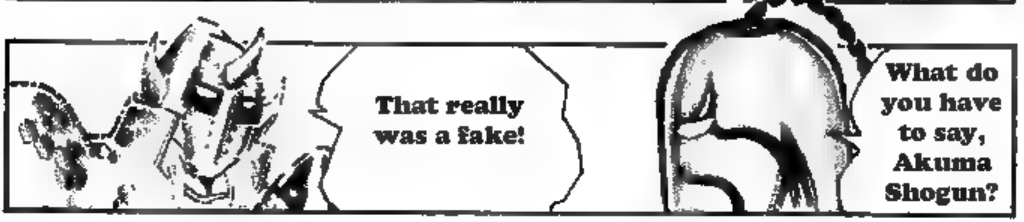
Gyaa!
The diamond pieces scattered around the ring have grouped together and are cutting through
The... the Gold Mask...
As long as you don't destroy my real head, I will always return!
No matter how many times this body is smashed, it won't stop all six Devil Knights!

The Gold Mask was destroyed! So this one was a fake, too!



We had to prepare the real Gold and Silver Masks for this match!
This is clearly a violation by Akuma Shogun!

Heh... Damn...



That really was a fake!
What do you have to say, Akuma Shogun?

He's right! That only happens when the two masks are together!

The proof is that the Silver Mask on the ceiling is still crying!

But I do have the real Gold Mask!

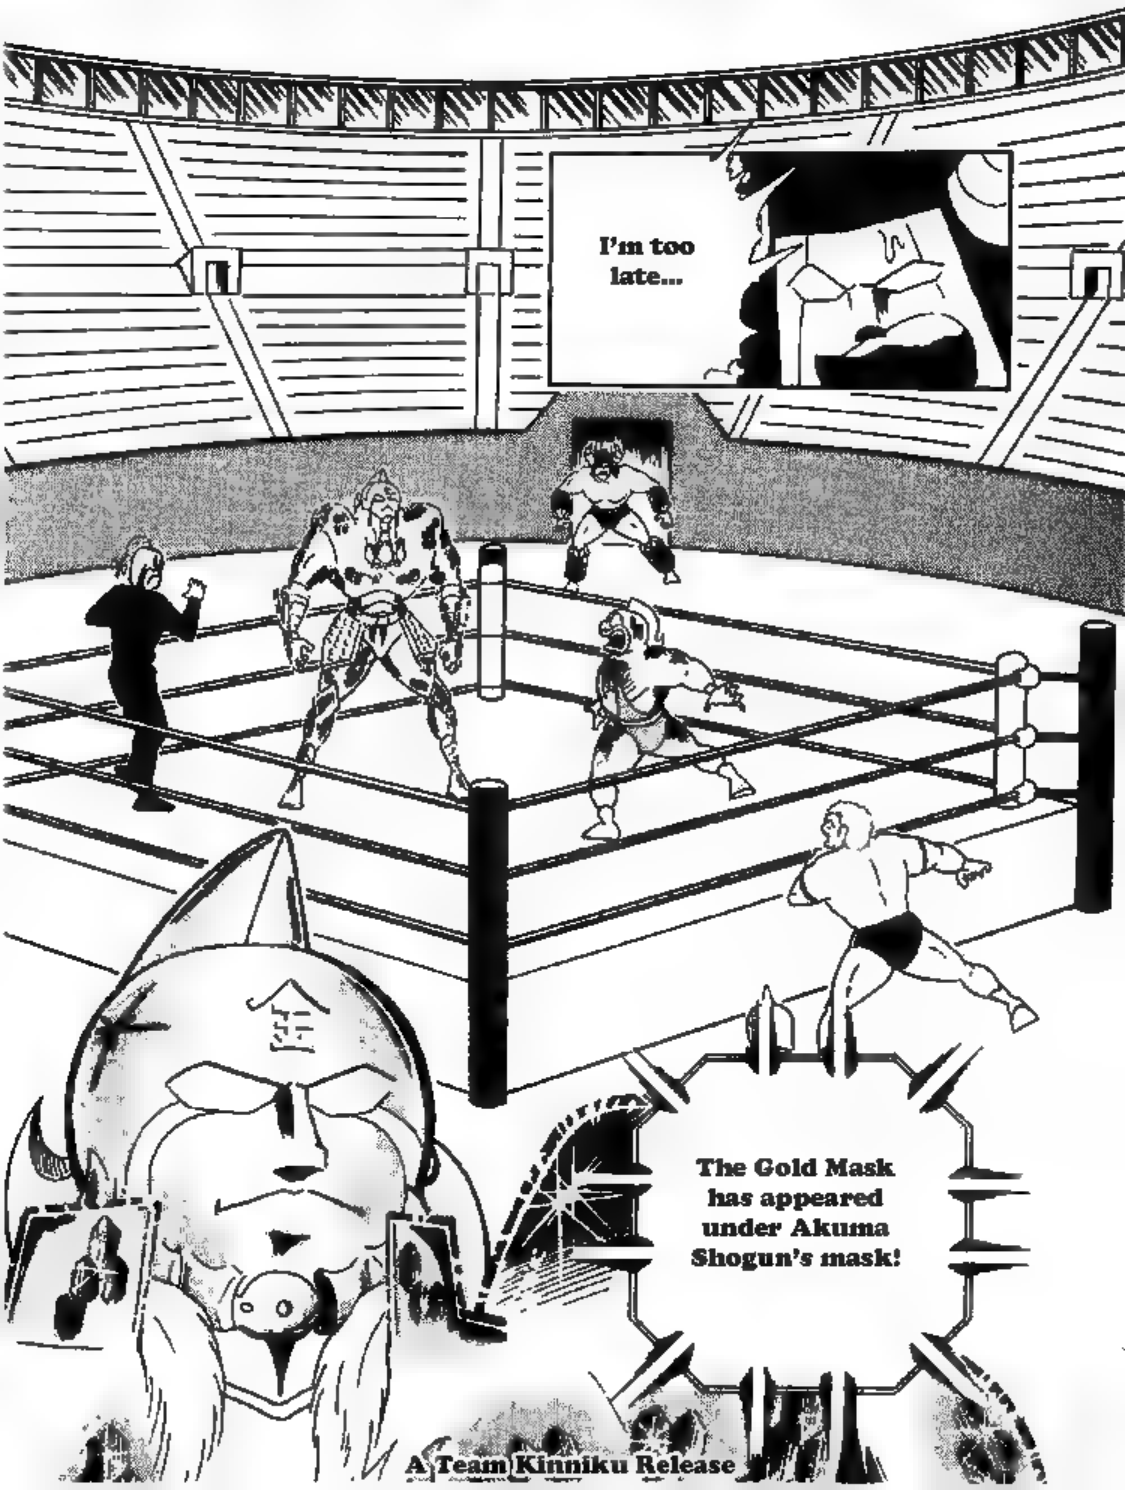
Silver Mask!
That doesn't matter, the Silver Mask is crying, isn't it?
That's true, but I don't see where he could be hiding the Gold Mask!
Let's see which part of his body gives the strongest reaction...
On Akuma Shogun's head!
Right there!

OH NO!
医務室
You are ...
Aah!
Kinnikuman has seen what was under Akuma Shogun's mask!
You've finally found out!

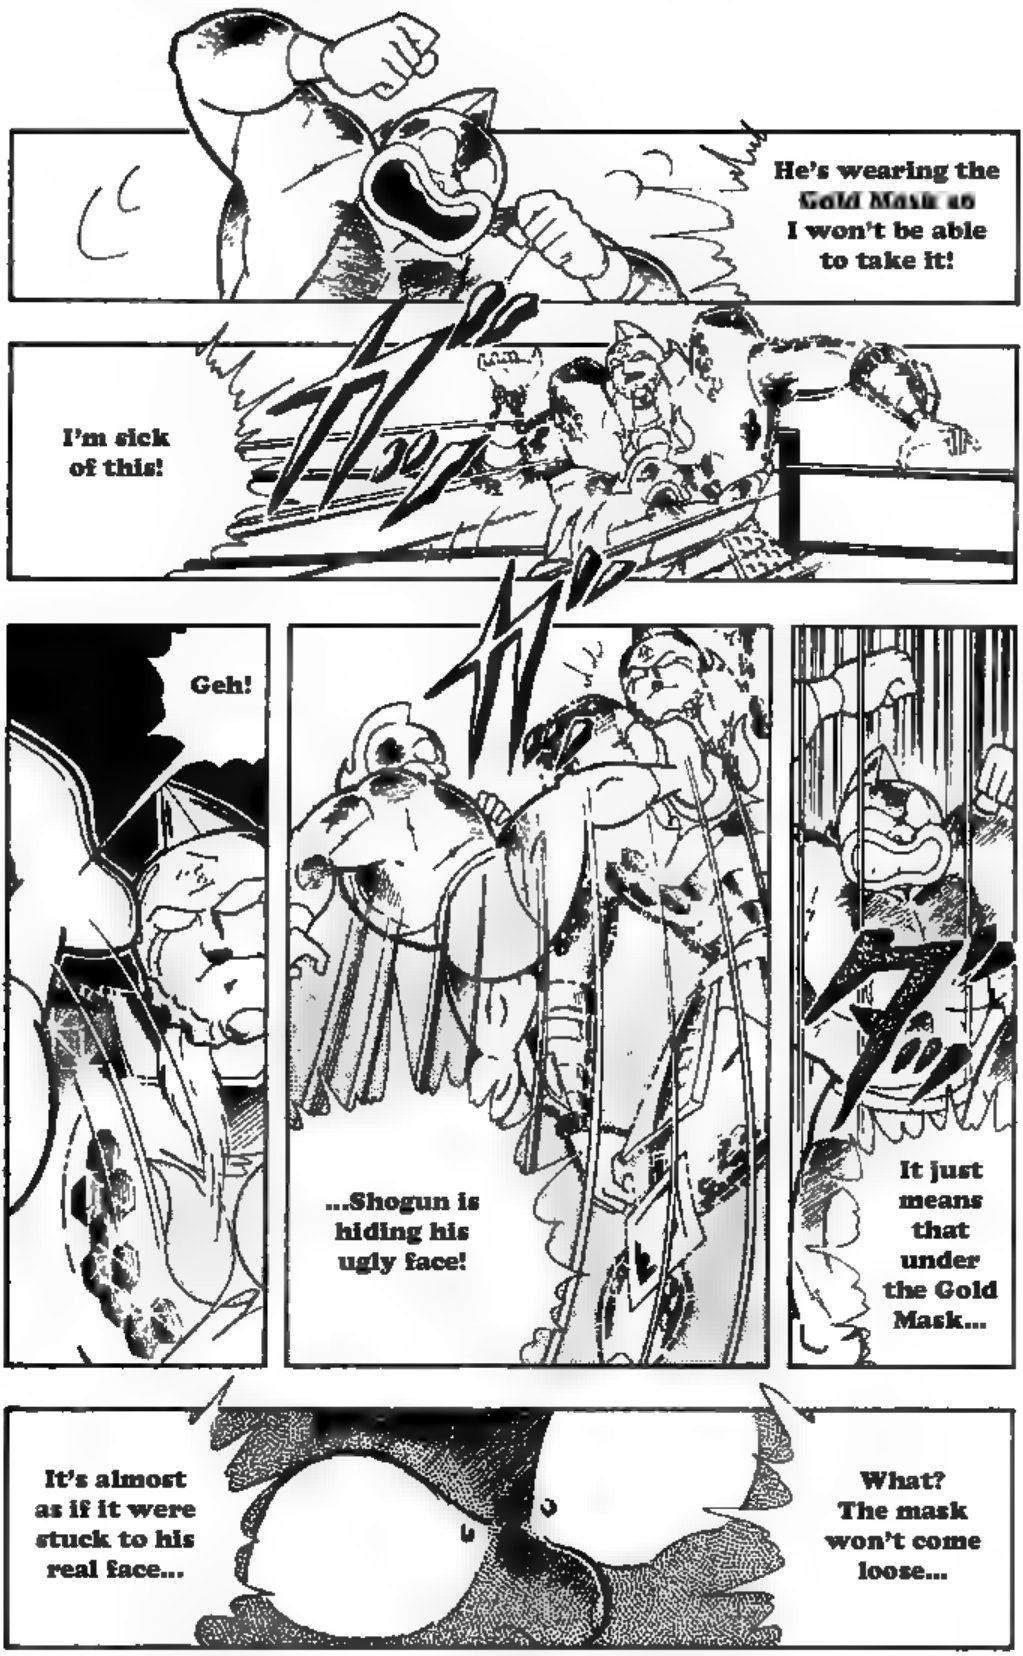
Buffaloman, calm down! All of this moving around is opening your wounds!
No! They can't see what's under Akuma Shogun's mask!
医務室
悪魔と神II の巻
Hey, let go!
Buffaloman!
Ah...
If they see under Shogun's mask, the Justice Chojin will...
They can't...

Golden Mask Arc 44

Devil and God!



A Team Kinniku Release



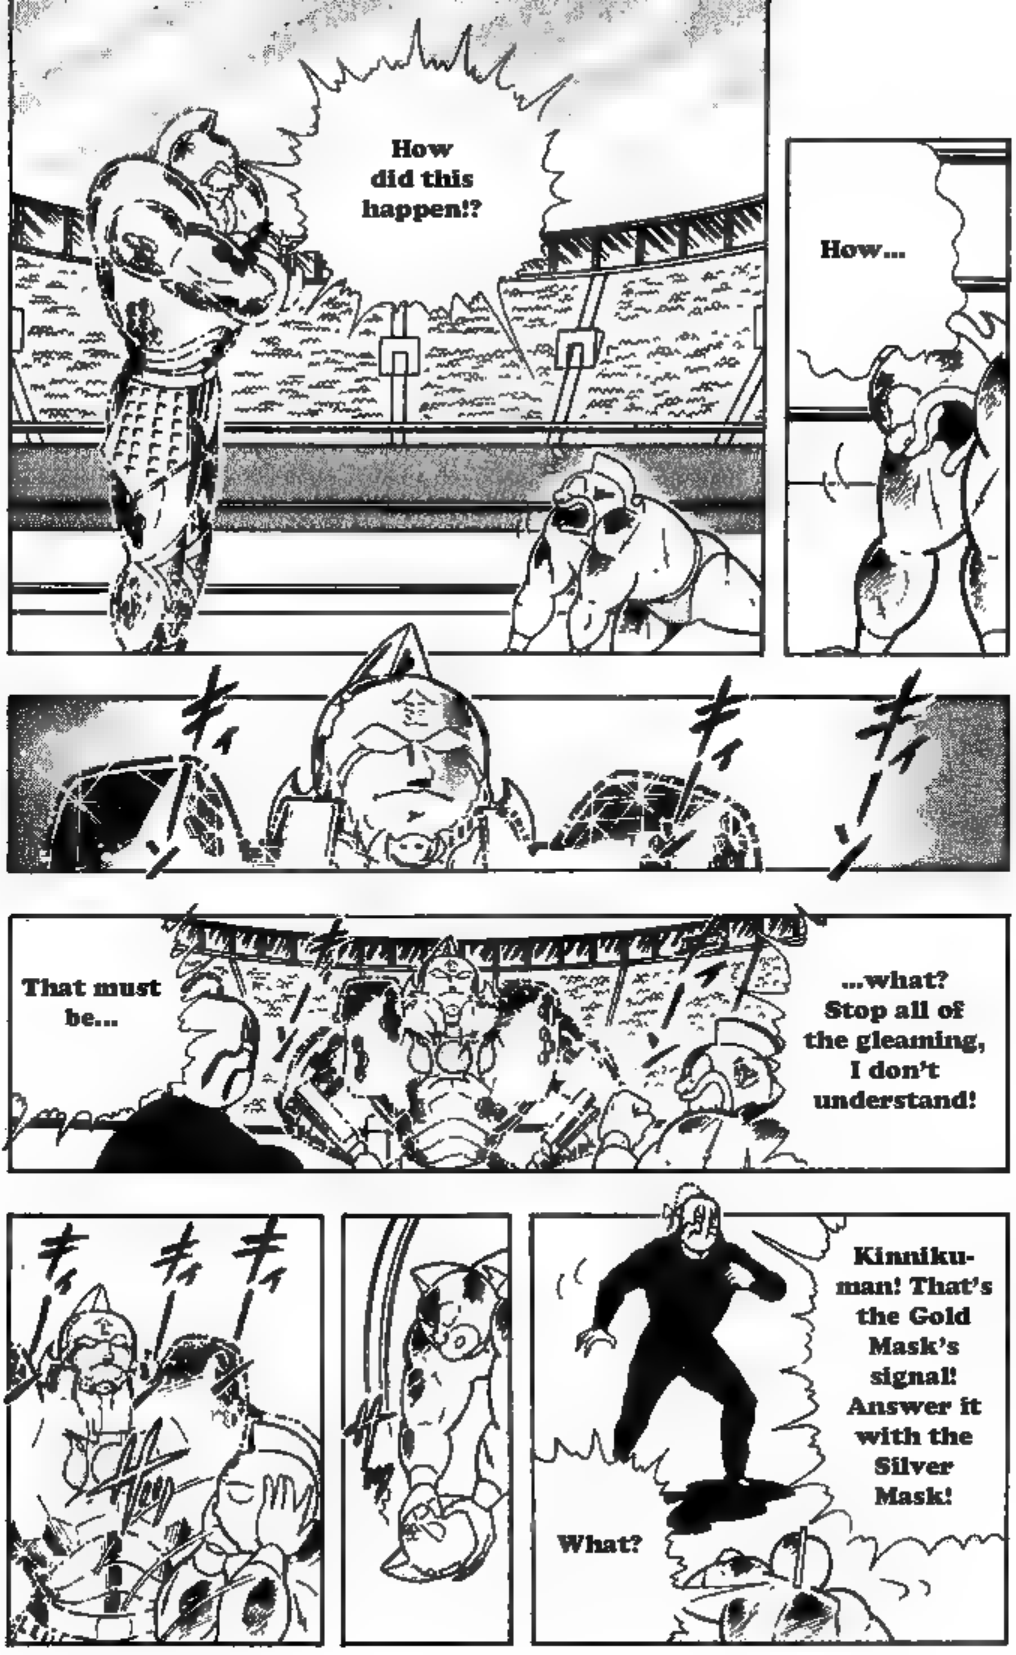
He's wearing the Gold Mask so I won't be able to take it!
I'm sick of this!
Geh!
...Shogun is hiding his ugly face!
It just means that under the Gold Mask...
It's almost as if it were stuck to his real face...
What? The mask won't come loose...

Akuma Shogun's true form is the Gold Mask, our guardian deity...

It won't come loose because this is my real face!
What!?

It was best that you didn't know... for all of your sake.

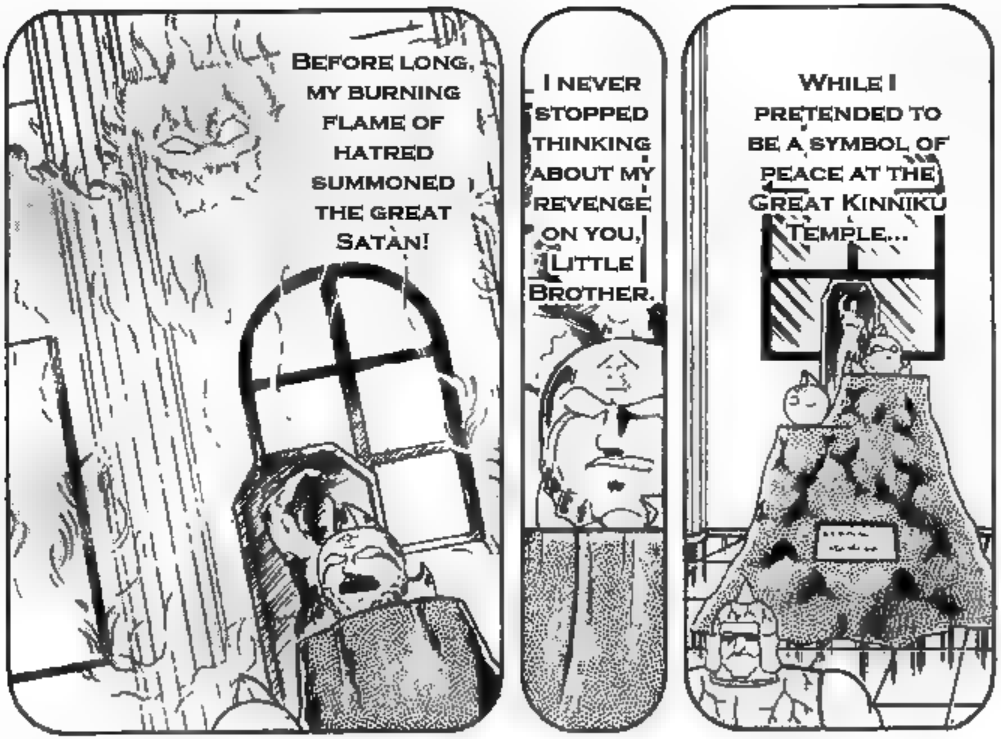
...is Akuma Shogun's true form?
This is stupid... The Gold Mask that was stolen by the Devil Knights that we were trying to save this whole time...



How did this happen!?
How...
That must be...
...what? Stop all of the gleaming, I don't understand!
Kinniku-man! That's the Gold Mask's signal! Answer it with the Silver Mask!
What?

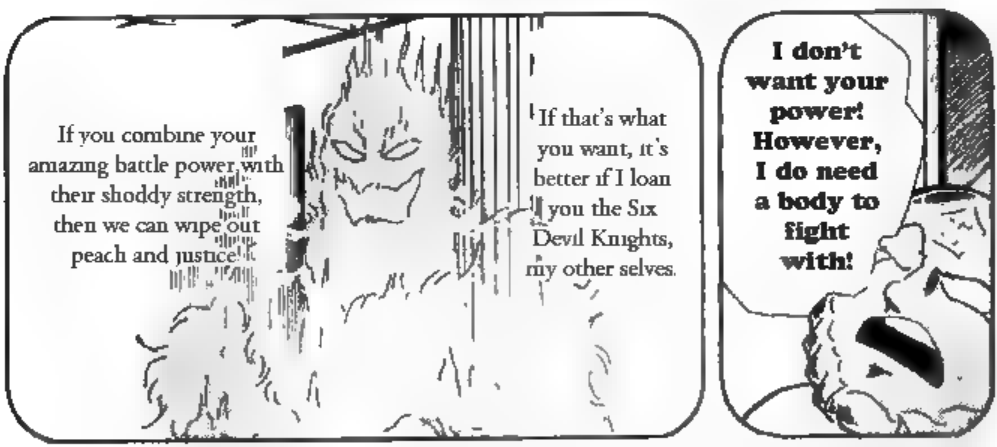
It's been a while Silver Mask... or should I say "My little brother, Silverman"?
Ooh!
Weren't you taken away by the Six Devil Knights?
Big brother Goldman, why are you here?
Heh heh... did you really think I was stolen?
What!?
Eh!?
I set the whole thing up with the Six Devil Knights!

Have you forgotten? The Quarrel of Heavenly Brothers between us hasn't been settled yet!
Why?
Why would you set something like that up!?
ああ…
In the end, your heads were enshrined in the Great Kinniku Temple, where your mutual hatred was turned into a symbol of peace!
The humiliation of an older brother tying with his younger sibling can't be forgotten that easily!
It was supposed to have ended when he beheaded each other!

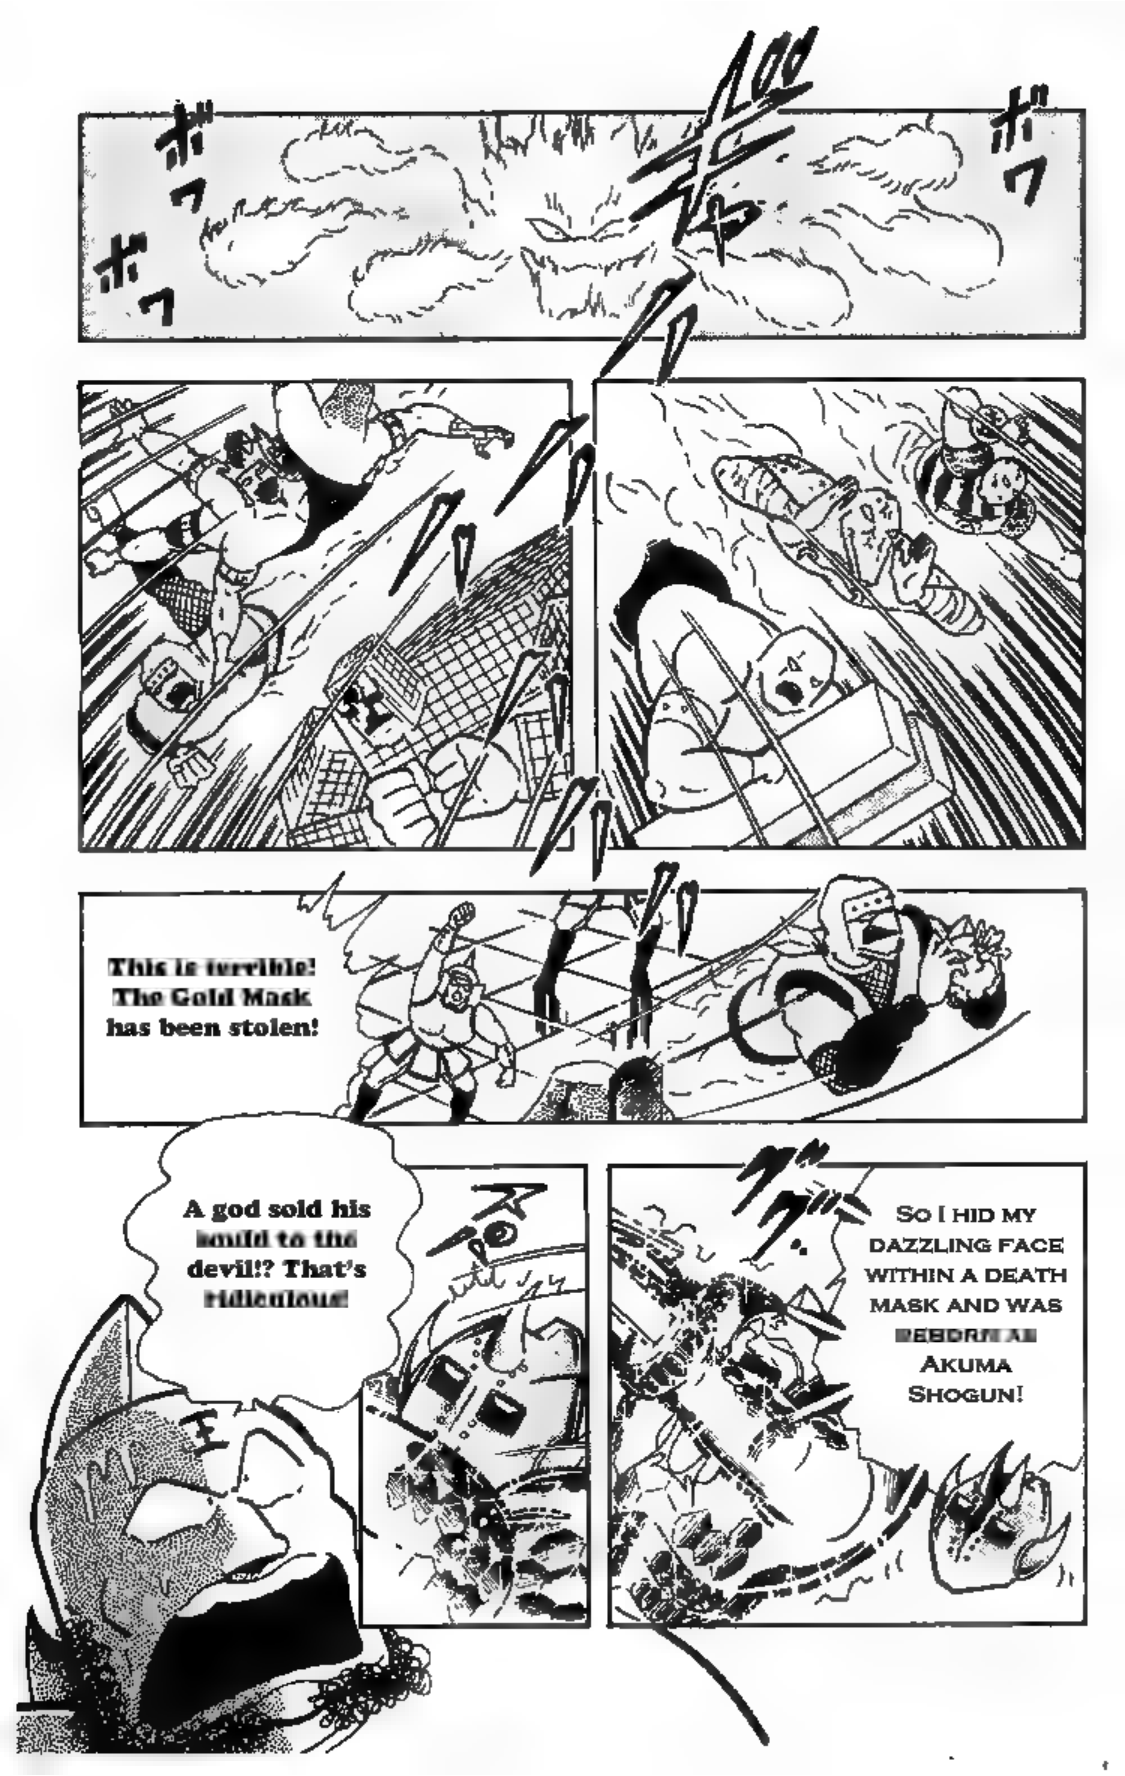


BEFORE LONG, MY BURNING FLAME OF HATRED SUMMONED THE GREAT SATAN!
I NEVER STOPPED THINKING ABOUT MY REVENGE ON YOU, LITTLE BROTHER.
WHILE I PRETENDED TO BE A SYMBOL OF PEACE AT THE GREAT KINNIKU TEMPLE...

With my power, we could clot up the world's justice. Let's paint the Chojin World in the color of evil!
Goldman! I understand your hatred toward your little brother. I too hate peace and justice!



If you combine your amazing battle power with their shoddy strength, then we can wipe out peach and justice!
If that's what you want, it's better if I loan you the Six Devil Knights, my other selves.
I don't want your power! However, I do need a body to fight with!



ボワ

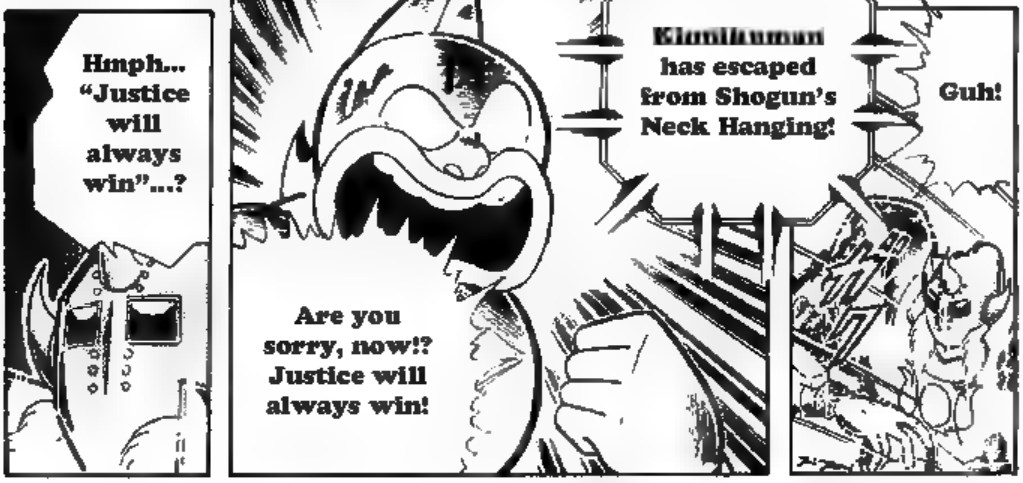
Aee
This is terrible! The Gold Mask has been stolen!
A god sold his soul to the devil!? That's ridiculous!
SO I HID MY DAZZLING FACE WITHIN A DEATH MASK AND WAS REBORN AS AKUMA SHOGUN!

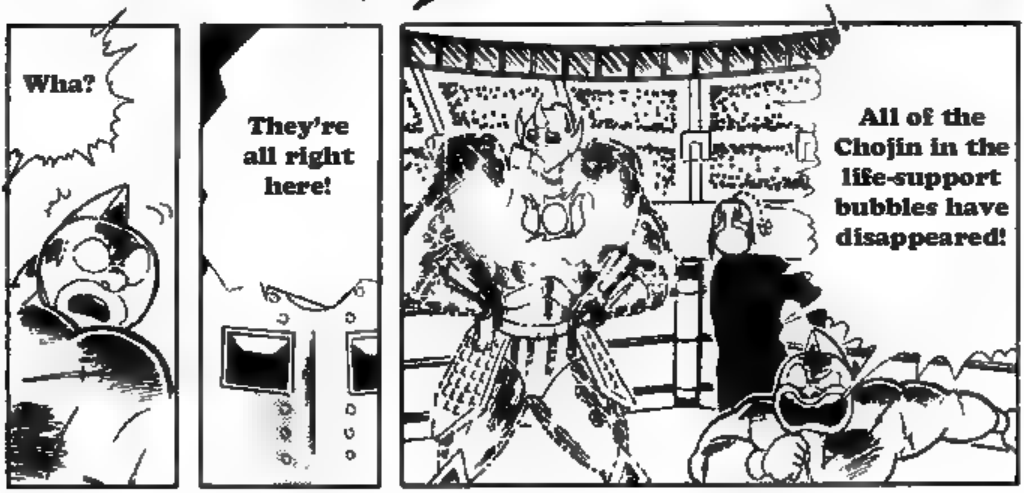
Die!
That's why he stretched his tentacles to the Gold Mask...
Satan thought it would be best to use someone close to the Justice Chojin to destroy them.
However, fighting while you're on the Devil's side doesn't please me!
Gold Mask, if you had challenged me to a fight with Justice on your side, I couldn't have refused.
This is a Survival Deathmatch between Justice and Evil!
This isn't just between you brothers anymore!



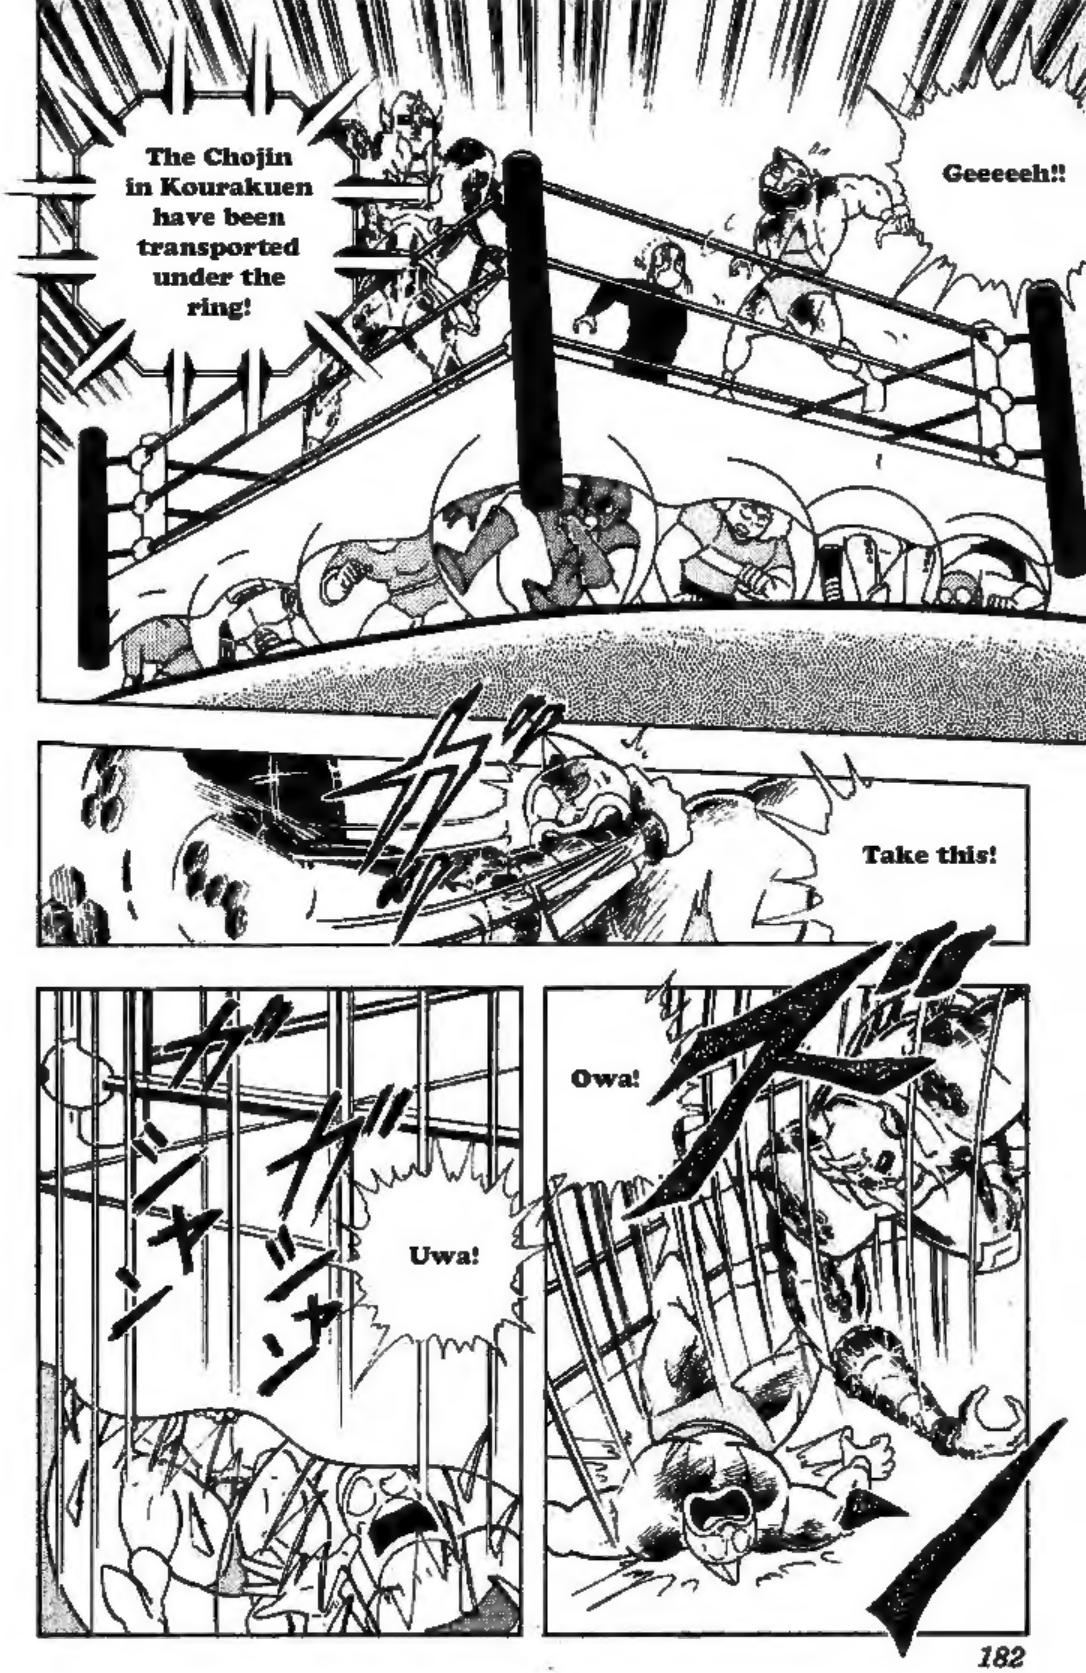
Hmph... "Justice will always win"...?
Are you sorry, now!? Justice will always win!
Kinnikuman has escaped from Shogun's Neck Hanging!
Guh!

Look there!

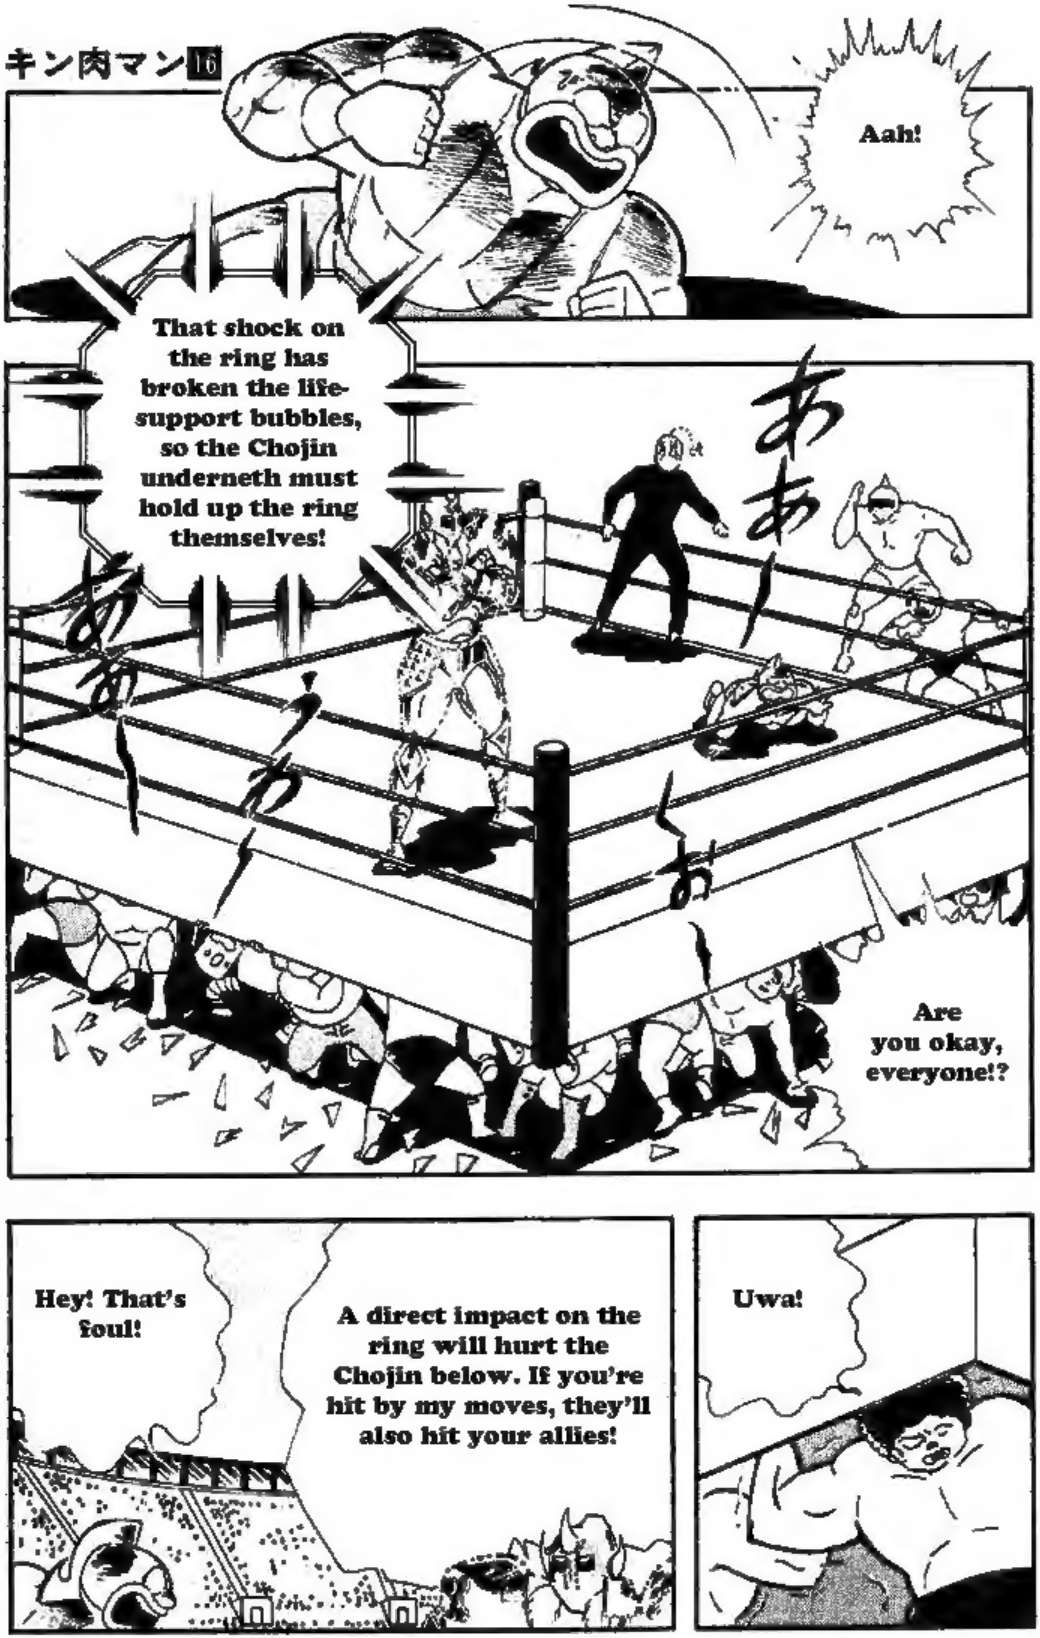
Poop
Poop
Poop



Wha?
They're all right here!
All of the Chojin in the life-support bubbles have disappeared!



The Chojin in Kourakuen have been transported under the ring!
Geeeeeh!!
Take this!
Uwa!
Owa!



Aah!
That shock on the ring has broken the life-support bubbles, so the Chojin underneth must hold up the ring themselves!
あ
あ

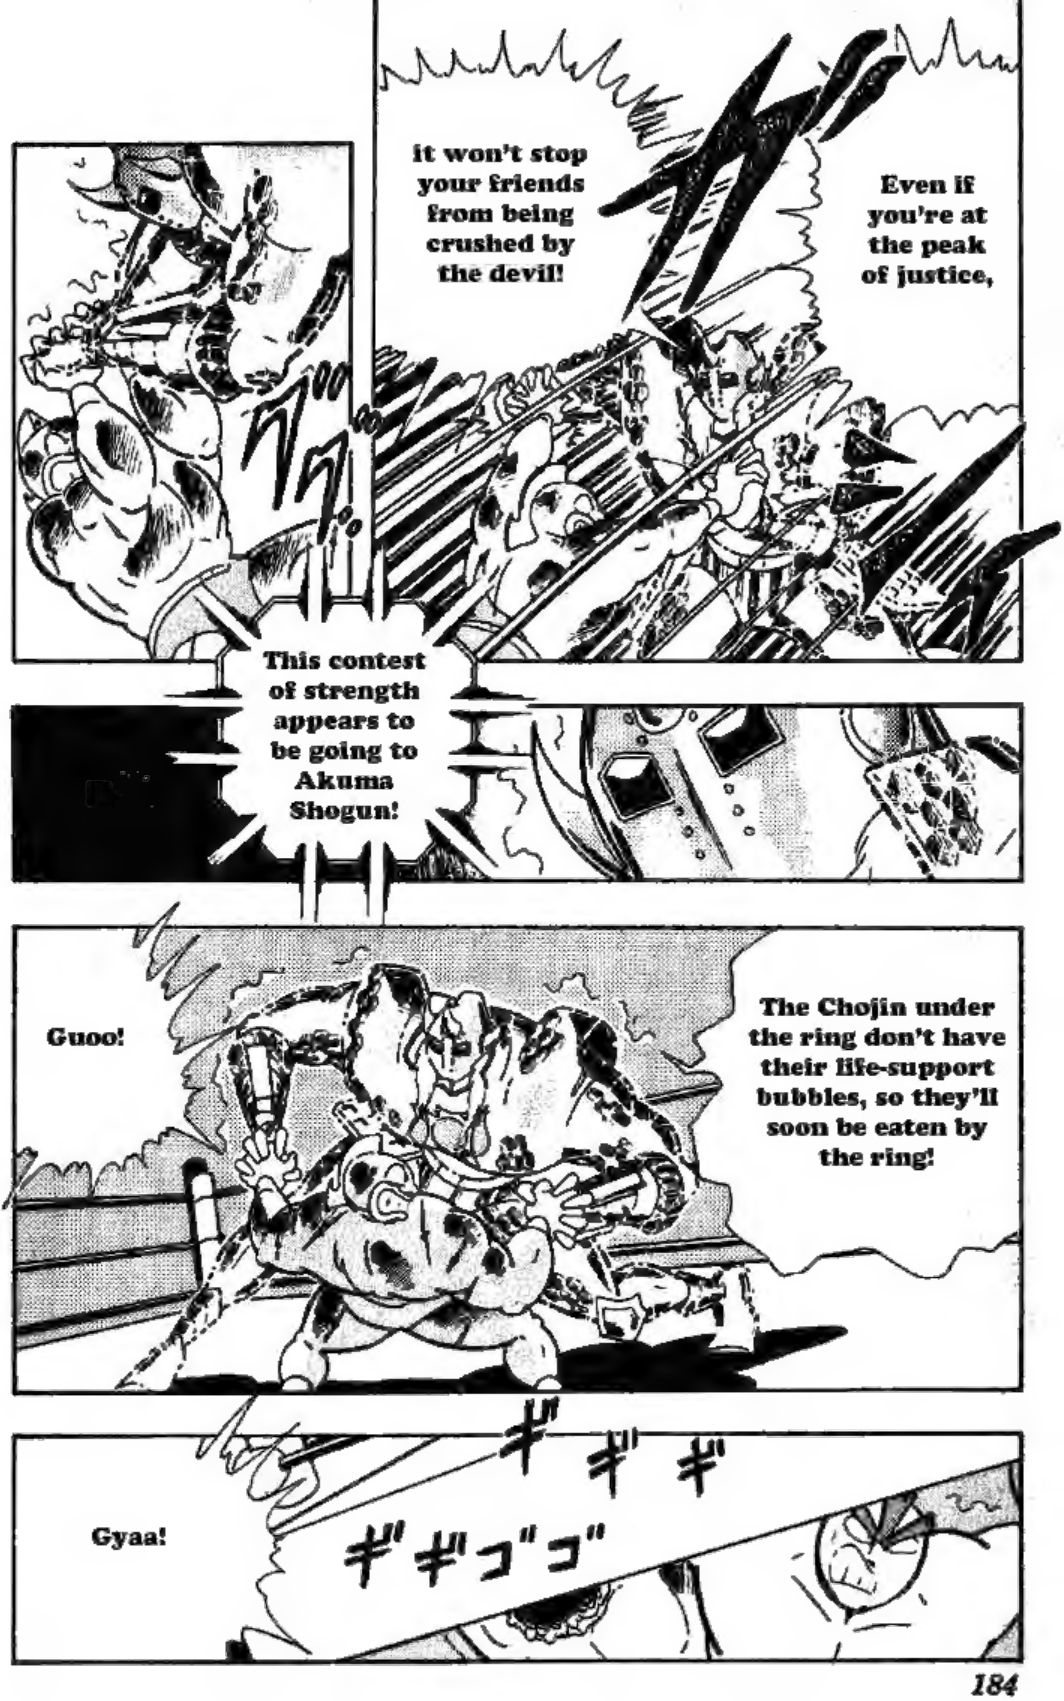
Are you okay, everyone!?
Hey! That's foul!
A direct impact on the ring will hurt the Chojin below. If you're hit by my moves, they'll also hit your allies!
Uwa!



it won't stop your friends from being crushed by the devil!
Even if you're at the peak of justice,
This contest of strength appears to be going to Akuma Shogun!
Guoo!
The Chojin under the ring don't have their life-support bubbles, so they'll soon be eaten by the ring!
Gyaa!

Uwa!
Die along with your allies!
グァッ
Burning Bridge!
Kinnikuman is eduring through sheer willpower!
